Rev. Blair T. Hunt Honored

At the eleven o'clock service, on December 23, 1945, the women of Mississippi Boulevard Christian Church presented their pastor, Rev. Blair T. Hunt, with a Christmas box, containing a suit, hat, two shirts, tie, gloves and $18.00 in cash. Mrs. J. E. Walker made the introductory speech and Miss Roxie Crawford presented the gifts. Miss Crawford is employed at Universal Life Insurance Company as secretary to Dr. J. W. Kelso, Medical Director. In her presentation speech, Miss Crawford recalled the 23 years service rendered by the pastor and summed up his Christian life in these words:

"Take my life and let it be Consecrated, Lord, to Thee Take my moments and my days Let them flow in ceaseless praise. Take my silver and my gold Not a mite would I withhold Take my intellect and use Every power as Thou shalt choose.”

The Pastor expressed his gratitude for the lovely gifts and gave heartfelt thanks for the support of all members through the years.

Our Work In The Northwest
By G. ELLISON LAKES

Hawkins in Des Moines:

Brother Hawkins is doing a great work that the entire Brotherhood will be proud of. A few months ago he held me his plans toward building a new Church for our Brotherhood as well as for the city of Des Moines. He also told me about what he thought it would cost and that he was launching a drive for $14,000. Of this amount he is only asking the Brotherhood for $2,000. We do want Churches around the world and especially in our larger cities, so why not have a part in building this church by mailing your contribution today to: J. J. Hawkins, 1926 9th. St., Des Moines 14, Iowa.

Bradley to Rockford, Ill.:

Brother Bradley has been to me seemingly a parental brother as well as a brother in the Ministry. He and I have worked very close together since he graduated from Southern Christian Institute. While here in Parsons, his family has increased from one to that of four. The Bradleys are fine people and they are greatly missed here, but we are very glad that he has given himself to full time service and received the call to Rockford, Ill. as pastor of the Second Christian Church. He reports that he is doing fine and the people are willing and ready to work. Let us give our support in this field.

Sims in Lawrence, Kansas:

“I once was lost but now I’m found”. These words could be truly said about the Church at Lawrence. A few years ago the church building was lost and some of the people were straying, but today a few of the old members and many of the new ones can be found at 13th. and New Jersey Sts. in a very beautiful building. It has been said by citizens of Lawrence that a man with courage like Sims cannot fail. This he has proven to us.

A few words about Parsons and Writer:

I visited a District meeting in Kansas City last week that was very good. The theme was: “Rebuilding with Christian Ideals.” Woman’s Day was observed here Sunday. The guest speaker was Mrs. W. S. Sims, State President of Missionary Department. Her theme was: “Our Task”. We have launched a drive for a modern parsonage. The Willing Worker Club of the Church served over 200 turkey dinners as a “kick off” on the drive. It is our hope to have it completed by the Summer. We plan to do some cooperative work with one of our weaker churches as soon as our plans are perfected. Your suggestion are always in order and will be gladly received for the betterment of our work.

Report To The Brotherhood
L. RUTH RATTEN, National Director of Missionary Organizations

Dear friends:

We are beginning the last half of our Missionary Year at the beginning of the new Calendar Year 1946. We are appreciative of your devotion and loyal Support of our brotherhood program at the half-way mark.

This is an opportunity to introduce to our new Executive Secretary of the Department of Missionary Organizations of The United Christian Missionary Society. This person is Miss Jessie Trout. Miss Trout was a former Missionary to Japan and has just left the responsibility as National World Call Secretary. Our last six months study is at hand. It is a continuation of our Theme: “WITH CHRIST WE BUILD ANEW”. “New Life for Africa” is our new program packet and “Africa and the Good Life”, a discussion course. It is very evident that for us “Africa has new significance” as we begin this study.

We know that Woman’s Day must have had new meaning to us in our whole brotherhood this year. It was my privilege to be guest speaker in this observance at four churches on Woman’s Day. They are: High Street Christian Church, Mt. Sterling, Ky., November 25 with Mrs. Eliza Jackson, local society president; Fairview Christian Church, Mt. Sterling, Kentucky, Mrs. Goldia V. Jones, local society president; December 2, Centennial Christian Church, St. Louis, Missouri, Miss Justina Sutton, local Woman’s Council president; and the Prall Street Christian Church, Lexington, Kentucky of which Mrs. Lena Tipton is the local society president. It is evident that these churches are working quite conscientiously in this tremendous program of our brotherhood.

The following churches made contributions toward my travel: High St. Christian Church, $5.00 and Fairview Christian Church $4.00.

We are wishing from the National Office "A Happy New Year" to all the Missionary Societies throughout the brotherhood.

I received your November Plea. I scanned it. I saw reports of churches, societies, conventions and district meetings. I did not necessarily see the editorial leadership thought. I noted C. L. Parks report to the brotherhood in which there was sign of coordination and general aim. I noted R. W. Watson, past president, who seemed to think that somebody ought to be saying something to bridge over until reinforcement arrives.

What the writer has in mind is that the general church is in need of an editorial leadership. Just a little history given right here might be helpful. In 1892 D. R. Wilkins edited the “Christian Soldier.” In 1906, R. E. Pearson edited a “Christian Soldier.” In 1906 C. H. Dickerson, W. H. Dickerson, H. L. Herod and others led out to surrender all editorial leadership to the Gospel Plea, and J. B. Lehman. C. H. Dickerson himself followed Brother Lehman as editor of the Christian Plea, and with his retirement the chain was broken, and the other end is yet dangling somewhere in the sea of forgetfulness.

Kentucky has had a secretary for 38 years. Our National ought to have a secretary or at least an editor and watchman, who might know what has happened, what is happening, and what will happen and when—IF.

Our white brethren have two editorial leaderships, one in Cincinnati, and one in St. Louis. Where does the Negro church editor stand. The National convention of our churches is now seriously challenged with the threat of permanent division. This occasions the great need for editorial leadership. Who has the authority to plead the case, and to rule in the matter. We should imagine, seeking about for a basis for argument, the story of the Good Samaritan would be as good a start as
Arkansas Reports
ELDER F. W. FOBS
2800 Willow St.,
N. Little Rock, Ark.

I am reporting our quarterly district meeting which convened at the Mt. Sinai Church, December 20 and 21 in North Little Rock. Elder J. W. Fobs is Superintendent. We had a very nice meeting, but not as I had planned for. Some of the churches failed to report for some cause I do not know why. We are expecting to hear from them soon. There has been quite a lot of sickness and death in district.

This quarter we raised $31.50 which the larger part of this money was raised by the women. I am endeavoring to do my bit next quarter to make this meeting a worthwhile meeting. I am asking every member in the district to represent with not less that fifty cent per member. This has all been decided in the State Convention. If we want our church to go forward we must help to support the evangelist. Shall we count on you?

Quite a few complaints of not getting the PLEA, especially at Oak Grove and Scott.

I listened at Mrs. Mary Moore, the State secretary, report giving the places that she had visited in October with Mrs. A. L. Martin of Chicago. She held her conference at the residences of Mrs. S. L. Bostick and the next following night she gave a wonderful message at the Mt. Sinai Church. Offering $4.60. She went from there to Cross Street Church and made two addresses. Offering $8.06. She was also at Mrs. Dean's resident in a conference. From there she went to Oak Grove and spent two nights with those good people at that Church. They raised $13.00 for Mrs. Martin. Her expenses to Arkansas was $20.00; total paid to her, $33.11. A friend gave her $1.00. At Russellville $6.50 was raised.

The Day of Preparation
T. R. EVERETT
Midway, Kentucky

And I have chosen this scripture for our text, Amos—2:12—the latter clause in that verse, and it reads thus. Repare to meet they God, prepare to meet they God, prepare to meet they God, prepare to meet they God.

I am saying to you who are here this day these words were meant for us just as much as it was to those in the days of the Prophet and must be so understood. God has made us this great big world, and beautified it with hills, mountains, dales, and valleys with lakes, and rivers, oceans and seas—and filled them with birds, and cattle and beast of the fields and fishes and all manner of the inhabitants therein for man's glory in the water for man's enjoyment all of these are God's noble gifts to us. Now he says prepare to meet him—Where? In heaven, the place he has gone to prepare for all those who will do his will.

I am saying to you here this afternoo students and faculty and visitors as well—this is your, and my hour for this great objective—GET READY—is the watch word of the hour God's is gone away, but he is coming back again. Students, this is your day. Use it. Get ready, do not be in too big a hurry, but stay here around the pool of preparation until you are fully prepared to do the job. One of the great dangers with most of us, is that we get in too big a hurry about doing the job and take the bit into our own hands—start off before we are prepared to go. If we will let God lead us, we can not fail. The men that God calls to do his work are usually prepared, but I noticed that they were in the school of preparation for a time. Moses, the law giver, was in the school of preparation for some forty years before he was called upon to do the big job. Christ, our blessed savior was thirty years in the school of preparation, to do three years work. So do not get in too big a hurry to get going. Wait. I say wait on the Lord. Dig down deep, and prepare to meet him. Perhaps some of you have not really seen the vision that is really ours to see; for this did you ever read the sixth chapter of Isaiah—I am giving you it from the third to eighth verse, it is really ours to see for this Holy mission. Listen to Isaiah 6:3-8. And one cried unto another, and said Holy, holy, holy, is the Lord of hosts: The whole earth is full of his glory. And the posts of the door moved at the voice of him that cried and the house was filled with smoke.

Then said I, woe is me. For I am undone, because I am a man of unclean lips, and I dwell in the midst of a people of unclean lips: for mine eyes have seen the king, the Lord of hosts. Then he said, Lo, this hath touched thy lips; and thine iniquity is taken away, and thy sins purged.

*By Roger T. Nooe, D.D.*

Minister of Vine Street Christian Church, Nashville

There is no magic in the New Year to make us or our world better. Another year is another opportunity and nothing more.

Better than dreaming of what 1946 may bring to use of good, or fearing what it may bring of evil, is a renewed mind and a resolute will and a solemn tryst with the resources that make for great living. Something is said in the New Testament about being transformed by the renewing of our minds. Some minds are so cluttered with prejudices, so bound by custom’s chains, so circumscribed by selfishness, and so blurred by sensuality that they cannot think clearly and creatively. With the help of God, these encumbrances can be cast off, and we can learn to think His thoughts after Him.

As we think, so we are. To think of all people, regardless of race or creed, as fellow pilgrims with whom we walk in mutual helpfulness, to think of fellowship and cooperation with all who have the spirit of Christ, to think of the moral law as something we cannot break but that will surely break us as we are disobedient, to think of God as love in whom we can put our trust—would bring us truly a New Year with new life triumphant, joyous, and free.

**What About War?**

*By Sidney A. Scott*

Kansas City, Missouri

Wars have been pioneers to a higher and better civilization. They help to more firmly establish the law of the survival of the fittest. Our existence here on earth seems to be a school that begins with the cradle and ends with the grave. Nature is our text book, experience our teacher. Just how well we learn our lessons, as we journey onward, is marked by accomplishments either for good or for bad.

All we know, all we have known, and all we shall ever know is but the result of our contact and experience.

As pioneers here in the United States the Revolutionary War, the War of 1812, the Mexican War, the Civil War blazed the way to our present state of civilization. Wars No. 1 and No. 2 have led us to still greater heights.

But it is high time, however, that we find a different and more economical substitute for war. Wars are costly and cruel, yet, from the carnage of human flesh and blood, there arises a new sun to light the way to new discoveries and inventions which properly used, leads on to higher and better ways of life.

A sacrifice must be made sometime and somehow to change our ideas and conditions of things. Our method to change ideas and conditions has been and is now to sacrifice human beings in war against each other that the stronger may survive. This is nothing new. It is characteristic of mankind ever since he first knew himself.

It is strange, but true, man has always wanted to be a God, or supreme ruler. In wars he has sought to conquer the weaker and establish his divine rule. All down through Biblical times, he manifested this supreme ruler-ship through prophets, priests, and kings. Wars were fought under divine guidance. Roman emperors were deified at death. This idea went so far as to men being set apart and called the Lord’s anointed. But thanks to high heaven this idea of divine rulership is fading a way. Examples; Great Britain, France and other nations in Europe. War No. 1 came near disposing of the divine righters in Europe. War No. 2 completely put an end to Japan’s divine rule when Hirohito told his people there weren’t God Emperors.

I will repeat, we must find a substitute for war if we ever expect to reach the apex of our civilization. Well, what shall this substitute be? I think that question can best be answered by events which are following our last war, which we style a world or global war.

Never before in the history of mankind has savagery and brutality been more exemplified than in this last war. The answer of substitute for war will be the results that come from the conference tables throughout the world.

Where ever there is a will, there is a way. I have faith in the master minds of our Country to find this way. A way where disagreement and misuderstandings will be settled around conference tables, and not on battle fields.
Neglected Fields By
The Church And Why?

By MRS. MAHALA HOLDEN MOORE

The Bible is alive with references to the world as the field of redemption and action.

Jesus said, "Ye are the light of the world" (referring to the church.)

We must let our lights so shine so that the world can see Jesus through us. He also said, "We are a city that sets on a hill and cannot be hidden". Whether our deeds are good or bad, we are being observed daily. The field is neglected because our lights are too dim. The world has no guide. Our lights flicker off and on. When we say things Jesus would not say or go places, he would not go, our lights go off. The world is left in the darkness.

Dear Christian friends, I am sure when we realize that we are the only Bible that most of the world will ever read, we are going to be more active in attending services and more careful in how we conduct our lives.

The Sunday morning service is the church's principal way of doing its work. It is the even of the community life. Nothing ever happens in a community as important to the life of the community as the regular Sunday morning service. If the churches were filled on Sunday morning the community would take notice. Evangelistic work of the church would be done; financial problems would be solved. The whole church program would be advanced. It is the one thing that would make the church strong.

As we approach the New Year, may I ask what will be your practice on Sunday morning? Will you see that your children are in Bible School on each Lord's Day? Or will you continue to put aside the thought of going to church for almost anything else that comes to your mind? Let us resolve that, we will obey the urge of our spiritual life and go to church with our families to worship God.

The field is neglected because we are robbing God of His time. The wealth of the world is God's. All that we have and hope to have comes from Him. We are not only responsible to man, but to God for that which has been given us. A Christian should always be glad to give. Let the Lord's share be taken first from our income. Our income is simply ourselves converted into cash. The field is neglected because we rob God of His share. Let us be honest.

The must be the builder of a new world. The atomic is not as great as the dynamics of the simple Gospel story. One is mighty to destroy, the other is mighty to save and to save to the uttermost. It will take preaching, a heap of it, and it will take living, a heap of it, more than the average or large majority of professing Christians have ever dreamed of.

What shall we do? We must choose. What shall we choose? Atomic power? Yes, with spiritual controls, and the world will be marvelously blessed and saved. It is up to the Christians of the world. Oh! what shall we answer the King when He comes, and calls for the harvest we have grown. Say, will it be naught but leaves we bring when He calls us to reap what we've sown? So let us look well to the seed that we sow and sow for the Master alone. So when He calls us from work to reward with rejoicing we'll reap what we've sown.

The Cross Street Christian Church has taken a definite forward step. One of the long needed assets of the Church has been added, a parsonage. The membership of Cross St. Christian Church began the year (1945) with a determination, backed up by action. This determination has resulted in the purchasing of a parsonage, a home for the minister. Through the fine leadership and cooperation of the membership, the Church was able to buy and pay cash for a house and lot. The cash price paid, was ($2300.09). We are rejoicing in the God of our salvation for this bountiful blessing.

We are going forward in (1946) with hopes of doing bigger and better things for Christ and His Church.

It is with great joy that the church can say we are standing together. Our attendance is increasing in all the departments, beginning with the Bible School. I must say we had a very successful year’s work, as we come to the end of 1946. Planning a bigger and better bet for the new year. I need not tell you that Dr. Washington is a great Gospel preacher. That the brotherhood knows and that he is moving on in a splendid way. Also his good wife. I still says we are looking for a great success in our new year’s work and we solicit your prayers as we work together. We pray that we will not look back but press forward. “Grant it Lord”.

The past year has been a very important period in the history of our Church and we are praying that this year will mark a greater period. Your Good wishes and gifts to the building fund of our Church has given us new courage to face the task before us. We have a definite goal to work to and surely a place of worship is necessary to speed us on our way. The church is moving along normally at the present. The Christmas tree for the Bible School Classes was the high light of the Holiday entertainment, twenty children received special gifts and others received a small bag of eats. This same group were sponsors of the watch meeting on New Year’s eve. That was very up lifting and beneficial to all who were present.

Another important event for the beginning of the new year was a program presenting Miss Myrtle Ward, one of our returned missionaries from Congo, her experiences were helpful to all that heard her. She answered many questions and showed souvenirs from Africa. It is her hope that she will return to Africa to take up her work in the spring, our prayers go with her that she will find a reality in serving God and her fellowman.

We wish to extend our greetings to all for a happy and prosperous New Year.

Greetings Fellow-Christians:
This is the voice of the College Addition Christian Church. During the past year of 1945, our record shows that we were both financially and spiritually alive. Our missionary society has taken on more courage and ambition and is doing a very good work. Recently the society sponsored a “Trip Around the United States,” in which twelve neighboring missionary societies participated. (This included two Methodist, one Disciple of Christ, and nine Baptists.) This event was an inspiring program and the financial side was very good. We were also represented in The Women’s Church School held at the Southern Christian Institute.

Our goal for 1946 has already been set and under the able leadership of our pastor, Rev. D. L. Jackson, we shall endeavor to accomplish our aim.

We thank God for the rich fellowship that we had with all our adjoining churches, and we are wishing each of you a brighter and more prosperous New Year. Each of us enjoys news coming from our Christian brotherhood, and it does much in stimulating our growth and arousing our initiative in the promotion of our church’s program. As we launch out into the “depths” of our 1946 program, let us use this recipe in our plans. Let us take a bounteous supply of faith, mix it with a large amount of understanding, hope, determination, love; season with the ability to “give and take,” garnished with the “spice” of friendship, a pleasing personality, and the result will be a successful landing.

A play, “Slab Town Convention,” was presented at the Boll St. Christian Church by the Missionary Society on November 20, 1945. The production was especially well directed by Mrs. M. C. Dixon, wife of the pastor of the church. The importance of missions was stressed throughout the play and this idea was emphasized particularly in a paper on “The Neglect of Africa” read by Miss Elizabeth H. Coleman as a member of the cast. More than one hundred dollars was raised from the sale of tickets, and it was decided that the play would be presented again at the Roseland Homes’ Auditorium on December 6. Mrs. Agnes Williams was President of the convention, and Mrs. Mable Coleman was Secretary. We raised over a hundred dollars there for the benefit of the Nursery Department.

I wonder if you all missed hearing from me last month as much as I missed writing to you. I think I told you in my last article of our plans for Alabama and some of the things carried out. There was one, however, that I failed to mention. Since that time there has been a wedding, shower and gifts galore. Oh! well why not tell you. Yes, you've guessed it. I was so busy honey-mooning last month I didn't get a letter to you. Alabama is still on the move for better things. Ross St. Church will be hostess to the State Convention October 25-28. We are looking forward to the best yet. It was my full intention to attend the National Convention this year along with our pastor. Since neither of us got a chance to attend we were very happy to learn of its success. Alabama was proud also to have some of its churches represented. Ross St. was represented financially.

The young people's work in Alabama has taken new life. Miss Willa Mae Elmore is doing a very fine job as director of the Christian Endeavor. Mrs. Nellie Hinson who studied working with Intermediates in St. Louis this year, is doing a nice job as chairman of the Worship Committee. I must tell you about the lovely miscellaneous shower given in my honor by the Usher's Board. Gifts, some of the nicest and prettiest I've ever seen, came from every direction. I didn't realize I had so many lovely friends until I married. I wonder why I didn't do it sooner. The ushers left nothing undone to make this occasion a successful and happy one for me. I can never repay them nor many other friends for their thoughtfulness of me. My service to them as president has been a real joy. My heart aches when I think how soon I must leave them all.

Speaking of leaving, I wonder how many readers do I have in Baltimore, Md., where I will make my home in a few weeks. I would certainly be happy to hear from some of you. I have some of the members' names and pastor, Bro. Whitfield, already. Do hope you would like to have some newly-weds in your church. You may write at 10 Lapine St., Montgomery, Alabama.

Sunday, October 7, the United Christian Church launched upon a new year with all bills paid and money in all of its treasures. The church has set a goal of five thousand dollars to be raised within three months. This sum being the first portion of forty thousand to be raised for a new building. Along with all bills being paid this covers the indebtedness of our church property also. At the writing of this report more than a thousand of the five thousand dollars have been pledged.

There are three outstanding features of our work in Detroit. The church is now in its tenth year, and Rev. R. L. Jordan, our pastor, has been our leader during this period. Under his leadership the church began with five members and now the membership is over one hundred fifty. The building and land was contracted for and also that debt erased during this time.

MISS CHARLOTTE HOWARD, Reporter
Reverend Daniels, your reporter, and members of East Vine Avenue Christian Church, wishes for all the churches and its members throughout the Brotherhood a bigger, better, and peaceful New Year. May the spirits of Christianity and the love of God follow you out the entire year.

Last month was spent by the most of us in a busy round of Christmas preparation and activities. We wonder how many of us found the time to actually be thankful for the gift sent to us through the mercy of our Father, gift of His only Son? Did we find time to prepare in our hearts a dwelling place for Him to abide through the days of our lives?

Reverend Daniels brought to us, on the last Sunday in year, 1945, a wonderful sermon on the need of this preparation.

What with the return of our servicemen and women and the vast changes that have taken place in the world in which we live we cannot help but feel and see the need far above our church groups and adult leaders, the need for a forward step in the kind of lives that we would have for those that are to follow us.

Christmas is a time of family reunions and the closer understanding of loved ones and friends one with another. It is a time of giving unselfishly, remembering those whom we love and cherish. Although we have come to the close of the holidays we would like to pass on to you a few of the activities that help to make our Christmas a gala occasion.

The Young People's Club held their annual Xmas party at the YWCA, December 28th. Unfortunately, some of the members were unable to attend, but those who were present received and exchanged gifts and reported a lovely time.

Miss Ollie Garrison was visiting her parents in Nashville, Tennessee. Mrs. Theresa Ellis and son enjoyed the holiday visit of Miss Thalia Ellis who is attending Tennessee A. and I. State College in Nashville. Miss Charlotte Howard, accompanied by Miss Ola Moore, visited her mother, Mrs. Hattie Howard Caldwell in Rogersville, Tennessee.

Mrs. Harvey Reynolds, had as her guest, her brother, Mr. John D. Young who, in return, gave a reunion for two of his buddies that were in service with him, Mr. David Campers of Cincinnati, Ohio, and Mr. Jed Weavers of Clinto, Tennessee. A number of out-of-town guests were present to attend the concert given by Lucky Millinder at the Payne Avenue USO including Miss Geneva Carr, who is attending Howard University, Washington, D. Rev. S. E. Tillman, Minister
Mrs. Anna B. Washington, Secretary
169 Seaman Street
New Brunswick, New Jersey

To THE CHRISTIAN P L.E.A!
Greetings! We wish all of you a happy and prosperous New Year.

We have been blessed all the past year, both spiritually and financially. Our record showed that death did not break our rank during the past year, although our pastor's wife did have a narrow escape of death by being hit by a truck while crossing the street. We were very glad that the accident did not cause death. She was taken to the hospital and treated for bruises and was brought home where she was confined to her bed for two weeks. She is now convalescing.

For the month of December our pastor has been giving us plenty of good lessons on "Time." On the first Sunday afternoon the Pastor's Aid rendered a program by President, Mrs. Sarah Johnson. The guest speakers were Mr. Chandler of the USO, accompanied by Mr. Welch. The use of talents was discussed. The music was furnished by the Junior Choir.

On the fifth Sunday our pastor was unable to be with us, because he was confined to his bed with a bad cold which turned to be the la grippe. He really wanted to be out the last Sunday in 1945. Elder C. T. Taylor preached at 11 o'clock.

On New Year's eve our pastor was unable to preach due to his cold, but his New Year's message was read by Mrs. Sarah Johnson. The message was based on Peace and Good Will to all mankind. After the birth of the New Year, some of the members returned to the pastor's home where they served coffee and cookies.

We have a few sick members and we pray for their recovery.

Through the blessings of the Lord we have had our furnace installed in the church, and we will be able to have night service hereafter.

When visiting the city of New Brunswick, New Jersey try to come to Antioch Christian Church, Disciples of Christ.

Just a few lines to let you know that we are still on the firing lines. Sunday, December 9, was a great day with us. It was Woman's Day. We raised $18.00. We ask your prayers that this world will grow. We are getting along very nicely.

Brother R. Wesley Watson, our tri-state Evangelist, comes to us whenever he comes to Kansas City. Sister L. Gray and myself are carrying on the work by the help of the Lord.

days, is still on the sick list. Miss Minerva Bowman who has been to Middlesboro, Kentucky, to the illness of her sister, returned to Knoxville, only to be recalled to Kentucky by the death of her uncle.

The New Year's activities were much quieter than those of Xmas with most of the attending watch meetings. We have so much to be thankful for that we feel there could be no better way in which to start the New Year, but in giving thanks to Him who taught us the true significance of the Brotherhood of man.

We urge you to make this a church-going year, and give thanks for peace once again, for the return of our loved ones and those who are yet to return to us.

And may we forever follow him who said, "Peace on earth, good will to men."

The academic year is moving well into the second quarter. The enrollment of 311 was enlarged November 10, 1945 by nearly eighty teachers continuing extension classes. Under the direction of Dean Chas. Mosley Saturday classes for in-service teachers are being held in Vicksburg and on the campus.

FACULTY—November 4 through 18 Pres. John Long was a representative of the Home Missions Division of the U. C. M. S. in the annual city-wide Religious Institution sponsored by the Kansas City Christian Churches.
Elder L. L. Dickerson (extreme right, third row), after leaving the National Christian Missionary Convention of which he is secretary, is shown with his four Blind Harmonizers of his church at the dedication service of the School of the Scriptures. Dean C. C. Campbell, President; Tibbs Maxey, Treasurer; Max Randall, Secretary; James Johnson are seated, front row, left to right. This picture was taken September 14.

The editor of the Plea was present and greeted Elder Dickerson and other visitors as well as inspected the building. The school is in Louisville, Kentucky.

The faculty and student body mourned with the Mrs. B. L. Jacobs, Sr. in her loss of her mother, Mrs. Heath of Hermanville, Mississippi. Representatives of the school attended her funeral Dec. 1 at First Christian Church, Hermanville. Eld. I. C. Franklin delivered the message.

Mr. and Mrs. Homer Thomas had Mr. and Mrs. Cecil Dietrick as house guests Dec. 1 through 9th.

Dean C. C. Mosley attended the annual Deans Conference held at Fisk University, Nashville, Tenn. Dec. 5-7th. This notable meeting had in attendance such outstanding educators as Dr. F. G. Clark, president of Southern University, Dr. H. Logan of Howard University and Dr. C. Wesley, president of Wilberforce.

The Rev. Mr. W. K. Fox attended the Home Missions Planning Council meeting of the International Convention of the Disciples of Christ which held its bi-annual meeting at Claridge Hotel in St. Louis, Mo. Dec. 12-13. Mr. Fox is a member of the Town and Country Church Committee. This planning council has the power to make recommendations regarding the work of the Brotherhood and to suggest or write pamphlet materials which might serve to implement such recommendations.

CAMPUS HIGHLIGHTS—For the first time in a number of years the Y.W.C.A. had the honor to present a national field worker to the local association and student body November 24-25 in the person of Miss Irene Harris. Miss Harris injected new life in the association through her small group meetings and fellowship sing. She inspired both faculty and student body on Sunday morning when she delivered the address, "Building the Kingdom of Heaven on Earth." The experience was under the supervision of Mrs. G. C. Mosley, advisor.

The school is enjoying to the highest the use of the new motion picture machine. Several educational pictures have been shown. Popular showings such as "Union Pacific," "How Green Was My Valley" and "King of Kings" are also being shown. Pres. Long insists on showing only the most educational and best pictures.

December 16, the S.C.I. Choiristers under the direction of Mrs. Suett Jacobs present THE ROSE OF CHRISTMAS by Van D enman Thompson.

CHAPEL—This quarter's chapel program promises to be one of the year's best. November 30th. Prof. W. Williams, superintendent of the Oakley Industrial Training school, Oakley, Miss. brought an interesting and informative message. Until two years ago Mississippi had no place equipped to help delinquent Negro children to adjust themselves in society. Mr. Williams took over the project two years ago and built the institution from the ground up. Today he has some six modern red brick buildings in which to begin the guidance of many of Mississippi's neglected Negro boys. The institution is supported by the state.

December 7th. Mr. B. L. Jacobs, superintendent of the farm at South-
ern Christian Institute, delivered the chapel address. He told the interesting history of the farm and school. Among the many significant things he said were the following: (1) In 1922-23 the farm discarded farming by hand and sheer brawn and began to introduce mechanized farming. (2) In 1938-39 the farm yielded a $5,580 profit but with the increased use of modern techniques and government benefits the farm yielded a $13,661 profit in 1944. (3) Thirty years ago the farm had thirty tenants but under the encouragement of the school these persons moved away and bought their own land that they might be independent.

December 14 Mr. F. C. Wilcoxin, (white) Secretary of the Vicksburg Y.M.C.A. spoke in chapel. He is a courageous interracial leader in the state. He spoke on advances being made on the interracial front in the south. Mr. Wilcoxin believes that because of the work of interracial leaders in Mississippi this coming legislature will pass many bills favoring the Negro. Among them will possibly be several thousands of dollars for new brick rural schools of the consolidated type; nearly a million dollars for the gradual equalization of teachers salaries; and several bills granting money to the state health department for the safeguarding of the health of the masses of people in Mississippi.

MINISTERIAL ASSOCIATION—In the absence of Pres. Long the ministers took charge of the campus church services November 4 and 11th. The association is planning to start a scholarship fund for the assistance of worthy association members desiring to continue their education in college or graduate school. Contributions to this cause will be appreciated. (Send all money to Dean C. C. Mosley or W. K. Fox at S.C.I., Edwards, Miss.)

Let VISUAL AIDS Help You Solve Your TEACHING PROBLEMS

Tests in schools have proved teaching supplemented by visual aids enables pupils to learn more rapidly and remember longer. Today more and more progressive churches are availing themselves of this great medium. They are finding they too can reach children, young people and adults more effectively through the “eye-gate” by which 75% of learning takes place. Excellent slides and film strips as well as quality equipment are available for your church’s program of worship, study and recreation.

Professor T. B. Frost Passes  
"The Founder of Jarvis Christian College Is Laid to Rest"

Hawkins:—Eighteen miles east of Mineola and fifteen miles west of Gladewater on America's famous Highway 80 is located Jarvis Christian College. It seems so different from any other East Texas educational institution, except that it is rich in oil, rich in East Texas hospitality and rich in culture. It is rich in the tradition that has established Dr. Frost as its First—first president, first teacher, first carpenter, first janitor and first plowman.

About one-quarter mile east of Jarvis, a tourist flashes by the private cemetery of Jarvis College. In that cemetery sleeps a triumvirate of teachers, who are heads of schools, leaders in communities, and worthwhile citizens. Their monuments are in the hearts of men from Kentucky to Texas.

The entire community was held in the grip of mixed emotions as the startling, arresting impact of the words, Professor Frost has passed, settled on their consciousness Saturday morning, January 5, 1946. For thirty-four years Professor Frost had been a part of the community, and now, Professor Frost has passed.

People from Kentucky to Texas had come to know him and to regard him in a manner that was reverential. Even after seventy odd years, his personality was exceptionally dynamic. He had a five-eighth inch lift of his chin when talking that portrayed courage. There was a sparkle in his eyes that spelt determination. The very carriage of his shoulders and the firmness of his stride showed that he moved with a purpose. He had a smoothness in his voice that inspired confidence.

The funeral services were held in the Jarvis College Chapel. Professor J. M. Henry spoke of the deceased as a citizen, Rev. M. C. Dickson, Dallas, Texas spoke of him as a minister, Rev. Howard, Oklahoma City, spoke of him as a fellow worker, Dean Chas. Mosley, Edward, Miss., spoke of him as an educator, and Rev. E. J. Dickson, spoke of him as a friend. The obituary, which reads like an adventure story, is reproduced below:

Thomas Buchanan Frost was born to this union, for the mother died two days after his birth. When Thomas was eleven years old the

family moved to Minton, Arkansas, from which place a few years later Tommy Frost (as he was affectionately to be known for nearly three-quarters of a century) went to Southern Christian Institute at Edwards, Miss. Here he joined the church in 1892 and began preaching while in school. Following his period of schooling there, he returned to his home in Arkansas to serve as mail carrier.

Soon, however, President F. B. Lehman, having seen in his former student, qualities that our schools of that period needed called him back to S. C. I. to work with the boys until 1900. At that time Professor Frost left his work at the school with his young wife, the former Miss Mattie Briggs, whom he had married in 1899, and retired to a farm near Jarvis College where he had lived with his family about him, Professor Frost had reached retirement age. Dr. Thomas Buchanan Frost, the founder of Jarvis Christian College, and to the church. For the ages.-By T. H. Burton, Sr.

When Major and Mrs. Jarvis gave land in Texas for the establishment of a school for Negroes, President Lehman was asked to send a pioneer to lay the foundation work for that school. His mind went to Tommy Frost whose industry, fortitude, foresight, and nobility he had had an opportunity to observe. Mr. Frost agreed to leave the comfort of his home for this new and extremely difficult field.

On January of 1912 Professor Frost arrived in Hawkins and the wilderness that was to later be known as Jarvis Christian College. The hardships of those early months need not be repeated. It is sufficient here to say that like Christ he suffered that we might live. When his family joined him conditions were little better. For seven months, Professor Frost worked alone to clear the land and to do all of the things a pioneer must do. At that time he was joined by Professor C. A. Berry. Later President Ervin with his family and other brave men with their families came to help the great pioneer. Without the courage and zeal of T. B. Frost Jarvis would not be what she is today nor what she is to become tomorrow.

During his years as pioneer school man, he was also a pioneer minister of the gospel in East Texas. For five years, he pastored the church at Cason and preached at Union Grove, Sharpless Chapel, and Owl Chapel. During those same years the school began to show such promise that many of the families now residing in this community moved in from distant points that their children might have the opportunity of a Christian education and they the fellowship of the college people.

Again in 1922, Professor Frost was called upon to pioneer for another school, so on November 21, 1922 he left Jarvis to build a school, Central Christian Institute in Shepherdsville, Kentucky. He remained with that school until it was closed because of lack of funds in December 1928. The family then moved into the parsonage of the Hill Street Christian Church in Louisville, Kentucky, which church Professor Frost pastored from December 1928 to March 1929. In March with the two younger boys who were the only children of five left at home Mr. and Mrs. Frost returned to Southern Christian Institute. It was here on August 11, 1931 that Mrs. Mattie Frost died. In May 1932 Professor Frost married Miss Sarah Williams, a recent graduate of S.C.I. To this union three children were born.

The family remained at S.C.I. until December 1939 when Professor Frost had reached retirement age. He built a comfortable home on his farm near Jarvis College where he lived with his family, continuing to render service to the community, to the college, and to the church. For two years after his retirement he served as evangelist for District No. 1 of the Texas Christian Missionary Convention.

His rich life was rewarded with seeing the wilderness he dared to clear transformed into an accredited senior college, with seeing students, whose lives he influenced, leaders in their communities, with seeing his older children educated and respected citizens in their several communities, and with recognizing a feeling of love and good will between his wife and children.

Saturday morning, January 5, with the members of his young family about him, Professor Frost was stricken at the breakfast table while conversing jovially. A few minutes later he passed to his reward while in the arms of his closest friend, Professor C. A. Berry.

He was survived by eight children, Ethel, Thelma, Howard, Edward, and K. J. of his first marriage; and Mattie, John, and Mary of the second marriage by two sisters, one brother, eleven grandchildren, and many nieces and nephews.

Rev. P. C. Washington, President of Jarvis Christian College delivered the funeral oration, then a reverential congregation passed solemnly past the bier that was nestled in a huge bank of flowers. The quarter mile drive to the cemetery for interment was made without event. As the body was being lowered to its final resting place two quails in the nearby grass stirred excitedly and winged away. The sun that had been hidden all day, broke through the clouds for a scant second and receded behind a veil of mist as if to join the congregation in mourning. Your reporter turned to walk away, and on reaching the gate he turned to take another look at the quaint old cemetery. As he did his mind came to rest on a significant stanza of Gray's Elegy in The Country Churchyard.

Perhaps in this neglected spot is lain,
Some heart once pregnant with celestial fire,
Hands that rods of empires might have swayed,
And wake to ecstasy the living lyre.

Dr. Thomas Buchanan Frost, the founder of Jarvis Christian College, the founder of Central Christian Institute, the Patriarch of Christian Missionary Education, belongs to the ages.—By T. H. Burton, Sr.

Hello, friends, it has been a long time since you have heard from me. I am back in civilian life again. I spent two years and 25 days in the Army. I received my discharge Oct. 22, 1945. I am back in the Church work. Teaching the Bible Class in the Mayslick Bible School. I was elected Financial Secretary of the State Board. Elder B. H. Hall, who served the time I was in the Army, offered his resignation and recommended that I be elected in his place. The Board did as he recommended.

I want to say to the pastors and church leaders of Kentucky that I have a big job before me. Brother Hall has done a fine piece of work. He has made a good secretary. I don't want to let the work go down, so I am asking you, please don't let me down. If I make a success of it I am your secretary, if I fail I am your secretary. I am depending on you giving me your support as you have done in the past. Each church is to pay $1.00 per active member. We want to put the job over.

In our January Board meeting we raised $110.25 on apportionments. We gave $5.00 for some minutes that were sold totaled $115.25. We hope to do better in the April meeting. I am depending on the District Presidents for their support. You will be hearing from me, everybody all over the state, when President F. T. Floyd calls the convention to President for their support. You were sold totaled $115.25. We hope

Give Yourself Away

Try giving yourself away. It is a lucrative business. Yields big dividends, That will always pay. Start with a small gift Of a toy at Xmas time, To help fill a little stocking When Yule carols chime. Or, speak a kind word To a man when he's down 'twill help lighten his burden And banish away a frown. Find a little rustic cabin Where hunger stalks the door, No fuel in the coal bin, No carpet on the floor. (Bread cast upon the waters some day will return.) War Article Answered

By JAMES T. WALKER
Kansas City, Mo.

I can't accept the writers view that wrote the article entitled (What About War). Individuals and not wars nor even masses of individuals have been the true pioneers of higher civilization. It has been the thought and insight of one or perhaps a small group of Individual personalities that have lead the way to better thinking and in turn to better living. It is when the masses finally accept and see the justice and truth in the inside of these pioneer thinkers that they have the courage to destroy the injustices of the prevailing order.

It is to the Monks and Priests of the middle ages that we owe a debt of gratitude for the sound and basic principles of our modern civilization. It is man's stupidity that brings about war. It is the great violent last effort of the selfish that refuse to see the light of the writers, thinkers and great spiritual leader of their day that cause wars and bloodshed. War is an adventure into darkness through which we manage by the grace of God to endure both the weak and the strong. Appreciation and respect for the human personality is an adventure into the light that leads to a higher civilization and more abundant life.

If the writer of the article "What About War?" thinks that we gained anything from World War No. 1, I ask him to remember the depression and how swiftly World War No. 2 came upon us.

positions as a result of his removal to Santa Anna, California.

The trend toward the purchase of parsonages continues. This is indicated by the fact that the following churches recently purchased parsonages with the aid of Church Extension loans: Charlestown, Indiana; Fort Worth, Texas—Morningside; Kingsport, Tennessee, Ligonier, Indiana; Mount Vernon, Indiana; Ogden, Utah—First; Salina, Kansas; Austin, Minnesota.

The trustees of the Board of Church Extension announce that 2% interest is to be credited to Church Extension Named Funds for the year 1945.

Nearly half of the Board's assets, now in excess of $3,000,000, are accounted for by Named Fund gifts plus interest credited thereon.

A Church Extension Named Fund is established by a gift of $5,000 or more. These gifts are often made in small annual instalments.

Central Christian church (colored) of Louisville, Kentucky, recently completed remodeling and redecorating the interior of its sanctuary. Accomplished with the aid of a Church Extension loan, the work was done under the direction of the minister, E. W. Henry, Jr. and the chairman of the official board, Aruth A. Hunsbro.

The building, having an assessed value of $14,048.00 occupies an excellent site at the corner of Seventeenth Street and Jefferson Boulevard.

A new congregation, known as the Bixby Knolls Christian Church, was recently organized in Long Beach, California.

This congregation is to be housed in a new church building being erected in the midst of a housing project that already includes 3,300 new homes with many more being planned for early construction.

The building is to include an attractive chapel and Church School unit. Its construction is made possible by a Church Extension loan, by contributions from various Southern California congregations, and by a grant from Southern California Christian Missionary Society.

Mississippi Boulevard Christian Church

REV. BLAIR T. HUNT, Pastor
MRS. C. E. ROWAN, Reporter

The members of Mississippi Boulevard Christian Church started the new year with renewed faith knowing that great things can be accomplished in Kingdom building if faith is present. On the first Sunday in the New Year, the Pastor, Rev. Blair T. Hunt, preached on "FAITH—AN APPEAL TO GOD'S HONOR." Some of the outstanding points in his sermon follow:

"Faith—A fine thing to begin a New Year of peace. Without faith it is impossible to please God. Faith is absolutely necessary to salvation. It is the substance of things hoped for, the evidence of things not seen. Faith just by itself soon dies. The four mediums of faith: Repentance is faith winning, Baptism is faith acting, Prayer is faith communicating and a Christian life is faith saving.

Hence, we are saved by a system of faith that leads to the very gate of heaven. Faith, when we exercise it, is an appeal to God's honor.

"Christ is never too busy to heed an agonizing cry; that is one of the many reasons we love Jesus. Take the 9th Chapter, Gospel of St. Mark: Jesus took time out to listen to the father of the boy with dumb spirit. No doubt the father of this afflicted boy had called to everyone around about in that community; Jesus let the father tell all, then He asked the father how long the boy had been afflicted. The man replied: if you can do anything for him, have compassion on him and help us. Jesus said, if thou canst believe, all things are possible. Faith is that medium of exchange that has no limit in God's Kingdom. Draw heavily on your account of faith in proportion as you have faith in God."
Bethel Christian Church

Eld. S. D. Yarbrough, Minister
Carrie A. Griffin, Reporter

Rte. 2, Box 53, Collia, Miss.

Greetings to everyone, especially to the readers of The Plea.

Bethel is still grateful to be able to carry on, not as we desire, but we are yet alive; despite our being near the storm area, that carried its toll of destruction on January 6, 1946.

There are those of us who realize that it's more profitable to count our many blessings than our many woes.

A few of the faithful met at the above named church on the 2nd Lord's Day, Jan. 13, 1946, and after having been greatly strengthened, we are willing to continue the good fight of faith until "He" says there's enough done.

Supt. T. J. Johnson was as usual at his post for Church, School, after which Bro. E. Grant led devotion, invocation. Bro. E. D. Arnold followed, by Scripture lesson, by Bro. E. J. Jackson. After singing, Elder Yarbrough read for our consideration I Cor. 1-10, Subject, "We Should present our bodies as a Living Sacrifice."

Our 1945 History was discussed as past history plus what should be done during 1946, and the type of sacrifice God wants. No confession nor reclamation was made. This was a wonderful service, all were encouraged to have greater anticipations for Kingdom Building.

Find $4.50 and names for subscriptions. We give the work God speed.

Nashville, Tenn.

Greetings.

We are happy to announce to the Brotherhood that the Church is working harmoniously with every department. We are carrying on an evangelistic meeting with the pastor doing the preaching. Three additions thus far. It will continue until Easter. The third Lord's Day in last month in the afternoon, the three congregations held a union meeting with Prof. M. R. Eppse, the editor, the speaker. His subject was "Facing a New World." He insists that each congregation go forward with the order which Christ gave in Matt. 28:19-20. Our Church is the leading Christian Church in the city. If you are in our city at any time, visit Alameda and you will receive the Jerusalem Gospel. We do not believe in no open membership. We are praying that our National Convention will come back to the Old Jerusalem Doctrine and have more preaching when we meet in Brooklyn. Our pastor is the Vice-President of our State Convention and President of the Bible School Department. He is wide awake and forever on his job. He is dynamic in all of his obligations. Brethren, pray for us that we may continue with the Master's work.

Yours for a Greater Service.

Our heartiest greetings is extended to all, 1945, with its joys, its cares, its success and failures is now our yesterday.

If there were errors we hope they are erased, if wounds, we hope they're healed, and all are willing to carry on more effectively.

We've passed through the "Joyous Season" into 1946, a time that we've eagerly looked forward to. It is "our today," which means the now! What we're to do must be done quickly, and in all our ways let us acknowledge Him!

If we're the sheep of "His fold," and feed upon the green pasture, surely we should readily be guided.

Each year, the Clay Street Christian Church is attempting to do just what the above quotation says. Four years and two months ago, Elder H. E. Jackson, our present pastor, came to us. Among the many things which have been accomplished under his able leadership, may be listed the following:

- Improved order of worship throughout each department. 48 persons (26 by baptism and 22 by statement) have been added to the church.
- Contributions to missionary activities, $750.00. Total amount of money raised, $12,000. The $3,000 building debt which the church owed completely eliminated. The mortgage was burned on August 6, 1945. Mr. Merl R. Eppse was guest speaker. This is the first time in 16 years that the church has been free of debt. Kentucky State Convention in July, 1945, entertained.

Recreational activities made a definite part of the church program—recreation and reading facilities provided.

Federal Council Sets Post-War Program

The confusion and uncertainty which exists widely today in regard to desirable purposes, principles and methods in the economic aspects of our common life, lead us to express what we believe should constitute the approach of those who seek to be sincere followers of the Lord Jesus Christ. We are convinced:

1. That it should be the endeavor of Christian people to consider those matters on a level higher than that of group partisanship and in the light of their understanding of Christian teaching.

2. That it is the duty of the Churches, pastors and people to seek to arouse the conscience of the nation on all matters involving moral principles.

3. That the Social Ideals of the Churches as previously adopted by the Federal Council constitutes a general statement on these subjects which continue to be of enduring value.

4. That two specific actions are even more significant now than when they were originally adopted.

A. At the 1944 Biennial the Council voted to "urge our government to establish permanent procedures for securing the objectives which have been sought by the Committee on Fair Employment Practice," believing that "discrimination in employment because of race, creed or national origin is one of the great moral issues before our nation today."

B. In November 1945 the Executive Committee voted to favor "an increase of the minimum wage" (Continued on Page 2)

Will Defend Columbia Riot Victims To Utmost Limit; 19 Organizations Pledge To NAACP

New York, N. Y.—Nineteen national organizations today pledged their total cooperation to defend all of the Negroes charged with various offenses in connection with the Columbia, Tennessee "riot" starting February 25th at a conference in the Wendell Willkie Memorial Building by the NAACP. Those pledging their aid include the American Veterans Committee, the Council for Democracy, the March on Washington Movement, the Brotherhood of Sleeping Car Porters, Independent Citizens Committee of the Arts, Sciences and Professions, New York Council for Permanent FEPC, the National Lawyers Guild, the CIOPAC, the American Civil Liberties Union, the American Jewish Congress, the National Urban League, the Federal Council of Churches of Christ in America, the Methodist Federation for Social Service, Imperial Lodge, Elks, the National Federation for Constitutional Liberties, the Anti-Defamation League of B'nai B'rith, the Southern Con- (Continued on Page 2)

ference for Human Welfare, Friends of Democracy, Freedom House and the Young Men's Christian Association. It is expected that other national organizations who were unable to send representatives to the conference held today will also participate in the vigorous and uncompro-mising fight which will be made in the courts of law and of public opinion.

The steps decided upon include the supplying of all necessary legal defense. The NAACP has already retained Maurice Weaver, young southern white lawyer of Chattanooga and World War II veteran and Z. Alexander Looby, well-known Negro lawyer of Nashville. Thurgood Marshall, NAACP Special Counsel, is leaving for Tennessee shortly to perfect, in cooperation with Messrs. Weaver and Looby, plans for defense on the basis of the Maury County Grand Jury action.

Other steps decided upon at the conference today included an appointment of a delegation to confer with President Harry S. Truman and Attorney-General Tom Clark to insist upon more vigorous federal action against the mob who attempted to lynch Mrs. Gladys Stephenson and her son, James Stephenson because the young Negro war veteran defended his mother when she was kicked and struck by William Fleming, white radio repair man.

Because the newspaper stories written by Columbia and Nashville newspapermen conspicuously failed to mention that the initial assault had been made by Fleming and not by the Stephensons, and gave only one of the story a nationwide campaign of publicity through paid advertisements, radio broadcasts, and the publication of literature, the holding of mass meetings and other means of informing the country of the truth of the Columbia "riot" was voted. Plans were also made to raise as speedily as possible the necessary funds for defense. All the defendants except one have requested in writing that the NAACP defend them.

Particular emphasis was put by the conference on the necessity of bringing the real culprits in the Tennessee tragedy to justice, particularly the state militia, state highway patrolmen and other agents of the State of Tennessee who were responsible for pillaging, search and seizure without warrant, beating and otherwise manhandling the helpless Negro defendants, destroying Negro business establishments and homes, the holding of Negro defendants incommunicado and the tapping of telephone wires.

a new building were halted during the war. The First Christian Church, W. H. Alexander, pastor, is contributing $5,000 towards the building and E. E. Dorsey, Elder of First Church, is chairman of a committee to assist them in raising additional funds. They now have approximately $6,000 in cash and pledges on hand, as well as some building materials.

This Church will need considerable assistance from our churches in Oklahoma City and throughout our state and Brotherhood. Any church or individual desiring to make a designated offering for the East Sixth Street Building Fund may send it to the State Office of the Oklahoma Christian Missionary Society, 505 Wright Building, Oklahoma City 2, Okla.

Your State Secretary and Editor of the Oklahoma Christian visited the East Sixth Street Church recently on a Sunday morning and heard Mr. Henry preach. He is an excellent preacher and the church has a great musical organization in which he also assists.

This Church and Pastor are very appreciative of any assistance which is given them towards their much needed building, which they hope to be able to start by the middle of April. Mr. Carl Covey, State Secretary, has been invited by them to conduct an evangelistic meeting later in the year. The membership has subscribed 100% for the Oklahoma Christian. Let us help these worthy people.

FEDERAL COUNCIL SETS

(Continued from page 1)

5. That as investors in funds in substantial amounts and as employers of labor in considerable numbers, the Churches have an opportunity to demonstrate the Christian ethic. . . .

The churches have an obligation to support by their own example the highest standards in such matters as wages, hours, vacation provisions, and labor-management relations.

6. That all Christians recognize the higher ethical value inherent in the cooperative as over against the competitive motive. . . .

We therefore encourage the extension of cooperative technique.

7. That since our churches affirm, both the priesthood of all believers and also the sacredness of all vocations, one of their major tasks today is to give vocational guidance in terms of God's activity through men in their various vocations. . . .

Inasmuch as many people tend to accept their vocational ethics from the secular world, the churches should help them re-evaluate their vocations in terms of Christian service, putting human 'welfare before ones own profit.

8. That the nature of man and the structure of modern industrial society, have caused the right to an opportunity for employment at an equitable wage to become a basic right. The responsibility for assuring full employment therefore rests upon all people. . . .

9. That the strategy which labor and management follow in industrial disputes should be adopted in full recognition that consequences of their decisions may extend far beyond the locality or area immediately involved, and transcend the interests of the two parties. . . .

We affirm labor's right to strike but we urge the moral obligatory that rests upon labor and management to enter into and carry on collective bargaining in good faith.

10. That on the international level economic justice and brotherhood are essential to world peace and order.

11. That in addition to those matters, on which we believe a broad Christian consensus exists, other questions press upon the Christian conscience with new urgency, ques-
Segregation increases and accentuates racial tensions. It is worth noting that race riots in this country have seldom occurred in neighborhoods with a racially mixed population. Our worst riots have broken out along the borders of tightly segregated areas.

The pattern of racial segregation in America is given moral sanction by the fact that churches and church institutions, as a result of social pressure, have so largely accepted the pattern of racial segregation in their own life and practice.

The Federal Council of the Churches of Christ in America here-by renounces the pattern of segregation in race relations as unnecessary and undesirable and a violation of the Gospel of love and human brotherhood. Having taken this action, the Federal Council requests its constituent communions to do likewise. As proof of their sincerity in this renunciation they will work for a non-segregated church and a non-segregated society.

In order that we may remove the validity of the charge which the world makes when it says, "Physician, heal thyself," we urge our constituent communions to correct their own practice of segregation. With this end in view, it is recommended that each communion take steps to ascertain the facts concerning the practice of racial segregation within its own life and work, and formulate a plan of action in the following areas:

Membership. Are all Children of God welcomed into the membership of the communion's parish churches or are some, someone who are excluded by the color with which God has endowed them? What actions are necessary to correct this practice? We urge this practice upon the churches of all racial and nationality groups.

Fellowship. Does racial segregation create a chasm which places profound limitations upon Christian fellowship within the life of a given geographical community? If so, what can be done to remove these limitations?

Worship. What is the extent of racial segregation in the services of worship provided by our communion? Are worship opportunities available to racially mixed groups with sufficient frequency to make such worship a normal expression of our common worship to God without racial self-consciousness and embarrassment?

Service. What is the extent of racial segregation in the administrative practices provided in schools, colleges, seminaries, hospitals, camps, youth people's conferences and similar church-related institutions under the control of our communion? What are the steps that should now be authorized and carried out by the responsible boards of the communion to overcome these defects?

Employment. Do the local churches, state and area judicatories, national boards and general ecclesiastical offices provide opportunities for the employment of persons drawn from racial minority groups? If so, is the proportion of such interracial employment fair? If not, what legislative actions and administrative procedures should be proposed within each communion to bring employment practices within its entire life into conformity with the Christian goal of a non-segregated society?

The Church, having chosen to renounce the segregation patterns as a violation of its Gospel of life, and having outlined steps by which the practice of segregation may be corrected within its own life, must next direct her attention to the community within which the Christian Church functions. We urge upon churches and church councils the value of Race Relations Clinics to affect the daily lives of people where they live and work.

Such clinics seek to discover factually what are the actual tension points in interracial living and, in the light of such facts, what constructive steps may be taken to alleviate these tensions.

We have outlined what we believe to be certain glaring defects in the ideals and purpose of our Protestant churches in the matter of race relations. We are not unmindful of the heroic services done by the churches through their schools, colleges and other institutions in improving the condition of Negro and other minority groups, but we believe that these efforts will not accomplish their full results unless the Christian Church again accepts as a definite goal the practice of the early Christians in accepting all racial groups into the same religious society on the basis of equality.

A Message To Our Bible Schools
R. L. JORDAN, Minister
Pres. National Bible School Convention

Every Pres. of a State Convention of Bible Schools and each Supt. of a local church school should bring to the attention of the people the responsibility of this Div. of the church. This responsibility is apart of the total financial goal assigned to the various churches of our Brotherhood. How proud we ought to be now that our schools have only one goal for the Convention and Missions. This means a better program and a determined effort to lift each church School and the Convention to a higher level spiritually and intellectually, we are convinced. Time required for appeals for Missions and convention, is reduced. There are combined in one appeal. That is when you talk about the convention you speak about mission. No church is a christian church or church of Christ unless it is missionary for Jesus Christ came “giving”. When you talk about missions you are talking about the convention. What more is a convention than an assembly of people thinking and acting Godward. Both are worthy of our sacrificial support. They are ours and belonging impells us to contribute to every cause through which the personality of God maybe brought to bare upon man’s troubles and redemption.

The month of March has been designated as convention month, make it to mean that in your state and schools. The support of the program outlined in the convention is in part to be received from us. How much we appreciate participation in the control of our Brotherhood is reflected in our gifts to its causes. The convention is one of the causes in our Brotherhood life. Let us roll up our sleeves and make March and April 1946 outstanding reflectors in our church and school life this year. Personally I would like to see every church school in our Brotherhood contribute its share now.

Jarvis College
W. C. GILL, Dean

My dear Elder Reid:

Please permit me to congratulate you upon your fine paper. Without question we need to avail ourselves of the tremendous amount of power which a journal like yours makes possible. Too long have we sat idly by the alarming amount of injustices and malpractices, when all we need to do, dramatically call attention to such conditions. Please do not understand me that the sole purpose of an order of this kind is to emphasize the negatives. What I prefer to say is, our brotherhood journal should serve as a steady influence, not hesitating to discuss controversial views, but always in the spirit of love. They should strive to keep us in remembrance of our historic plea; and poignantly set forth the things which we hold in common dispute diversities.

I want to make special reference to the historical section carried in your paper. You are to be congratulated for trying to keep alive the memory of the pioneers among our brethren who have wrought well in years long since passed. Keep it up.

By the way I heartily agree with your gesture of cooperation and friendship extended to the editor of the Clarion Voice, L. L. Dickerson, editor. I hope the suggestion will be taken. I can see a great future for such a venture.

I shall send you a copy of our school paper when it comes from the press. Everything seems to be moving along nicely here at Jarvis. My regards to all the brethren.

Yours in Christ, W. C. Gill, Dean.

The love of God is sufficient if we, his Disciples would dedicate our lives to him. I am grateful to say we are still making progress, our Sunday School attendance are splendid, under the leadership of our Supt. Bro. Elmo Jacobs. I must say again our Sunday School pastor, Rev. Brown is giving us spiritual food each 4th Sunday. He is interesting to both old and young, and is broadening his leadership. Bro. Washington brings the message on the 2nd Sunday which is our regular pastoral day. He always teaches and preaches the Gospel of service, and encourage a spirit of unity. We appreciate him very much. 2nd Sunday Senior day, 4th Sunday Juniors in charge every body on the lurch and at their post of duty. Bro. Eugene Sanders seems to be on the mend we ask your prayers that he may recover.

God is our refuge and strength, a very present help in trouble. (Psalm 46.)

Mississippi Boulevard Christian Church Holds Meeting
REV. BLAIR T. HUNT, Pastor
Mrs. C. E. Rowan, Reporter
The pastor, officers, Bible School teachers and officers of the Missionary Society held a splendid mid-week meeting Wednesday evening, February 6, 1946, at 7:30 o'clock. The group was seated at tables arranged banquet style and the meeting was called to order by Board Chairman, Dr. J. E. Walker. The meeting was opened by a number of short prayers, after which Prof. J. A. Swayze led the group in singing two appropriate songs. Chairman Walker took over at this point by reading 2nd Corinthians, 9th Chapter, 6th and 7th verses. He then outlined a program for the church that will cover a period of five years with special emphasis on the immediate promotion of this program leading up to the day of Pentecost. Dr. Walker then called upon the Pastor, Elder Blair T. Hunt, whose inspiring talk increased every one's interest in the meeting. This was followed by a request from Chairman Walker for the selection of chairmen for a number of committees, whose duties will involve the guidance of the program to a successful conclusion. The formal meeting was closed by a number of prayers by officers, after which the group was served a delightful two-course menu with Dr. Walker serving as host.

The following are committees appointed to act for the five year program: Publicity & Promotion: Mrs. L. M. Young, Mrs. J. E. Walker and Mrs. C. E. Rowan. Advertisements: Mr. J. T. Chandler, Sr. Evangelist: Elder A. C. Crawford, Mrs. Ambrie Brown and Mr. T. H. Coleman; Non-Resident Members: Mr. Ullius Phillips; Visitation Committee: Mr. J. W. I will attempt to write again to the Plea, since my last letter was not published I shall be like the little boy about his prayers, if this is not answered I will not write any more.
It has been some time since I have written the Plea, nevertheless I enjoy reading it, and especially hearing of the Brotherhood's work.
To use Bro. Sercy words, "I am still trying to keep house for God in Beaumont. I returned to my post of duty after three months absence, due to attending the State and National Conventions and illness.
Our little Church seems to be growing slowly but sure, five souls have been added three by baptism and two restored to the faith. Three adults and two young people.
We have painted the Church during my pastorate. Mrs. L. P. Black (white) member of the Washington Blvd. Church gave the Church a lovely Communion table, also stain for the floor, and a beautiful art suare rug, and a lovely Morris chair for the living quarters or parsonage rather. Mrs. Elsworth Sperling has given curtains, dishes and pictures. Mrs. Sperling is also a member of Washington Blvd. Christian Church.
Our attendance have not been exactly what I desired, but due to illness and inclement weather, one could not expect too much. The "faithful few" which represent the Christ in most Churches can always be depended on. Thank God for the faithful souls, His Co-workers.
We have done a good work with those we have had to work with, we have purchased a new Communion set, new linen covers for the Table, a new linoleum rug for the kitchen.

Jan. 20, Sunday at 3 P. M. we had our Missionary program, the Missionary Society, Washington Blvd. Christian Church, were our guest. We had as our Theme, Africa, your humble servant decorated the Church with a large colored map of Africa on the wall under it was a table with two candles, books on Africa and the World Call were also on the table, the Programs were little Individual maps of Africa with program inside the maps. Mrs. Francida Limbrick, Music pupils rendered several numbers. A solo "Galilee" was rendered by one of the members of the Washington Blvd. Society. Mrs. Van Hook was the guest speaker who is the President of the Washington Blvd. Missionary Society. Our offering was $16.02. The Forrest St. Missionary Society presented Mrs. Black with three dollars and a box of medical supplies for the Philippine Island, Mrs. Black is the Chairman of that committee for the Disciples of Christ. Our closing song was, "LET THE
LOWER LIGHTS BE BURNING" as the congregation was seated with bowed heads the candles were lighted and a large white Cross stood by the Map of Africa. Mrs. Van Hook led the Missionary benediction.

Sunday, Feb. 10, 1946 was Race Relation Day, Rev. Roy Biser, Pastor of the First Christian Church was our guest speaker also Mr. Aaron Jefferson, the editor of colored paper the Informer made a ten minute talk which was full of inspiration and helpful thoughts. Rev. Biser made a most wonderful address, among the many things he said, "We must love one another, If we want to make the world the kind of world that Jesus would have it be, Christians must put in practice the teachings of the Lord Jesus in their daily life. The world must be made better by Christians not by Statesmen. Miss Grace William one of the talented young women of Beaumont who has not let her popularity "go to her head". Rendered a most beautiful solo, "To Day."

Rev. M. D. Pinkney, one of the best Baptist preachers in Beaumont rendered two of Charles Tinsley Songs, "Leave it There," "We will understand it Better By and By". Dr. Melton and Mr. C. H. D. Fleming our most liberal business man of Beaumont lifted the Offering which was $92.25.

One of our devout members in the person of sister Mary Meyers has gone to rest with the Lord. Sister Mary Cooper has also taken her journey to the Celestial City.

Elder G. W. Taylor of Austin, Texas, Jan. 14, 1946 at high noon, quits the walks of man and left for the City whose builder and maker is God. Elder Taylor was my father in Christ and my inspiration in the ministry. One of those rare souls who never said an unkind word about any one, was mixed up in any scandal, upright and honest in all his Church dealings, immaculately dressed, just one look at him, you would know he was a man of God. He live to a ripe old age. God called and he answered.

Sunday, Feb. 24, at 3 P. M. We had our Sacrificial Luncheon, for Compassion Week. Mrs. A. C. Lacy, the Field Secretary of the Baptist Missionary Society was our guest speaker for the afternoon. Pilgrim Rest Junior Choir furnished the music. Mrs. Thelma Whittington rendered a beautiful solo. Mrs. A. H. Nowlin read from one of the prepared pamphlets, the suffering conditions of the people in the "war torn countries". Our offering was $28.00 which was sent to The Disciples War Relief Fund. One word about our prayer by sister Hannah Green a member of Fellowship Baptist Church, who help to build a fire on the altar for the Sacrificial Luncheon when she had finished her prayer, there were a very few dry eyes in the house if any.

On Sunday night, March 10, 1946, Evangelist Cora West spoke at Mississippi Boulevard Christian Church. She chose as her subject, "LIGHT". The services opened with the song "Let The Lower Lights Be Burning". Some of the highlights of her message were: With the Lord we have nothing to fear. We must depend on the teachings of the church. In St. John's 1st chapter, we have Christ, the Light of the World. Genesis 1:3 tells us that God created the heaven and the earth. Gen. 14:19-God made light to rule the earth; the greater by day and the lesser by night. Man must possess the three powers-Life, Love and Light in order to be a successful Christian. Take the case of the ten virgins; 5 had their lights burning and 5 did not. We must watch and pray in order to be ready for the second coming of Christ. When we pray we get strength. Matthew 4:16. People that sat in darkness saw a great light. Let your light so shine that men may see your good works and glorify our Father which is in Heaven. A sinner's light cannot outshine a Christian's light. Lead Kindly Light, amid the encircling gloom, Lead Thou me on!"

Evangelist West has been connected with the Mississippi Boulevard Christian Church for many years. She is active in church and missionary work. At one time she was Quiz Expert on the Christian Endeavor Hour. Recently she was ordained as an Evangelist in a very impressive ceremony by Rev. Blair T. Hunt, Pastor of Mississippi Boulevard Christian Church.

We are proud to say that the month of February was a beneficial one, each Lord's Day morning and evening we have the Gospel preach to its fullness. Our pastor fed us with the Word of God out of the depth of his soul. Seems as if our Saints group are moving forward to success and are trying both soul and body to accomplish the task that is set before us.

We can say that our Sunday School under the able leadership of our Superintendent Deacon Richard Stevens are moving along splendid every Sunday morning at 10 o'clock the School assembles together with a whole heart to read and discuss the Word of God.

On Sunday March Third we had a distinguished visitor, Rev. S. S. Myers, President of the National Christian Missionary Convention. He preached one of the most outstanding heart breaking sermons ever entered any Church of Christ, subject, The Task of the Church, which was much enjoyable. We hope he will come back to us soon. We are asking the prayers of the Brotherhood that our works and efforts will bear fruit.

**Southern Christian Institute**

By W. K. Fox

ENROLLMENT—The total enrollment for S. C. I. reached the record count of 469 at the end of registration for the third quarter. The current six weeks school for rural ministers (see article printed elsewhere in paper) may raise the total number of persons seeking accredited instruction during the year 1945-46 to nearly 500 students. Hundreds of students have been turned away. The student body consists of representatives from over 20 states.

COMMUNITY OUTREACH—The extension program at Southern Christian Institute has received accelerated emphasis in the last ten years. The loan library service to rural schools, directed by Miss Mary Bassett; the extension school for in-service teachers instigated by Dean C. C. Mosley; visual-aid services to community groups instituted and currently promoted by Pres. John Long; a training service program for rural church leadership directed by W. K. Fox; a program of parent education through the P. T. A. guided by Mrs. R. M. Fox and Miss J. Henry; and the active participation of a large number of the faculty in the Community Improvement Association constitute the major spear heads of community outreach at Southern Christian.

Last month Mr. Ratten conducted a recreation night in four of these communities. At a recent C. I. A. meeting Prof. Ratten reported a most favorable response. Says Mr. Ratten: “Even the grown-ups entered into the fun. The program will undoubtedly go a long ways toward developing the spirit of community and the creative use of leisure time so badly needed in our rural areas.”

MINISTERIAL STUDENTS—The present student body contains twelve (12) ministers who are actively engaged in the ministry. Five of these were enrolled in the current quarter. This is encouraging to the administration and the department of Bible and religious extension. However, all of this number are from other churches than Disciples of Christ. For this we are far from sorry but are glad. Our task is to help all carry on the great work of the church regardless of denominational affiliation. We are interested in saving the people through the enlightenment of their leadership. On the other hand, we are sorry that a larger number of our own church leadership whose financial support makes such a broad service possible for all of the people, do not take advantage of the same themselves. As right in matters of doctrine as we might consider ourselves, we cannot save the world by ourselves. Our brethren in our church groups are sensing the need for a trained leadership. Why don't we join hands with them in this desire; enter our schools; take advantage of opportunities which we make for ourselves but do not accept; become equipped with the whole armour of God to fight in this day. The Master says to all Disciples of Christ today in clear voice: “For unto every one that hath shall be given, and he shall have abundance: but from him that hath not shall be taken away even that which he hath.” (Matt. 25:29)

C. I. A. GUEST SPEAKER—Mrs. Marie S. Key of the Planned Parenthood Federation Inc. of New York spoke to the C. I. A. on Better Families through Planned Parenthood, Friday, February 8th. at 7:00 p.m. A large group braved the down pour of rain to hear the distinguished guest. Mrs. B. Mosley, president of the C. I. A. affiliated.

CHAPEL SPEAKER—The Reverend Edwin R. Becker, National Executive Secretary of Town and
Country Church of the U. C. M. S. spoke in chapel February 5th. on "Rural Sounds." Mr. Becker was teaching in the current rural pastor's school (see article elsewhere in paper).

A workshop experience in a rural church, addresses by Dr. P. H. Easom and lectures by The Reverend Mr. Edwin R. Becker marked the features of the first week of the initial annual six weeks school for rural ministers being held at Edwards, Mississippi under the cooperative sponsorship of Southern Christian Institute and the Home Missions Council of North America. The total attendance for the first week was twenty-one.

In an effort to demonstrate how the typical one room rural church might be converted into a functional Sunday School unit, Mr. Becker took the ministerial class to the St. Mark M. B. Church of Edwards and supervised the men in transforming corners and the choir stand into temporary Sunday School rooms. After seeing the great need for a functional church building to carry on an adequate program of religious education, the group remained in the church and, using the church at hand as typical, discussed ways in which additional rooms and space might be created so as to make the one room country church more functional.

In another laboratory experience during the week, Rev. Becker presented a demonstration in the use of the film strip machine as a way of teaching religion or for the creation of a worship center.

A large group of citizens from Edwards, Mississippi and vicinity braved a heavy down pour of rain Friday evening, February 8th. to assemble in the Friendship School of Edwards and listen to an address by Mrs. Marie S. Key of the Planned Parenthood Federation Inc. on BETTER NEGRO FAMILIES THROUGH PLANNED PARENTHOOD. Mrs. Key was sponsored by the Community Improvement Association of the Edwards community.

In view of the exceedingly high infant mortality rates an equally high loss of Negro mothers during child birth, the address of Mrs. Key took on real significance. She stressed the following four services available to all who desire to benefit by the program of Planned Parenthood:

1. pre-marital advice and marriage counselling to all married couples;
2. medically prescribed child-spacing information to all married couples for social, economic and health reasons;
3. medically prescribed child-spacing information to all married couples on venereal diseases; and
4. fertility services to married couples who desire children.

Mrs. Key stated that Mississippi is one of eight states who offers this service in cooperation with the state health department.

Mrs. Key comes to this state at the invitation of Rev. W. K. Fox of Southern Christian Institute, Edwards, Miss. She is lecturing at one o'clock daily during the second week of the current six weeks school for rural ministers now in session there.

In Memoriam

Illinois Has Lost A Great Minister.

On Dec. 3rd., 1945 a great soldier, in the person of the late J. M. Baker, founder and organizer and pastor of Pilgrim Rest Christian Church of East St. Louis, Ill. laid down a heavy mantle...behind the curtain of death and went to his mansion of rest. Certainly he had fought a hard fight; kept a fearless faith, and finished a difficult course. In the last hours of his life on earth being unable to talk he waved his hand. One could almost hear him say, with upturned face to God, "I am tired, I am weak, I am worn. Thru the storm, thru the face to God, "I am tired, I am weak, I am worn. Thru the storm, thru the storm..." He was a church man; a church builder. Whenever he moved to a place where there was not a Christian Church he started with his family and built one. He and his devoted wife lighted the torch in their humble home and gave their best to the Lord. They ploughed and watered all the way from the hills of Mississippi to East St. Louis, Ill. and truly at the time of his death God was giving abundantly an increase that was startling but encouraging. He had recently put his name on a deal, that if carried out, as he planned it, will be a great asset to our brotherhood, as a city that is set upon a hill for the state of Illinois, and a garden spot of love and devotion for the "faithful few" he left behind. What it will mean to his widow and faithful children cannot be put in words. He made the down payment, amounting to more than one-third of the total cost of a new church home site on a beautiful street in East St. Louis.

A beautiful funeral service was conducted in the spacious church auditorium of Centennial Christian Church, St. Louis, Mo., of which Rev. P. A. Gray, Jr. is pastor. Bro. Gray served as Master of Ceremonies and Pres. P. C. Washington of Jarvis Christian College gave the oration. A soloist of great renown Mrs. Crawford, sang his favorite songs. Mrs. Ross Brown Bracy spoke out of a heart of much devotion and sympathy for the faithful ones he left behind, and praised the work he had done. It was, my privilege to represent the churches of Illinois in extending the deepest sympathy of all churches in the state, to the family, friends and members of the church.

The last trip he made in the neighborhood of the church, two days before he was stricken he said, he was to make his "round". When he returned home he said, "Now, I am satisfied."

He left a devoted wife, two daughters, three sons, five brothers, several grand children, many other relatives and friends to finish their tasks.

Report by Mrs. A. L. Martin, 341 E. 42nd St., Chicago, 15, Ill.

Report To The Brotherhood

L. RUTH RATTEN

We are now in the fourth quarter of our Missionary Year. It has been a privilege to note through your letters, report blanks, and some local church visits that there has been marked concern for our church’s responsibility to the world.
We know that there is no time now to lighten the load, but time to “Put on the whole armour” that Christ may become a living reality around the world. May we put forth every effort during the season that leads up to Easter, and through the rest of the quarter, to help offer Christ to the world that needs His redeeming love.

The months of January and February gave me an opportunity to make a field trip to Kansas and Oklahoma. It was my privilege to visit the churches in Kansas City, Missouri and Kansas, January 20-21. Visits were planned through our Tri-State Evangelist, Reverend R. W. Watson, for visiting and bringing messages in the Eighth Street Christian Church, Kansas City, Kansas at 3 p.m. on January 20 where Mrs. Fulcher serves as president of the local society; Woodland Avenue Christian Church at 5 p.m. January 20, Reverend S. S. Myers, minister; Third Christian Church, Kansas City, Kansas, Reverend M. F. Stevens, minister. It was my privilege to visit with Mrs. A. W. Davis and also the Institutional Christian Church, Kansas City, Kansas; Reverend W. H. Brown is minister. January 25-27 the State Interracial World Fellowship Youth Meet was held at the Hillside Christian Church, Wichita, Kansas. It was encouraging to have ten young people representing four churches in Kansas. Paul Sims, ex-service soldier and Medical Student at the University in Lawrence, Kansas was elected Co-President of the State Meet. A special program was planned by the Women’s Missionary Society for January 25, 8 p.m. at the Indiana Avenue Christian Church, Wichita and it was inspirational to speak to this conscientious group.

January 28-29 a visit to Boley, Oklahoma to conference with church leaders at Boley Christian Church and Rusk Christian Church, in order that these churches might have contact with the National office and feel a part of this great brotherhood program. I was quite encouraged over the work there after talking with Dr. F. B. Burnley and other church leaders there.

The East Sixth Street Christian Church, Oklahoma City, Oklahoma, Reverend E. W. Henry, Jr., pastor, and congregation made this a most pleasant occasion. February 3rd thus offered me the privilege to bring a message to the evening worship service. Oklahoma, as I have observed through local church visits during the past three months, is slowly but surely moving forward. Parson, Kansas closed this most fruitful field trip with the Morgan Avenue Christian Church, Reverend G. E. Lakes, pastor and State Convention President on February 3rd.

We are hopeful as we work together in the states of Oklahoma and Kansas. These are fertile fields if we would but continue to till carefully.

Rev. Daniels extends to all our friends and visitors who worship with us a sincere welcome for each Lord’s Day. If you have no regular place of worship, we give you a most hearty invitation to make this your Church home.

Sunday, February 10, we were given a Sermon by Rev. North Lyons. The text, Behold I am the Door. The message was highly inspirational and enjoyed by all present.

Sunday afternoon Feb. 17, Rev. Daniels and members of the congregation paid a visit to the New Salem Baptist Church on Cooper Street.

We thank our Christian Brothers for their invitation and urge all to attend whenever possible as we are able to see how our other friends work and live by his teachings.

To be filled with Righteousness we must first have a desire for it. The Battle of Fighting sin still goes on and as we have prayed for the safe return from overseas and the Battle grounds for our boys, let us not stop now that they are home but pray continually for the freedom of their souls from sins.

The Church is very happy to announce the organization of the Veterans Club and the success it has had so far. This club was organized about five weeks ago and at present has a roster consisting of twenty-five members, with a steadily increasing number.

Mrs. Pearl Craggett, wife of the minister of this church is the founder. She corresponded with a dozen or so of the boys while they were in the services of The United States, and in doing this she conceived the idea to start the organization. At present the group has pledged itself with all of the zeal and enthusiasm toward a rally for the current expense:—Their goal $500. This work isn’t being done by the service men alone of this church, for servicemen from other churches have been attracted and are enthusiastic members.

The work of the church and all
of its departments and attendance have been very good through the winter months. The young people are really working, not only in the Christian youth fellowship group, but throughout the entire church.

The Pastor has just returned from The Ministers Institute in Louisville, Ky. He returned in time for services last Sunday.

About 11 young people are planning to go to the youth meet in Columbus, on the 23 of this month. The Bible School is moving on just fine. Each third Sunday afternoon a training class is conducted by the Pastor. Also each teacher is doing their very best to make their class the best. Mrs. Ester Frazer formerly, Miss Anderson of Indianapolis is one of our new teachers.

Mrs. E. Martin is chairman of our Easter Program. Prof. Mark Lawson, Director of Senior Choir is presenting his students in a recital the third Sunday in March. The Pastor's 7th Anniversary begins on the first of April. Mrs. E. Martin is chairman.

The speaker for the week, Rev. Jordan of Detroit.

Antioch Christian Church
(disciples of Christ)
New Brunswick, N. J.

Rev. S. E. TILLMAN, Minister
Mr. H. B. WASHINGTON, Sec.
Thou shalt worship the Lord thy God and him only shalt thou serve.—Matt. 4:10

We are glad to say that the members of Antioch are trying to worship the Lord and also serve him, and through his help we are able to hold our regular weekly meetings such as bible class on Tuesday night and prayer meetings on Thursday night. Prayer is the keys of heaven and faith unlocks the door. Our Sunday afternoon program has taken on life and are well attended.

On the first Sunday is pastoral day. At 11 A. M. our assistance pastor had charge, owing to our pastor being confined to his bed by illness. The afternoon the Pastor's Aid had charge under the leader, Sister Sarah Johnson—was a high day. We have a quartet of Service men from Camp Kilmer who rendered the program—with the spirit of Christ, as they had been blessed to be back in U. S. A. again. On second Sunday we were blessed to have our pastor with us after several weeks of illness, he was able to deliver to us a wonderful message at 11 A. M. The 3 P. M. program was under the Choir leader, Mrs. Ora L. Johnson, who had a very nice time. On the third Sunday, 11 A. M., Elder T. T. Taylor preached, subj., Child Life, which was helpful to the parents of the children. In the afternoon our young president of the Ushers, Mrs. Lillian H. Foat rendered her first program which was just grand, and it was well attended. She had talent from the First Baptist Church, Miss Anthony and Miss Bernice Robertson, who entertained us with solo and duets, also we had several recitations by Mrs. Lannie William, Mrs. Lillian Foat and Elder T. T. Taylor. The fourth Sunday at 11 A. M. our pastor was at his best he was overshadowed by the Holy Spirit, and we could but say did not our hearts burn, while the man of God talked to us by the way. His text was, If they had been of us, they would have stayed with us. God bless our pastor.

At 3 P. M. the Missionary brought us a wonderful program. The Harps of Zion quartet of Sharon Baptist Church made their first appearance at this program. There was a large attendance out to hear and encourage them. This program was under, Sister Esther L. Tillman the president of the Missionary. We are hoping to complete our church this year. We have five clubs that have planned to raise $1,000 by the last Sunday in March. We would be glad to have help from any that desire to do so. Antioch has been tried like a ship on the reef sea. But we intend to stand the storm until we anchor safe in harbor. If you are looking for the spirit of Christ, come to Antioch where a hearty welcome awaits you. Last but not least, Pfc. Tilman Johnson just returned home Sunday, Feb. 3rd, he was a subscriber of the Christian Plea while overseas, he always enjoyed reading the Plea. His wife, Sister Ora L. Johnson is the leader of the Choir. We love to see and have our boys back home.

Port Gibson District No. One
(MRS.) E. E. CHAMLISS, Reporter
Tillman, Mississippi
The Post Gibson District—No. 1 Church Schools held their quarterly meeting with the Tillman Chapel Christian Church Jan. 26-27.

The weather was very cold, however, the meeting was a success.

Brother Taylor Jackson was the President.

On the first day, we were fortunate to have our State President of the Brotherhood in person, Elder N. R. Trevillion, our State Evangelist, Elder S. D. Yarborough, and our District Evangelist, Elder Johnie West.

The school apportionments were $3.50 delegate fees. All schools responded except two.

"The Christian Endeavor Period." Brother C. E. Chambliss, District Organizer, made some brief remarks stating that he had organized five societies in the district since the last quarter due to conditions of the weather.

A wonderful program was rendered by Mrs. B. E. Greene. The Societies' apportionments were $1.00 plus 25 cents delegate fees. They came up to their required apportionment 100 per cent.

The shortage of sugar did not hinder the serving of dinner. On the second day—our guests were Brother John Wilson, our State President of the Church Schools, Elder E. L. Brown, Field Secretary, and Brother Abe Elmo, Secretary of the Christian Endeavor.

The Church School was conducted by Brother C. E. Chambliss. Elder E. L. Brown taught adult class. E. E. Chambliss taught the junior class. Brother Wilton and Elder Brown made some wholesome remarks concerning the Church Schools.

After the Christian Endeavor period, Brother Elmo gave some helpful remarks.

The conference class was taught by Brother R. K. Wynn.

It has been a few years since the schools had representatives on Sunday. Now it seems as if we want to get back to the Old Landmarks, so to speak. We are trying to do everything to better the work.

Little group to provide the vegetables in Brooklyn but, after having a talk with the pastor of the Stuyvesant Heights Church I changed my mind and don't care to participate in the financing of food and this is why I sent you the notice as were. Another thing you have failed to put in any of my letters or any of the eastern news that was sent to you. You also failed to send out the Plea when it was due to persons whom we had solicited as subscribers, not only that, but failed to notify anyone why the Plea wasn't mailed for the month of September. Believe it or not in the East it is difficult to impress and convince the minds of the public of outsiders regarding the work of the Christian Church or Brotherhood. And when we solicit subscriptions, mail them to you with the money and names of persons we expect you to comply with requests. I trust you will take this in the spirit in which I'm trying to give it and don't be angry with me because I consider myself the watch dog in the East for the Church and Brotherhood and I'm eager to build up the Brotherhood but in the right way.

I remain yours in Christ.

Rev. E. A. Daniels, Pastor

Miss Charlotte Howard, Reporter

February 4, 1946

Knoxville, Tenn.

We are beginning the second month of the New Year. What have you done with your resolutions? This question was brought before us in a timely sermon by Rev. Daniels a few Sundays ago, and we highly appreciated the thoughts it provoked. Resolutions are easily made, but are they as easily obeyed? To keep them we should strive to live them day by day. Things that we planned to do last year but were left undone can't always be made well again. There are friends and loved ones to whom we might have done a kinder deed or spoken a more cheerful word, but now it may be too late. Let us not only plan a new life but also live it day by day.

We extend to our own Brother Daniel Green a hearty welcome. Bro. Green was called to preach while in the Armed Forces and has been very helpful to us in our devotional services.

We urge you to attend church services and to feel that “This is my church.” Here through services we may come close to God. Here we learn the truths by which we may live a happy and useful life. Here we may find comfort in our sorrows and here we come into union with our Saviour, Master and Friend.

Our church still has an upward look and outstretched arms toward our Heavenly Father.

Our Sunday School needs to gain in attendance, both adults and children.

Last month the Young People’s Club met with Miss Ollie M. Garrison and plans were made for a social for the members, to be held at the home of Mrs. Theresa Ellis February 14. Those who have birthdays during this month will be honored guest and treated with a gift from the other members.

The Austin High School Glee Club gave a program at the East Vine Avenue Christian Church Sunday, February 3. Proceeds from this program will be used in purchasing uniforms for the Austin Band.

Miss Ollie M. Garrison, 310 Temperance Street, was called to Nashville again January 10. The occasion being the arrival of her brother, Cpl., now Mr. Thomas A. Garrison, who has been serving in the European Theater for two years and three months. The proud parents, Mr. and Mrs. William Garrison, en-
tained the brother and sister with "a late" breakfast. After a four-
day stay Miss Garrison returned to
Knoxville, reporting a wonderful
time, and a promise from her bro-
ther to visit her here soon.

Rev. Daniels asks—May we use
this means to extend a vote of
thanks to our members and friends
for making this a successful year in
our spiritual and financial support
of the Church and the gift of the
beautiful watch chain presented him
for his anniversary.

National Christian Missionary Convention Goes to Brooklyn, N. Y., Aug. 20-26

Dr. Jesse Bader, writing in the Christian Evangelist, says of the church where the convention will meet:

Stuyvesant Heights Church
Our brotherhood can be proud of the progress being made by the Stuyvesant Heights Church in Brooklyn, N. Y. I preached for this congregation on a recent Sunday morning, in their new building which was purchased two years ago at a cost of $31,000.00. The former name of this church was the Halsey Street Church. At the time of the dedication of the new building, the membership was 116. At present, after only two years, the membership numbers 355. R. E. Hancock has been the minister since 1936. He is ably assisted by Mrs. Hancock.

Already $11,000 has been paid on the indebtedness. A few days ago, the good news came from the home missions division of the United Christian Missionary Society that it would give one dollar on the remaining indebtedness for every two dollars raised by this congregation. This generous offer will make it possible for this congregation to clear off its indebtedness in three years.

This new location is in the midst of the Bedford-Stuyvesant community which has a Negro population of 100,000, one-third of whom are unchurched. This August, the congregation will entertain the National Convention of our Negro churches.

Area Worker Reports

Mrs. A. L. Martin
341 E. 42nd St.
Chicago, Ill.

It is with an exalted degree of pleasure I report to the brotherhood the work I have tried to do in a portion of the area assigned me at our Nashville National Convention.

The great program submitted to me at that time I have tried to faithfully carry out regardless of some handicaps. The places I visited I found several things I think worthy of note. It has been a pleasure for me to work and serve with such anxious people. I somehow sense a peculiar sympathy for the work and the workers who have lighted and carried the torch thus far. It has not been an easy road to travel. Some who were trusted fell out-of-line and dropped a heavier mantle on the shoulders of the “Faithful Few.”

I assure you that I have a deep interest in helping my group grow to a bigger size, grow to the point

where they will see Jesus Christ's way of dealing with men and do likewise. Too many are going their own way, not thinking of the seriousness of the day. Certainly it is a great sacrifice for me to go, yet some principles are involved.

When I think of how the Saviour gave His life for His friends I see wherein a sacrifice can become a mutual expression of love, featuring God, Jesus Christ and man. To this end Christ made it plain that men must give life and time and talent and money for the establishment of the Kingdom of God on the earth.

The following places have been visited:

Arkansas State:
During the month of October we visited four churches in Arkansas starting at Russellville on the 19th. On the 20th the "Faithful Few" were on the job. My coming had been well advertised and in the afternoon several members from the other churches of the city worshiped with us and took active parts. We had a lovely service. I spoke from our brotherhood theme: "With Christ We Build Anew." Music was just right for the occasion. My home was with our State President, Mrs. Mary B. Franklin, who was such a pleasant hostess. Money raised, $6.50. Eld. H. B. Armstrong is the pastor.

On the 21st I went to Little Rock and found Sister Bostick had planned a conference to be held in her home that evening. Many questions were asked concerning our Long Range Program. I am sure I do not yet have all the answers but I think I made several things clearer to them. Then on the evening of the 22nd we had our services at Mt. Siana Church with the president, Mrs. Hall presiding. Our message to them was well taken and they promised to strive to do a better job this year. Offering $4.60. Five World Call subscriptions were secured.

Sister Bostick deserves a high degree of credit for the way she has her societies organized and working, she, herself, being seventy-seven years of age. I was graciously entertained in her home. She is serving as chairman of her State Board of Women. Eld. T. R. Moore is pastor.

My next visit was with the great Cross Street Church. Many familiar faces including the pastor and wife, Mrs. Orene Cole, Mr. and Mrs. Julius Mitchell, Mrs. Daisy Dean and others. All working to make possible the building of a parsonage along with the regular program. We had two evenings with them. The first was in conference, the next with message, and closed with benediction of brotherly love. Our offering was $8.01.

Cross Street is carrying a heavy program, but they seem to be equal to the task. More than 20 subscribers to World Call and many to Christian Plea. Mrs. Carrie Rainey is president of Missions, Eld. O. B. Garder is pastor.

The 26th I went to a rural section (Oak Grove) where we have a wonderful working group of Christians. Sunday, the 27th, I spoke at the morning services. No evening services because of mosquitoes. Being in a rice section of the country, we were disturbed by mosquitoes in the evenings. But Monday evening, we conducted our conference in the home of Mrs. Mary Armstrong where we were protected from the mosquito. Six World Call subscriptions were secured. Refreshments were served. Offering $13.00. My home was with Miss Mary V. Moore, principal of our largest school in that area. Miss Moore was very kind and saw that I had the best of care. Mrs. Lena Jones is president. Eld. B. H. Armstrong is pastor.

Illinois State:
Rockford: This Church had just called a pastor. For five months the elders carried the responsibilities of a pastor and had done a very good job. It was "Woman's Day" and of course, it was my job to try to acquaint the total church with the purpose of Missionary Organization—the brotherhood program it supports, and I could not leave out our Long Range Program. Then a short message was given on our brotherhood theme. By the nodding of heads they agreed with me that to build this sin-sick world anew with Christ we must be willing to carry the torch into the darkness, even to Japan and Germany and other enemy lands. But we must light it at home. A home where Christ is. Then a New People Changed in heart and mind; a people converted to Christian principles; a people considering all Men "Sons of God," and Jesus Christ a universal Savior. Offering $5.00. Eld Bradley, pastor; Mrs. G. C. Richardson, President of Missions. 

East St. Louis:
The occasion was to attend the funeral services of the late Rev. J. W. Baker, founder and pastor of Pilgrim Rest Christian Church, East St. Louis, Illinois. Funeral services Friday, December 7th, at Centennial Christian Church, St. Louis, Mo. I stayed through Sunday, the 9th, and delivered the morning message to a people deeply grieved over the loss of their leader. Afternoon we conducted a conference with the whole group. One subscription to World Call and one to Christian Plea were secured. Offering $5.00.

My Observations:
There is a desperate need for more adequate Church buildings—more and better trained leaders. A conviction that to evangelize the total world is our task. We need State promotional secretaries and funds to support their programs. A great need for a Young People's Worker. They want to know more about the C.Y.F. Movement. This inquiry came mostly from young people in rural sections.

Strange isn't it when we remember how sadly our rural work is neglected? Total amount collected $42.11.

This is only the beginning of what we hope to do in these societies we are reporting. I am invited to return to Arkansas in June when I can visit more Churches and do a greater service.

We sensed a skeleton of an organization of Young People at Oak Grove, but our itinerary did not give enough time to perfect it. So we left it with the president and Miss Mary V. Moore, to finish the set-up. We are expecting a fair report from them. Wish they would give a few statements of their activities to Christian Plea.

If on this trip I did no more than call to your memory that each has a place to fill; or as the Apostle Paul proclaimed it, "Add to your faith virtue and to your Virtue Knowledge," to me, it was not in vain, and I will close by entreating you to add to your knowledge patience and courage.

Remember, when you have done your best, pray to your Heavenly Father that "The Words of Your Mouth and the Meditations of Your Hearts May Be Acceptable in His Sight." Yours truly,

L. L. Dickerson Hits Snag—
Ohio Supreme Court Refuses
Aid to Columbus Minister As
Judge Clifford Orders Sheriff
To Set Furniture Out

Members of the Ohio Supreme
Court, in an emergency session
Tuesday morning of this week, re-
sumed to grant Rev. L. L. Dickerson,
93 N. Ohio Ave., a writ of mandam-
sus to compel Judge Joseph M.
Clifford, presiding judge of the
Franklin County Common Pleas
Court, to grant a hearing on his re-
strictive covenant case and to pre-
vent Sheriff Jacob E. Sandusky
from setting him (the minister) into
the street.

As the result of the Supreme
Court's refusal to command Judge
Clifford to give Rev. Dickerson a
hearing, the pastor of the Monroe
Ave. Christian church will have to
vacate his Ohio Ave. home in an
area that bars Negro citizens from
residence, by Saturday, March 30
or suffer the consequences of having
himself and household furniture
thrown into the street by the sheriff.

Frank C. Shearer, representing
Rev. Dickerson, contended in a pe-
tition in Common Pleas Court on
Thursday, March 21, that Judge
Clifford's order of the previous day
to Sheriff Sandusky to notify the
minister to get out of his home
within ten days or throw him out if
he fails to comply, was illegal.

Attorney Shearer said that Rev.
Dickerson was entitled to a hearing
and when Judge Clifford refused to
grant it or set aside the order, the
covention controversy was taken to
the Supreme Court.

In refusing to rescind his order
to throw Rev. Dickerson out of his
home, Judge Clifford told the min-
ister that he not only had no right
to a hearing, but no right to file a
petition as well.

At the hearing before the Supreme
Court Tuesday, Judge Clifford was
called in to defend his action in the
matter. The Ohio Ave. restrictive
coventions were represented by At-
torney Baxter Evans, a member of
the Columbus City Council.

Rev. Dickerson could not be reached
by long distance telephone for a
statement after the Supreme Court
made known its findings, but wrote
no opinion.

It is believed, however, that mem-
bers of the Monroe Ave. Christian
Church and friends of the minister in
the community will set the furniture
L. Ruth Ratten, Rev. Eugene
Patterson Says Nuptial Vows

One of the lovely weddings of the
spring season was that of Miss L.
Ruth Ratten to Rev. Eugene Pat-
terson, April 9th in the lounge of
the Lehman Hall, Southern Christian
Institute, Edwards, Mississippi. The
Rev. Charles C. Mosley, brother of
the bride, officiated at the single
ring ceremony.

The marriage vows were read be-
fore a beautiful worship center,
“The Head of Christ,” surrounded
with green shrubs, red and white
roses forming an arched trellis.

Bridal selections preceding the
ceremony were played by Mrs. Sue
E. Cole Jacobs, music instructor.
Miss Willie Graves sang “I Love
You Truly” and “At Dawning.” Miss
Graves is also a member of the
faculty.

Mrs. J. B. Mosley, Dean of Wome-
ins and instructor of typing, was
maid of honor. Mrs. Mosley wore
a pink satin gown with fern and
white carnation. Entering with her
brother, Mr. James W. Ratten, the
bride wore a wedding dress of white
satin with sweetheart neckline. The
full skirt of the dress fell into a
short train, a finger tip veil with
white satin ribbons held the veil in
place. A neck-set with blue stones
was worn by the bride. The bride
also carried a White Testament top-
pod with white carnations and satin
streamers knotted with carnations
and fern.

Rev. C. L. Parks, National Direc-
tor Church Development and Evang-
elism, was best man for Rev. Eu-
genene Patterson. Mrs. Nellie O. Rat-
ten sang at the close of the cere-
mony “The Pledge.”

The reception was held following
the ceremony in the Lehman
Lounge. Guests attending the wed-
ding were the S. C. I. Faculty, Min-
isters who were attending the Min-
isters’ Institute, and selected stu-
dents were present for the ceremony
and reception.

and if Sheriff Sandusky sets it out

Whence Cometh My Help
WAYMAN PARSONS, Minister
The Heights Christian Church
Cleveland, Ohio

Neither shall they say, Lo here! or There! for lo, the kingdom of God is within you.—Luke 17:21.

One's own responsibility for a better world begins in his own life. Do you hope and pray and work for a better world? Very well, then, you have a relationship and a responsibility to that kind of world. They begin at the point of the kind of person you ought to be.

One doesn't have much of a right to criticize the world and hold forth on what is wrong with the world unless he is trying to be the kind of person that the world needs. Is the world greedy, hateful, selfish, blind, and intolerant? How much am I like that? As our youth motto has been urging upon us, "We must do the world we want!" Do we want a world of honesty and goodwill? Then we ought to be honest and of good will. Do we want a world that is just and merciful? Then we ought to be just and merciful. Do we want a world that is brotherly? Then we ought to be brotherly. How can we hope for the world to possess qualities that we cannot or will not develop in our own personal lives? The thing that should disturb all reasonable people is the fact that we still see about us, in our own lives and in our own neighborhoods, the very same factors that are at the bottom of our world disorder.

We are told that before the war the Chinese Christians adopted a daily prayer that each Christian was to repeat. It was: "Revive thy church, O God, beginning with me!" That's the place for any revival to start—me. That's where my own responsibility begins. Just as a journey of a thousand miles begins with one step, so a new world, as far as I can make it, begins with me. When any person becomes the person he ought to be, one step has been made toward the world that ought to be.

Wasn't this part of what Jesus meant when He said, "The kingdom of God is within you"? We talk of building the kingdom of God here on earth in terms of a just, social, political, and economic order, but even as our most earnest efforts toward this achievement fail, we realize that still the kingdom can come within individuals. It can come within YOU . . . and ME. Perhaps even, it must come first within individual persons.

Lead forth my soul, O Christ,
One with Thine own,
Joyful to follow Thee
Through paths unknown!

In Thee my strength renew;
Give me my work to do!
Through me Thy truth be shown,
Thy love made known.

World Call—The Announcer
Louise Lomax, new National World Call secretary, writes an interesting story about Jarvis "Building for Christian Citizenship." A group of young men and women at the Negro school at Hawkins, Texas, are training to meet the challenge of a new day. Two things keep this school from being accredited with the Southern Association of Colleges and Secondary Schools—too small salaries for the teachers and not sufficient endowment. Why do the students receive Scholarship Aid grants from Texas for study outside the state? Miss Lomax tells you in this article.

Southern Christian Institute
Commencement exercises in the college chapel Friday, March 15, marked the closing of the first six weeks school for rural ministers held in this area under the cooperative sponsorship of the Home Missions Council of North America, the Department of Social Welfare and Rural Work of the U.C.M.S. and Southern Christian Institute, Edwards, Miss. The total attendance for the school was twenty-six. Eight passed all of the required work for the course and attended at least ninety per cent of the full six weeks; these men were accredited with two units of academic work by the administrative Southern Christian Institute. (They had done 180 classroom hours of work.) Six other ministers attended sufficiently to merit attendance certificates. The following are the men receiving recognition: Rev. F. B. Black of Vicksburg, Miss.; Rev. A. E. Brooks of Edwards, Miss.; Rev. Anthony Gordon of Port Gibson, Miss.; Rev. James Lee of Itta Bena, Miss.; Rev. A. N. Harris of Port Gibson, Miss.; Rev. L. W. Smith of Columbia, Miss.; Rev. Issac and R. W. Johnson of Edwards, Miss., comprised the

Brooks and R. Brown of Edwards, Miss., received attendance certificates. The Rev. W. K. Fox, Director of Religious Extension at S.C.I. and Dean of the pastor's school, delivered the closing address and The Rev. W. O. Gill, Dean of Jarvis Christian College, Hawkins, Texas, presented the awards.

Twenty-three faculty members were drawn from the following nine states: Mississippi, Alabama, Georgia, Tennessee, Texas, Illinois, Indiana, Massachusetts, and New York.

The curriculum of the school included the following: Religious Education (led by E. R. Becker of Indianapolis, Ind.); Financing the Rural Church and Worship in the Rural Church (both taught by Edward Hamner of Washburn, Ill.); The Small Community (taught by C. M. McConnell of Boston University); The Preparation and Delivery of Sermons (instructed by E. T. Dixon of Tuskegee Institute, Ala.); Planned Parenthood (special lectures by Mrs. Marie S. Richardson of the Home Missions Council of North America we intend to make it the greatest school for the fostering of a more efficient rural ministry in the south.”

The Fulton Street Church Makes Rapid Strides

REV. JOHN R. COMPTON, Pastor

By: CORA LEE HENRY, Palestine, Tex.

"God moves in mysterious ways, great wonders to perform."—Holy Bible.

God sent us a "MAN" when He in His way of touching the heart of a man delivered unto us our new pastor, the youthful, energetic, reputable, John R. Compton of Canton, Ohio.

Our former pastor, Rev. J. E. Quarles, departed this life in August of '44, closing three years of efficient service. Rev. Compton became his successor in a few months after his death.

Rev. Compton's preparation, experience, and faith in Christianity, fully qualified him to assume his new responsibilities. He is an ordained minister of the gospel, having served several years as assistant pastor to his father in Canton, Ohio, and is now in his "Junior Year at Jarvis College. We soon realized that he was a man whose possibilities were many and varied. We felt that he would use all his strength, mental and physical, to get the job done.

He has by his side, his wife, Mrs. Lucille Wheaton-Compton, who lends him moral support and she, too, is an ardent church worker. On March 22, they became the proud parents of a son, John R. Compton, Jr., and we all share with them this special "type of Happiness."

His period of service thus far has been 16 months, during which time 22 converts have been received into the church. Repairs around and about the church have been constant. The main auditorium has taken on a highly attractive appearance as it is effectively "done" in wall paper of the lightest beige with woodwork of a contrasting mahogany finish. The rear of the church is by no means an exception as it, too, carries out lovely color schemes which make it quite cheerful and conducive to pleasant living for the pastor and family.

At the present, we are remodeling the anterior portion of the church. However, our progress has been slowed down due to the lack of materials. Nevertheless, in short, we hope that all work can be resumed, and when we are all finished, we invite YOU and YOU to pay us a visit.

During these 16 months of service there have been memories that have followed us constantly as we have gone about our daily chores. The sweet, solemn thought of the Sabbath walks to the little white church, its atmosphere of reverence, the calm, earnest voice of its young pastor and youthful choir. We cannot for-

(Continued on page 6)
get the Easter Sunrise and Mother's Day services, nor the "precious gems" that we picked up last September, during our revival when the father of the pastor, Rev. S. J. Compton, brought to us such messages as these: "The Palm Tree Christian," "Youth on a Quest," "Which Church Shall I Join?" "Ex- cesses," "Go Forward," "The Uniqueness of Christ," and others. These vespers services always seemed to have closed the day with a solemn amen. Yes, and even our Yule-tide services were a spiritual feast. As we gathered around our firesides enjoying the memories of a great Saviour, we were able to celebrate the season in its truest sense, and to begin the New Year giving Christ the preeminence.

Such has been our history thus far on the way, and the following must have been the thinking of Rev. Compton as he said to himself, "I WILL SET OUT TO SEE":

1. I will "set out to see" what contribution I can make with the tools I have amassed from my training.

2. I will "set out to see" if happiness may be found in administering to the suffering and lifting up the fallen.

3. I will "set out to see" if I can place my shoulder beside the one of my brown brother who is striving to lift the "veil of ignorance."

4. I will "set out to see" if the stage door of success will yield to the knock of one more enthusiast.

5. AND FINALLY, I will "set out to see" if I can give Christianity a chance to operate practically in the lives of men and women, not earthly perfection as a goal—BUT THE OPERATION OF BROTHERLY LOVE IN OUR DEALINGS WITH ONE ANOTHER.

We cannot and will not fail to express our sincere appreciation to those of you who come to our rescue during the great "break" that occurred in our church lives, and especially do we wish to thank Rev. W. O. Gill of Jarvis College, who recommended Rev. Compton to us as a man whom he felt would put his hand in God's hand, take ours, and lead us on; a man whom he felt would be willing to accept the challenge—to take up the task.

**Minister of Antioch Christian Church**

**Disciples of Christ**

New Brunswick, N. J.

I trust there will be space in your paper to print the following: This letter is pertaining to the minister's institute which was held in Baltimore March 7-8. It was sponsored by the field workers of the National Convention, Elder C. L. Parks, Elder Dixon and others. To my mind this is one of the greatest steps forward that the United Christian Missionary Society could have had. For it is helpful and enlightening, bringing ministers into closer contact, it also encourages the growth of church membership. May I make this plain that the worker on the field are not idling a moment of their time away; they are quite busy familiarizing pastors with the great task of leadership. I would love to suggest to all pastors who may have the privilege of attending the institute to try to do so.

I am very proud to announce that the Philadelphia Church of Christ Disciples, 90 Union St., Newark, N. J., Elder O. S. Lucas, pastor, and his members are doing a very fine job. A district union was held March 29 to 31 of which churches of Brooklyn and New York City, Philadelphia, Pa., also Antioch Christian Church, New Brunswick, N. J., participated with the Union. The fellowship of the churches with Antioch was beyond reproach. It is the hope of Elders Lucas and Tillman to work up the churches in each state to the extent that each state will be able to support a quarterly Union.

I have been in Chicago for several months and have placed my membership with the above named church.

From my observations for the short time I have been here and able to attend the services, I have observed that the spiritual life of the church has shown marked improvement in harmonious enthusiastic cooperation in all aspects of its program. Our mid-week prayer meeting directed by one of our elders is a source of great inspiration.

There have been a number of interesting and outstanding events happened since I have been here that I feel the Brotherhood should know, but time and space will not permit me to tell all at this time.

Second Christian Church

REV. F. B. BRADLEY, Pastor
2417 Fremont St., Rockford, Ill.

Fellow Christian:

I am again greeting you from our church in the City of Rockford, Ill. Among the many interesting things happened in our church in the month of March may I tell you of two.

The first item the Missionary Society sponsored a dinner which was enjoyed by everyone that attended. The dinner was a great success both spiritually and financially. The following Sunday the Society gave a rally, having the pastor, the Missionary Society and the choir of Bethel Baptist Church of the city as guests. This was truly a spiritual revival meeting, everyone was uplifted. The Missionary Society with its very splendid staff is doing a fine job in our church.

The second item is about a very splendid program held in our church on the 24th of March. The guests consisted of distinguished business, social and club women of various faiths. Among them were Mrs. J. Carter, Director of Booker Washington Community Center, and her very able assistant, Mr. Roger. The group was deeply impressed by the distinguished way in which the service was conducted.

There have been some light shown on our plans toward the enlarging and remodeling of our church building.

Our sick are mending fine; Sister Gee who has been very ill with pneumonia has recovered and is now worshiping with us again. Mrs. P. L. Hoit is ill but is expected to be out soon. The work is growing and we hope to keep it in that direction.

Clay Street Christian Church
OSEOLA DAWSON Paducah, Ky.

On January 6, we celebrated Woman's Day. Mrs. M. J. Egester, one of the instructors at Lincoln High School, delivered the address.

In November, our pastor conducted a revival at the Second Christian Church, Mayfield, Kentucky. Nine were added to the church. Elder Hugh Hayes, our own product, is the pastor of the church in Mayfield. You will hear more concerning Elder Hayes' work at Mayfield in a later article.

At present, Elder Jackson is conducting a revival at one of the churches at Dallas, Texas.

In the midst of joy, quite often sadness occurs. On Saturday, January 5, Mrs. Bernice Bolen, one of our members, passed. Mrs. Bolen was the very first person in Paducah whom Elder Jackson baptized. The funeral was held on Tuesday, January 8. Elder J. O. Bowie, a former pastor, and now of Danville, Kentucky, delivered the Eulogy.

We are now decorating the interior of our Church and are raising funds to purchase new pews.

The church is asking the entire membership to the church alone cannot sponsor the program helps, and that your Easter week observances and offerings will mean the spread of His redeeming love and grace throughout the world.

**Promotional Article**

We are approaching our Easter Season which is equally as significant as it was when Christ hung on the cross at Golgotha's Hill. A message comes to us today from the Prophets of old: "What does the Lord require of Thee?" "Heal the sick, cleanse the lepers, raise the dead, cast out devils"... "Freely ye have received, freely give" was his command.

There is available through the Department of Sales Literature of The United Christian Missionary Society, Missions Building, 222 S. Downey Avenue, Indianapolis 7, Indiana a pamphlet for worship, "Peace Through the Cross" and leaflets of other resource materials. We are urging you to use these inspirational program helps, and that your Easter week observances and offerings will mean the spread of His redeeming love and grace throughout the world.

The United Christian Missionary Convention (Disciples of Christ)
ELDER C. L. WHITFIELD
Baltimore, Maryland

Covering the New England States, New York, New Jersey, Pennsylvania, Delaware, Maryland and the District of Columbia.

April 5, 1946.

It has been some time since I took opportunity to report from this area.

I believe our work is moving on in a very satisfactory way. All of our churches are busy and indications point to steady progress. We are preparing for the National Convention to be held in New York in August, and personally, I believe it is going to be a fine thing for this area. I have an abiding faith in the Christianity of all our eastern brethren, and feel that great good will come of this meeting.

We are busy preparing to build a new church which will cost $40,000 to $50,000 and which we plan to be modern in every way. We have five young people's organizations and our plans call for the meeting of their needs, as well as the other departments of the church. We are well on the way to the achievement of our national goal of $300.00 and have a bank balance of nearly $10,000.00 for building and current expenses. The Young Matrons, organized one year ago, raised $300.00 without socials or suppers. All of our organizations have made substantial contributions to our building fund.

The Christian Ministers' Institute was held at our church here March 7-8, 1946. It was well attended and greatly appreciated by the ministers and our public who were admitted to the night sessions. The faculty was composed of Bros. Parks, Dickson, Austin, and Sulanke. Ministers came from New York, New Jersey, Maryland and the District of Columbia.

Pastor LEOLA Cox, Secretary

1304 E. Jones St., Greenville, Tex.

We were blessed to have our pastor to fill his pulpit each Lord's day this month. Each message was timely. One member was added to the fold-Mrs. Lucile Fuller.

We are preparing to care for our young people in a very fine way. We have landscaped a playground for our young people and adults as well. One-fourth of a block all graded and leveled off, with a tennis court, croquet set, basketball, football and many other nice games. Seats and swings and everything to make young people happy.

Recent visitors: Mr. Clarence Tradace from Chicago. His message was short and timely. Subject: We make young people happy.

The Providence Church School's Easter program will be rendered on Thursday night before Easter.

The season of Easter focuses our attention on the last day of Jesus's life. We who are followers of Jesus are always wanting to learn more about what kind of person He was so that we can better build our own lives.

L. Ruth Rattan Reports
National Christian Nursing Convention

"Behold, I make all things new."
Rev. 21:5

The past eight months have been of utmost importance in the work of our churches throughout the brotherhood. We are still faced with the most dangerous era in the life of Christianity. Less we become self-satisfied because of the cessation of hostilities on the battle fronts, I am writing this message to remind us that our task is only begun.

Christians are the only ones who can help to rectify the lives of persons who have been exploited by the tragic years of war. We have the conviction that Christ can help to build a new world through new personalities. This rebirth toward the building of a new world must begin within each of us.

As we face this tremendous problem before us, the ministering to the mental, spiritual, and physical bodies of mankind who are without hope of the abundant life, we must repent with humility in our hearts and give ourselves wholly to the cause of Christ. "So unless out of our hearts there emerge those attitudes and purposes which are in line with the will of God and to which we have so committed ourselves that we are willing "to pay the price of His accomplishment, we will continue to cut to heaven that we are helpless."

Through our National Christian Missionary Convention and the United Christian Missionary Society, we have only May and June left in this current Missionary Year to build anew with Christ in the life of the world that He was given to. "With Christ We Build Anew" is a mandate of our Lord, brought about through the needs and necessities of our time.

The body of Elder W. C. Hurdle was laid to rest Sunday, April 7, 1946, from Center Point Christian Church, Greenville, Texas, Rev. H. G. Smith officiating.

Elder Hurdle came into the church at an early age. He served as deacon for many years and was an elder when the end came. He was a faithful worker in the Sunday School and made regular attendance as long as he was able.

Our deepest sympathy goes out to the bereaved wife and children. Just a few days ago he went away to receive a great reward that was promised him one day. We will miss him in the Church as well as in the home but the Father, he knew best so He called him from labor to that great beyond rest.

We wish to thank our many friends, white and colored alike, who helped to make this effort a success. During this same period there were four added to the church. We pray God's blessings upon us as we seek to do "His will" on earth, as it is done in heaven.
Notes From Mt. Sterling, Kentucky

Prof. J. E. Bean

A birthday surprise—After prayer meeting Wednesday evening, March 27th, members of High Street Christian Church and members and friends from other churches, met at the parsonage and "pulled" a real surprise on Elder Eugene Patterson, our pastor.

After socializing a while a consolidated effort from all the departments of the church presented him a paper shower of seventy-two dollars and laden the table in the dining room with all kinds of eatables. Aside from the greenbacks many other beautiful and useful presents were given. Greetings and an envelope of seven dollars were brought from Keys Chapel by their pastor, Rev. Davis; from Fairview by Mrs. Sarah Jones, from N. Middleton by Mrs. Estella Strawder, and from the High St. Christian Church by Prof. J. E. Bean, which were followed by the pastor in a very happy way. Mrs. Eliza Jackson presided.

The World Fellowship Youth Meet of Districts III and VI met in Mt. Sterling, Ky., March 15-17, having as its theme, "The World God Wants In Africa." Friday and Saturday the activities of the Youth Meet were held at the DuBois High School. Sixty-eight persons were registered, representing nine churches. (Saturday evening) Mr. W. W. Peavyhouse, guest speaker, used as his subject at the banquet, "It Takes Us All to Make a World."

Mr. Herbert Smith, a missionary who spent 35 years in Africa, spoke to the conferees Saturday afternoon. Miss L. Ruth Ratten, National Director, was one of the leaders who helped to make the meet a success.

The State Evangelist, Rev. G. E. Letton, was speaker at the morning workshop held at the High Street Christian Church of which Rev. Eugene Patterson is minister. Rev. George Frazier delivered the evening message.

Other out-of-town workers and guests were Mrs. Edith Bristow, Mrs. Rosa Trine Johnson, Miss Odie Bell Lewis, Mrs. Anna Spradling, Miss May Butler, Mrs. Alice Hillman, Mrs. Emily Robinson, Messers. William Johnson, Buford Hall, A. D. Gauls and Miss Elizabeth Johnson. The welcome address was delivered by Miss Barbara Mae Johnson.

President S. S. Myers Speaks
It is impossible for me to visit with you in person, in the interest of our cooperative work. To many churches plus the cost create the gulf. But we can face our needs and obligations, in a friendly way in writing. You are anxious and concerned about the future of the Brotherhood program. You would like to see the work expand and grow on to greater heights. It can and it will, if we join hands, hearts, and share our substance in missions.

We launched the Long Range Program July 1, 1945. The reports from the staff have been most gratifying, indicating hard work, good planning, as well as cooperation given by the churches. We are coming to the end of the year desirous of enlarging the work. The achievements already obtained are the result of the cooperation of the pastors and leaders of all our churches. If we are going to continue to go forward and make progress, every church must give its share and the members of the church must increase their support. Your love and good will must forever manifest itself in deeds of loving kindness.

Good planning, hard work, plus Christian cooperation will assure us a glorious future.

It is needless for me to say, brother pastor, brother superintendent, sister missionary president and leaders, that we must have the financial support of all. Your unpaid goals will cripple the work of the kingdom. Every church and agency of the church should get gusy if they have not raised their goals and do so by June the 30th and not later than the Convention in August. As soon as you read this message check and see what your goals are for the church and agencies, and resolve to raise them and report the results to the Convention.

This is the greatest Summer training program for our churches we have ever had. Let us place every young person we can in Conference or Camp.

The report of the Executive Board Meeting should be carried in this issue. The date and arrangements for the holding of the National Christian Missionary Convention in Brooklyn, New York, should be given the green light.

The Biennial Planning Conference of the National Convention CYF was held in Indianapolis, Ind., April 26, 27 and 28. There were nine states represented as follows:

National Convention Goes to Brooklyn
To Brooklyn, N. Y., Aug 20-25
The Stuyvesant Heights Christian Church, of Brooklyn, New York, has been given the green light to go ahead in preparation to entertain the National Convention, August 20-25, 1946. Every church in the Brotherhood should send delegates to this Convention. A great program has already been arranged for your enjoyment and participation. The church has adequate facilities and good leadership to assure the Convention one of its best entertainments in its history. The church has a beautiful sanctuary and a spacious social hall and many class rooms. The enrollment and entertainment fee is $8.00 per person.

The program has two special features this year. Communion service at 3 p.m. and a musical at 7:45 p.m. Sunday. Mrs. Rosa Page Welch, director of Convention Music, and Mrs. Rose A. S. McCrea, acting as co-chairman, will be in charge of the music. Choirs near Brooklyn are asked to take part in the church.

The churches in Brooklyn all are in harmony with the coming of the Convention to Brooklyn. They realize that the Stuyvesant Heights Christian Church is the host church. But they express themselves as being willing to give what every cooperation necessary to make the Convention a success. The program will include some of the pastors and choirs of the Brooklyn churches on the program.

It was my pleasure to visit and preach in the churches in Brooklyn on March 3rd. At Brother Keyes, 11 a.m., Brother Charles Murdough, 4:30 p.m., and Brother Kinard, 8 p.m. service. All of the brethren were very kind in all their consideration of the work. I am sure we

(Continued on page 2)
NATIONAL CONVENTION

can count on them giving their full cooperation to make the Convention a success. There is no problem existing among our churches in the East that is not common to the average church. The unity among the brethren seem to be very good. Whatever their problems are, they are local, and must be treated as such. The National Convention loves all the brethren and stand ready to do what is in its power to make all the churches strong and powerful in the service of the Master.

The Convention is a delegated body. To have a great Convention, you will have to be there.

REV. S. S. MYERS, President

REV. S. S. MYERS SPEAKS
(Continued from page 1)
raise them if you have not already done so. The Convention has no other source for help than you. If you fail, then what? The total Convention goal can be reached only when every church does its part and the agencies reach their goals.

The budget for 1946 and 1947 is larger than last year's budget. We are planning on another worker being added to the staff. So the asking budget this year is $22,400.00. Last year was $17,400.00. The National Convention's share last year was $5,000.00. This year it will be $8,600.00. This goal must be raised by Convention time. We left the Convention last year with our share of the budget, which was a healthy thing. This year we want to do the same thing. We can, and we must, through your loyal support. The budget increase for this year is more than $6,000.00, so you see the Brotherhood agencies have been asked for an increase.

I want every pastor to join the 1,000 Club of the National Convention. Then I want him to get as many as he can of his members to join. To be a member we are asking that each member pay $5.00 or more to the National Convention treasurer. This is to be a special fund. I am asking that the pastor or board of the church to appoint a member of his church to poll the membership for members for this Club. I want the names and addresses sent to me or the National Office, and the money sent to Dr. J. E. Walker. One thousand members of the Brotherhood could make sure of the success. Would you like to be one of these members? You can, by deciding now and sending in your $5.00 or more. We are requesting all state presidents to get behind this work and write some letters to the churches of your state in support of this program. You can do so much to make this work a success. So we are depending on you, Brother State President.

Remember together, "With Christ We Build Anew."

REV. S. S. MYERS, President

Dear Editor Eppse and the Brotherhood at Large:
I am writing this article to make it known and clear to the public my attitude of and position taken towards the entertaining of the National Convention at the Stuyvesant Heights Christian Church in August, 1946.

Brother Tillman of New Brunswick, New Jersey, styled himself as the watch-dog of this area. He has taken it upon himself to inform the Brotherhood that it would not be advisable to hold the Convention at the Stuyvesant Christian Church for the reason given in the March issue of the "Christian Plea." I am wondering who made Brother Tillman the watch-dog of the Williamsburg Christian Church. I have been laboring under the opinion that I was.

Now there is nothing between Brother Hancock and myself. He preached for my church the 4th Sunday in March and we had a fine fellowship together. We believe in the First Epistle of John 1:7, "If we walk in the light as He walked in the light, we have fellowship one with the other and the blood of Jesus Christ, His Son, cleanseth us from all sin." Who am I to say that another cannot have company for dinner because I am not able to have company. We do pray that Brother Hancock and his church will have one of the greatest Conventions on record. The pastor and members of the Williamsburg Christian Church will give their moral support and any other cooperation within our power to give.

My prayer is that we stop fighting one another and fight sin for we are laborers together with God. 1 Cor. 3:9. Let us face the future in the spirit of love, good will and cooperation, bringing the kingdom of God in our lives and extending it to the ends of the earth. To be ready when He comes to reward us, we must choose to be wise virgins.

We are looking forward to the Brotherhood coming East.

FUNCTIONAL EDUCATION
(Continued from page 2)

The result is that Negroes have been progressively out of the trades and skilled jobs because the opportunities for training have been seriously lacking. Thus the Negro is forced to take menial jobs such as floor and street sweeping, collecting garbage and shining shoes. When these jobs become mechanized and thereby skilled and respectable they will be pushed out of them. All menial jobs have at least two things in common. They are the least desirable and the lowest paid. Low income account for much of the poor health, high disease and death rate, and ignorance among Negroes. Does this fact have any meaning for the church leaders of the nation who have the responsibility of appropriating the funds for maintaining church related colleges for Negroes?

An adequate philosophy of Christian education must of necessity be aware of the changing technological system in the modern world. But it is not enough to be aware of these changes. Practical and active steps must be taken without delay to expand the college curriculum to meet these changes. The hour is at hand for the churches to rethink the philosophy of their educational work among Negroes.

Party For High Street Church Minister

Mt. Sterling, Kentucky

The Women's Missionary Society of the High Street Christian Church, Mt. Sterling, Ky., sponsored a surprise birthday party March 27, 1946, for the minister, Rev. Eugene Patterson, at the church parsonage. The entire church attended the party along with representatives from other churches of the city. The High Street Christian Church presented Rev. Patterson $5.5 for a suit. The Key's Methodist Church presented him $7.00, Evergreen Baptist Church $5.00 and the Methodist Episcopal Church $1.00. Many other gifts were presented him from the church and friends in Mt. Sterling.

Elder Patterson At S. C. I.

April 9-11, 1946, we were privileged to be on the campus of Southern Christian Institute, Edwards, Mississippi. We were given a most cordial reception by the faculty and students of the school. This was an opportunity that we had long looked forward to, that of visiting our schools of Christian Education. Very carefully we were shown the whole plant that we could know just the type of program that is being carried on.

Our first experience was the lack of dormitory space to house the many students who had been refused admittance to the school. There was an unusual interest and effort put forth in work on the part of the entire faculty to meet the needs of the students. Not only is there a campus program of work, but a community program of work also. This program as we observed is intended to raise the cultural status of the surrounding communities. The examples of its effectiveness was that of better housing, community recreation, and that of raising of the economic level of the people who live in the outlying areas.

The school maintains a large farm that is equipped with modern farm machinery. Aside from this, thoroughbred cattle and livestock are grown on the farm. Many of them are used for exhibition. We found many other phases of work that was most interesting. We can only encourage a visit here to be able to thoroughly appreciate just what is being done in the area of Christian Education by our schools.

We cannot feel that they have met every qualification for the training of boys and girls, men and women, but because we can make them the kind of schools we would like for them to be. Our schools need not only our spiritual support but our financial support as well. Under the leadership of President John Long, Dean Charles C. Mosley and the entire faculty of the school, Southern Christian Institute is destined to grow and maintain its rightful place among the Educational Institutions of the country.

Eugene Patterson, Pastor, High Street Christian Church, Mt. Sterling, Kentucky.

Society Women

By W. K. Fox

What flashes into your mind when you hear the words "society women"? Undoubtedly, you picture women with the latest afternoon attire on, monocle glasses setting high on the noses of highly powdered faces, and tightly drawn lips sipping original China tea, while listening to a guest lecturer of the High Brown Society Club speak on The Atomic Age and World Peace. That may be the correct picture, but the society women that I am going to tell you about are far from like that. They are not interested in "keeping up with society" but in keeping society moving upward. They are not concerned with what the Joneses are wearing but are interested in how the Joneses and everybody else in the community are living. They are women desirous of changing society, rather than accepting it as it is. You are about to be introduced to two Christian women who are actively engaged in building the Christian community. In this sense, they are truly society women.

MRS. R. M. FOX

Christian Community Through Better Parenthood

Three years ago Mrs. Fox began working with the Parent Teachers Association of Southern Christian Institute. One or two parents dared to walk from their homes to the meeting on the campus. The majority were too busy to come. The meetings resolved themselves to faculty sessions with one or two parents as guests.

The problem disturbed the sensitive conscience of Mrs. Fox. She set about to devise a technique to reach the parents of the community and put the P.T.A. program to them. The thought central in her mind was—Go to the parents if they will not come to us. This motivated her to organize the P.T.A. into two groups which would meet simultaneously at strategic points in the community. The idea was accepted by the P.T.A.

Positive results were immediate. Attendance jumped to 30 to 40 parents per meeting in one group and 8 to 15 parents in another. The C. I. A. faculty alternated in the attendance of the groups.

A varied program was presented. A study secured from Parent Magazine entitled "Growing With Your Child" was diligently followed. Faculty members contributed talks on health and family. Pres. Long presented motion pictures of community interest.

Mrs. Fox encouraged the parents to do as well as study. Among the outstanding projects successfully launched are: 1. prayerground equipment for the community school; 2. some efforts toward the beautification of the school building and grounds; and 3. a new collection of books to form a Negro library and an assortment of general reference books.

It is the sincere devotion to her responsibility plus a cooperative faculty and parent group that has meant a successful program for Mrs. Fox. Her continuous interest in the progress of the association has virtually converted her ordinarily inconspicuous office of secretary to that of "Executive Secretary of the P. T. A." In the current year she was ably assisted by Miss Johanna Henry, instructor in the sixth, seventh and eighth grades.

Mrs. Fox's community mindedness does not stop here. She is cooperative in the Community Improvement Association and an able helper for her husband in his rural religious extension work.

MRS J. B. MOSLEY

Christian Community Through Better Rural Schools

A community worker of long experience, Mrs. Mosley came to S. C. I. four years ago interested in helping the institution meet the vital community problems that lay all about it. She centered her efforts in the Community Improvement Association.

The C. I. A. is an organization of rural school teachers and civic-minded citizens who live in a ten-mile radius of Edwards, Miss. It is interested in the betterment of rural schools, churches and homes through a vitalized rural school leadership. Mrs. Mosley accepted the difficult task of lifting community leadership to a sense of their responsibility.

For some time it was the way of the Cross. Doubt, fear and suspicion among the followers were the main hindrances. However, through the cooperation of a few stalwart souls she was able to achieve certain successes that served as demonstrations of what could be done through faith and cooperation.

Among the notable achievements have been the following: 1. a library
EDITORIALS
(Continued from page 4) placed in one school; 2. three schools painted; 3. a sidewalk laid at another rural school; 4. a study program launched on the purchasing of homes, credit unions, health and planned parenthood; 5. a recreational service for rural communities; and 6. an annual field day sponsored for all cooperating schools in the C. I. A.

Cooperation among the faculty members at S. C. I. and the loyalty of cooperating community leadership have enabled Mrs. Mosley to be rightly singled out as a true "society woman." Though she is particularly interested in the ongoings of the C. I. A. she also works side by side with Mrs. Fox in the P.T.A. and is cooperative in all efforts for community outreach launched by the school. She is a great help to her community-minded husband, Dean Charles C. Mosley of S. C. I.

News From Southern Christian Institute
By W. K. Fox
It has been some time since you have had a general word from the school. However, that by no means indicates that there have not been words to be spoken. It means that things have been spinning fast around here.

School Enrollment: Two years ago Dean Chas. C. Mosley was proud to announce a victory over an age-old problem confronting the college department of S. C. I.—the Southern Association of Secondary Schools and Colleges accredited the college department of S. C. I. Today his administration has achieved another victory—we are proud to announce that the 1945-46 school year saw the highest enrollment in the history of the school—500 students marched in her class rooms from 32 states! This is a record well worth being proud of. It excels the enrollment at Alcorn A. and M. College and other schools of its type in the state and in the South.

Of course, the war may have something to do with it, but we feel the interest of the administration and faculty in community outreach, increased publicity, a vital school program carried on by a competent faculty, improved school facilities and a rising interest on the part of the school in sports accounts for much of the increase. Undoubtedly, the growth of such factors will mean a student body that will soon be too large to be adequately taken care of. Already dormitory space is inadequate and an enlarged faculty is badly needed—but this is a sign of progress; let us flow with it!

Disciple's Ministerial Institute Highlight: There is a growing concern for making theory practical in pastor's schools. The Disciple Ministers School held at S. C. I. April 9-12 was no exception. The occasion was perfect and the demonstration beautiful. Tuesday evening, April 9th at 9:00 p.m. Eld. Patterson, pastor of First Christian Church, Mt. Sterling, Kentucky, was married to Miss Ruth Lillian Ratten, National Secretary of Women's Organizations. The Elder, Charles C. Mosley, read the sacred ceremony. The faculty of Southern Christian Institute and a select group of friends were in attendance. After the reception and a brief stay on the campus the newly-weds motored to Kentucky and eastward to New York for their honeymoon.

Disciple Minister's School: This year Eld. C. L. Parks again conducted the pastor's school with even greater success than last year. The following is a factual summary of the school:

| No. of churches represented | 16 |
| No. of members represented | 1,400 |
| No. of city churches represented | 4 |
| No. of rural churches represented | 12 |
| No. of rural members represented | 500 |
| No. of states represented | 3 |

(Miss., Ala., Fla.)

No. of men present | 9 |

Total number of ministers attending | 17 |

An able faculty was headed by Dr. Willard M. Wickizer, Executive Secretary of the Department of Church Development and Evangelism. Eld. G. M. Peery, state secretary for Mississippi, also gave his service.

New Extra-Curricular Activity: If you chance to be nearing our campus next school year and hear the rumble of the drum, the clang of the cymbal, the crying of the clarinet and the slide of the trombone, just make up your mind its The Ratten Rhythm Ramblers on the march. Prof. James Ratten has organized a school band. It promises to approach Alexander's at his best. It will furnish a new outlet of expression for a large group of students who attend our school and will inject school spirit into competitive activities.

Second Annual Field Day: Under the leadership of Mrs. J. B. Mosley and Prof. James Ratten the Community Improvement Association sponsored the second annual Field Day April 27th. Ten rural schools participated. There was singing in groups, in quartets and in solos; there were spelling matches, orations and a poster contest; there was running, jumping and throwing—and then there was eats—good eats! It really was a field day. When all was over but the counting of the scores, there was a tenseness in the atmosphere of the auditorium akin to that found in an arena where a rousing good fight was being decided on—then the awards were gradually given out. The result—S. C. I. Community School the winner in a grand walk-away. In the rear of the room broad smiles stole across the faces of "Coaches" R. M. Fox and Johanna Henry.

Summer School: In an effort to serve as many teachers and service men who desire continued education, Dean Mosley is announcing that summer school begins May 28th and continues through June 29th. Summer School this year will be in the form of a work-shop. Outstanding lecturers will appear during the session to give talks and demonstrations. The school will also be enriched by field trips of various types.

School Bus Arrives: Our beautiful new blue and white Ford school bus, with a seating capacity for at least 40 persons is here! It is another achievement of President Long's that greatly improves the program of the school. The exact nature of its wide use has not yet been fully determined. But it is certain that it will be a great asset to the teaching program as well as the publicity of the school.

End of Regular School Term: Everybody can feel it coming: the weather is hot and balmy and it's very hard to study; there's a practice for this play at four, a banquet at eight, and a term paper to turn in in the next two days; there's a practice for that ski tomorrow and preparation for the All-School picnic on Saturday—you just don't seem to have any time to read your science text—then you know what time it is when you're nearing the end of the regular school term. This is the picture at the moment as the various clubs and organizations give their final affairs of the year.

"Y. W." Retreat: April 15th the Y. W. C. A. gave its annual retreat for the total student body. It was

probably more lively than ever be-
fore because young men from the
Y. M. C. A. had been invited to par-
ticipate for the first time. In a day
of informality and fellowship, fac-
ulty leaders and students sought
through the problems of being Chris-
tian in this atomic age. Mrs. Mosley,
advisor to the Y. W. C. A., stated
that she felt that the venture was
an exceedingly fruitful one this year.

Ministerial Association Banquet:
April 25th at 8:00 p.m. the Minis-
terial Association sponsored a ban-
quet with the faculty and the asso-
ciates and their company as guests.
Eld. I. C. Franklin of Port Gibson
delivered the banquet address on the
subject, “And What Shall We Get?”
He stressed the intangible rewards
of the ministry. The banquet was
a partial climax to a program which
included directed study, the sponsor-
ship of prayer service, rendering of
dinning hall devotions, field trips
and experiences in various types of
Christian leadership.

All-School Picnic: The annual All-
School picnic was held May 4th.
Fun and fellowship was coopera-
tively enjoyed by teacher and stu-
dent. A feature of the sport pro-
gram was a ball game between the
students and faculty.

True Vine Christian Church
Paris, Texas
REV. H. G. SMITH, Pastor
MRS. M. O. NELSON, Clerk
I would like to tell about our
Easter Service of True Vine Chris-
tian Church. The Missionary So-
ciety observed the Easter week of
prayer by having prayer meeting
in the homes of the shut-in mem-
bers of our church who were unable
to attend church on account of old
age, and they had been faithful in
attending all services of the church.
And how happy it made them feel
as we sang and preached and read
the Scriptures to them their hearts
rejoice to overlap with praises to
our Heavenly Father. Then at night
we had service at the church with
the pastor in charge of these ser-
vice and our hearts burn within us
as he spoke about the death, burial
and resurrection of our Saviour.
Then Sunday we had our early sun-
rise prayer meeting and we were
very happy over our large attend-
ance at such an early hour. Sun-
day School was at its best; very
nice attendance at Sunday School
and the 11 o’clock service, and the
pastor gave us a powerful sermon.
We had an Easter egg hunt for the
children of the Sunday School which
they enjoyed very much. Then at
night we had our Easter program
conducted by Mesdames Earlue Nel-
son and Mrs. A. B. Chedgeworth,
which was excellent and enjoyed by
all to the highest. We had a large
crowd. Mrs. Earlue Nelson made it
her duty to see just how many people
she could invite or entice them to
attend our service on Easter and
she was really successful. She in-
vited young men and boys that didn’t
belong or attend any church and
through their splendid work we had
a large crowd of them and we were
made to rejoice at our night service
because two young boys united with
the church for baptism and Sister
Ella Johnson placed her membership
with us. And also joined the Mis-
sionary Society as well as her
mother. They were members of
Shelton Hill and have moved here.
We were very glad to have them.
Bro. R. C. Paige, State Evangelist,
was with us for two nights, April
24th and 25th, and preached two
wonderful sermons. We were very
proud to have him with us and we
feasted again over those good able
sermons. On Wednesday night we
had baptizing. We extend our pray-
ers and best wishes to Bro. Paige
to continue on in his good work for
the Master. I would like to extend
my deepest sympathy to the family of
Bro. Will Hurdle who was called home
a few weeks ago. I commend them
to look to the Lord for comfort. I
know just how they feel because
almost two years ago I lost my
brother, L. H. Crawford, and I look
to the Lord for comfort and strength.
We call upon the Lord in the time
of distress and He will help us.
May we look to the Lord.

I must mention the excellent serv-
ience that was rendered by our choir.
We have a very good choir. Bro. G.
W. Nelson director, and Sister Wil-
lie Sue Anderson, pianist.

College Addition

REV. L. E. JACKSON, Pastor
MRS. RUTH P. JACKSON, Reporter
The College Addition Christian
Church presented a pageant, “Mis-
sion Voices,” Tuesday night, April
16, with Mrs. Ruth Jackson, sponsor.

The pageant was composed of
members from ten different neigh-
boring churches and each group rep-
resented a virture of Missions. The
pageant was followed by a spicy
program from a representative of
each group.

Churches participating were: Col-
lege Hill Circle No. 1, Mt. Nebo
Baptist Church, Hairs Tabernacle
(Methodist), College Hill Circle No.
2, Friendship Baptist Church, Col-
lege Hill Circle No. 3, North Jackson
Christian Church, College Hill Cir-
cle No. 4.

Dear Editor of the Christian Plea:
I wish to say we had hoped to
have started on our church building
before this time. Our pastor rep-
ported to us a few Sundays ago that
there was a little hitch on getting
some material. We trust that it
won’t be but a few days before we
start on our building. I am still
blessed receiving funds for this Me-
orial Church. There was sent to
me a few days ago by the Boat-
right family of Los Angeles, Calif.,
fifteen dollars. I feel very grateful
to them for this token. My husband
was their Pastor at Pearidge Church
when they lived in Arkansas. Not
long ago Mrs. Rosie Page Welch
from Chicago sent me a nice token
of $5.00 for the church. We think
this is very fine in her. May all
these live long that do great work
for the Master. Please find en-
closed $1.00 for the Plea. Mrs. S.
P. L. Bostick, Elder Tabb, 50 cents.
Rt. 2, Box 18, North Little Rock,
Arkansas.

Our Easter program was very suc-
cessful. We raised $11.00. The
adults and the young people had a
joint program. Several nice papers
were read, Mr. and Mrs. Mother-
shed and Mrs. M. Moore. The
president, Mrs. Hall, read an inter-
esting chapter of John—29th chap-
ter, 1 through 20th verse, which
gave women to know there is some-
(Continued from page 6) thing wonderful they can do for the Lord's work. I am not in the best of health at this time. I ask your prayers.

Respectfully yours,
Mrs. S. L. Bostick.

P.S.—Please publish every line I write. I have been sending my article to the White Christian paper lately, Little Rock, Ark. Our new President of Missions is doing fine with the work at this place.

New Church At Mt. Sterling, Kentucky

High Street Christian Church, Mt. Sterling, Kentucky, have completed plans for the erection of a new church building. The church held a meeting with the entire church March 20th, 1946, and thus voted to erect this structure on the church lot near the beautiful parsonage located at 405 East High Street.

The church at present is now located downtown in the business section of Mt. Sterling. If the new building is erected in this new community it is felt that it will become even more effective in the life of the community.

The High Street Christian Church congregation is approximately 80 years old with a membership of about 400. Elder Eugene Patterson is the minister along with the fine church board and congregation who is projecting this work. Elder Patterson has led the church a long way in spiritual strength as well as financial strength under his capable ministry here.

REV. F. C. CARREY, Pastor
MRS. M. HILL, Secretary

Let us keep in remembrance these words, Keep yourselves in the love of God, looking for the mercy of our Lord Jesus Christ unto eternal life. Jude 1 Ch.: 21 Verse.

We are thankful to say our Sunday School Superintendent, Mrs. A. V. Stockton, Bible School Department held its special program and its emphasis given to its significance. On Friday evening at 8 o'clock special service was held climaxing the week of passion. Sermon was brought by our minister on the Seven Last Words of Christ on the Cross.

Easter Sunday morning from 5 o'clock to 6 o'clock A.M. a sunrise service was held in the sanctuary of the church. The Women's Missionary Society and the Bible School Department planned a most inspirational worship center using candle light.

Mrs. Eugene Patterson was leader of the sunrise service. At which time the pastor brought another message, Go tell the Brethren.

Promptly at eleven o'clock the sanctuary was filled to capacity for the morning worship. Special music was rendered by the choir under the direction of Mrs. Strother Grubbs with Mrs. Strother Prewitt at the piano. A soul stirring message was brought by Rev. Eugene Patterson, subject "The Proof of His Resurrection." One addition was made to the church, otherwise, with fellowship in this congregation. The Lord's Supper was observed with special emphasis given to its significance.

At 7:30 P.M. the Sunday School Department held its special program for the observance of Easter. A most effective program was presented by Mrs. A. V. Stockton, Bible School Superintendent.

Total offerings for the whole day were $107.60.

Tillman, Miss.

On April 4th, 1946, the late A. C. Williams of Port Gibson, Miss., laid down the burdens of this life, and went to rest. He was laid to rest Wednesday afternoon, April 10, at Pine Grove Cemetery.

He joined the church at the age of 14, under pastorage of the late Elder G. T. Trevillion in 1885, where he was brought up in Bible School.

He was made deacon of church in early life and served faithfully. He then was ordained Elder, where he served in this capacity until death. He also served as Secretary of Bible School for District I and of the Church Aid for a number of years.

He was elected Secretary of State Convention of the Brotherhood in 1944.

What he will mean to his widow and loving children cannot be expressed in words.

Miss Sadie Shafer served as mistress of ceremonies. Mr. Rance Gains sang his favorite song, Mrs. Louise Trevillion sang a solo. Elder Spencer preached the memorial. The funeral was conducted in the Pine Grove Christian Church of which he was a member.

He left a devoted wife, two daughters, three sons, one brother, several grandchildren, and many relatives and friends to mourn.

The Port Gibson District No. 1 Church School Quarterly Meeting was held with the Providence Christian Church School, April 27-28, 1946.

Brother Taylor Jackson was the president. The weather was beautiful and the attendance was many. Elder Dan Brooks delivered to us a wonderful sermon. From John 11:15, And "I was glad for your sake that I was not there, to the intent ye may believe." Christian Endeavor period. C. E. Chambliss was the presider. Mrs. B. E. And he said unto them, be not affrighted: ye seek Jesus of Nazareth which was crucified; he is risen; he is not here; behold the place where they laid him. St. Mark 16:8.

We can truthfully say that the Spirit rides high, on Easter Sunday as we praise the risen Saviour. Our pastor, Rev. W. F. Keyes, preached a soul stirring sermon. Subject: A True Fact Proved, tell it everywhere you go. St. Mark 16:7.

But go your way tell his disciples and Peter that he goeth before you into Galilee, there shall ye see him as he said unto you. He explained that every Christian must go into the highways and hedges and tell the unsaved that Jesus is ready, willing and able to save from sin. Fourteen precious souls were added to the fold. Sunday, April 28th, we enjoyed a sweet fellowship with the pastor, Rev. Whitfield, and congregation of the Mt. Olivet Christian Church of Baltimore, Md. Four buses escorted them into New York. Rev. Whitfield conducted a five-night revival meeting. Each night the gospel was preached to its fullness. On Easter Sunday afternoon the Bible School rendered a program and many young pupils participated with solos and recitations. We are asking the prayers of the Brotherhood that we may do more work for the Lord.

To Editor of the Christian Plea:

The earth is the Lord's and the fullness thereof; the world, and they that dwell therein.

On Sunday, March 10, the interior of our church was destroyed by fire. The Lord gave and the Lord hath taken away; blessed be the name of the Lord. Job 1:21. We have not missed one Lord's day in giving service in prayer and adoration to His holy name for the wonderful blessing He bestows unto us. As the foundation and basement and walls were left standing, therefore we were able to continue to worship in the basement of the church. Although at times the weather was very unfavorable we resisted the cold and pressed forward, having one service on each Lord's day. On April 7 the pastor preached a stirring sermon on the subject: Rise up ye careless. We had two to join our band. In the afternoon Mrs. Sarah Johnson, President of Pastor's Aid, had a nice program. We were out on Palm Sunday to get another spiritual feast, and there being no night service the members went to pastor's home and gave Brother A. B. Washington a surprise party in honor of his 66th birthday. Easter Sunday we had sunrise prayer service in the auditorium of the church which is being rebuilt. At 11 A.M. our pastor gave us the message on the Risen Christ. At 3 P.M. the Sunday School was out in full bloom to play their part in the Resurrection of Christ. The program was fine under the Supt. A. B. Washington.

The 4th Sunday was Missionary day—always a high day. At 11 A.M. Rev. Brown, the Chaplain from Camp Killmer, preached for us a very good sermon which was enjoyed by all. One came forward for baptism. At 8:30 P.M. the first night service since March 3rd was preached by Elder George Edwards for the Missionary. The spirit of the Lord ran high in our devotional service before preaching, therefore it did not take much wood to keep the fire burning in our hearts. God bless Elder Edwards, whom God raised from a sick bed and bid him to preach his gospel. We have one on the sick list—Sister Rachel Kelly. May she soon recover. On the 24th our pastor's little son, William G. Tillman, celebrated his fourth birthday with a party. There were about 14 to help him celebrate, also guests from New York. He was promoted from the Cradle Roll department to the Beginners class last Sunday. He is a regular attendance scholar. May God bless William G. Tillman that he may live to be a great boy in the Sunday School. We still are asking for aid to rebuild our church. We need $2,000 to help complete the work. Asking the prayers of the Brotherhood.

**Clay Street Christian Church**

*By Oscola A. Dawson*

The Roland Hayes' Recital on March 1, sponsored by the Clay Street Christian Church, was an outstanding success, financially, culturally, and in many more ways than can be mentioned. The church cleared more than $800, which is evidence of its financial success. The cultural benefits of the concert can be clearly seen from the following article which appeared in the Paducah Sun Democrat, Monday, March 4:

"**CONTRAST**"

"Last Friday more than 100 persons—all Negroes—were under arrest in Columbia, Tenn., as the result of an outbreak of racial feeling that had already led to the deaths of two men and the shooting of two others. Reasons for the trouble are obscure, but there is obviously something wrong in Columbia.

Last Friday night a capacity crowd gathered in the Lincoln high school—a Negro school—auditorium at Paducah. It was a mixed audience; several hundreds of whites were present. White and colored alike enjoyed in complete accord and without self-consciousness, the singing of one of America's finest voices, that of the noted Negro tenor, Roland Hayes.

By contrast with Columbia, there is something obviously right in Paducah. Colored citizens here knew they were presenting a great artist in Roland Hayes, and unsellishly they invited any whites who desired to attend to do so. The result was pleasure for all who were on hand. But there was another important result. For the occasion demonstrated, as has been demonstrated before by so many instances of mutual interest in matters religious, civic, educational, and artistic, that the things that appeal to men's minds and spirits have no relation to color."

But friends, it seems that joy and sorrow either accompany each other or follow very closely behind. On March 3, just as the church was in the midst of its rejoicing over the success of the Roland Hayes' concert as well as over its other accomplishments, a discordant note was struck. Elder Jackson, who had successfully pastored the church for..."

four years tendered his resignation. Elder Jackson accepted the pastorate of the Romine Christian Church in Dallas, Texas. This was a great shock to us all. While serving as pastor, Elder Jackson made a very enviable record. Among the many ways in which appreciation for his service to the church and the community were expressed were: a banquet given by the church in his honor, at which he was presented many gifts, including a book of Testimonials; and a community wide program, sponsored by the Interdenominational Ministerial Alliance, of which he was president. Elder Jackson's services will be missed by the community as well as by the church.

Since Elder Jackson left on March 17, Elder Winston, pastor of the Seventh Day Adventist Church, has been preaching each Sunday.

On Wednesday night, April 15, the church rendered a Missionary Program at the Northside Methodist Church (white). The church has attempted to become more effective in bringing about a better relationship between the races here in this city.

The church asks the prayers of the entire brotherhood that God in His own time will send the right kind of leader.

**Tribute to Elder H. Earl Jackson**

By OSCOLA A. DAWSON

Paducah, Kentucky

I am very happy to pay tribute to whom tribute is due while the person is alive and can enjoy it. Too often, we wait until the grim monster, death, claims our friends before we are able to evaluate their sterling qualities. They go along life's way with us; we sense their presence and are soothed with their companionhsip, but rarely we cast a searching analytical gaze in their direction in an endeavor to divide those hidden excellences which give us pleasure.

So, I am happy, readers, to attempt to pay tribute to Elder H. E. Jackson, who for four years gave unstintingly of his service to the Clay Street Christian Church at Paducah, and also the community. In him is to be found example of the life that is really and truly worthwhile.

"For the life worthwhile cannot be measured by earthly gain a man has treasured; but by what he has done to lighten another's load — his dark skies brighten."

The life worthwhile is not achieving what men call greatness and receiving human applause, but freely giving that others may have joy in living. The life worthwhile is freely spending.

For other's good so at life's ending the world may be to you a debtor because you lived to make it better."

As we reflect upon the accomplishments of the Clay Street Christian Church, we become aware of the sense of obligation which we owe Elder Jackson. He, in the face of great difficulties, during his pastorate here, has caused the following accomplishments to be made:

1. Paying of a $3,400 building debt.
2. Church cleaned and redecorated.
3. Financial system reorganized.
4. Parishioners redecorated and furnished.
5. Various auxiliaries reorganized to do more effective work.
6. Formulated a recreational program for the church and community.
7. Contributions made to the cultural life of the community, through the presenting of such artists as Southerners, George Matthews, Rosa Page Welch and Roland Hayes; such speakers as President R. B. Atwood, Mr. Eppse and Miss Jamison.
8. New furnace installed.
10. Church became active both in state and national work.
11. Addition of 46 persons to the church.
12. Church now has more than $1,000 in treasury.

Elder Jackson's services did not end with the Clay Street Christian Church, but rather extended throughout Paducah. We have found him not only teaching and preaching in the church on Sunday, but rendering service along all walks of life — we have found him at the bedside of the sick and the dying, we have found him speaking words of comfort to the bereaved, we have found him encouraging the fallen to pick themselves up, we have found him behind prison walls giving words of encouragement to the unfortunate prisoners. To the youth and adults of this city, he has been constant living lessons, for he has preached and taught not only by precept, but by example as well. I feel that throughout Paducah, Elder Jackson has made friends who not only know him, but love and honor him. The people of Paducah know of his service. It is true that a man's works follow him when he dies, but it is equally true that they accompany him while he lives.

It is a thousand pities that Elder Jackson has left Paducah. Yet, there comes a time in every man's life, when he must take stock, when he must estimate losses, evaluate gains and criticize existing plans and objectives. I am sure this is what Elder Jackson has done and has arrived at his conclusion of heading the call to a higher service. I realize the way has often been hard here for this great pastor, but his works have been tested by fire, and,

"Unhasting his reward approacheth. Behind the mist of tomorrow stands his throne made ready. His place is prepared for him. In due time he shall occupy it and all the world will consent. Destiny makes no mistakes, it is not blinded by fear or favor. Every man shall receive his penny. The Great Shepherd never loses a sheep. In his closet will be clothes enough, in his pantry will be food enough, in his bank money enough, and in his acquaintance, friends enough to last him as long as he is needed in the world. His own will surely come to him. It is on its way. It is stepping surely down from the future and one day will open the door of the Present and come in. And Elder Jackson will be satisfied."

I trust that every year spent in traveling the journey of life will bring to this good man the blessings he so richly deserves.

We are glad to have the privilege to send our news to the Christian Plea.

The Building Fund Club of Mt. Pleasant Christian Church sponsored a 60-day rally which began the 4th Sunday in February and ended the 4th Sunday in March. The purpose of the rally was to pay the mortgage of the church and we were very successful in reaching the goal. We raised the sum of $264.00.

ended a 10-day union evangelistic service in conjunction with the three Methodist churches. The four choirs sang together and the meeting was really worth while.

We have a very effective Interdenominational ministers' and officers' alliance here in our city and we are tackling all kinds of evil wherever we find the need. We also have a community chorus which brings the choirs of our churches together monthly. We are thanking God daily for the loving care and thoughtfulness of our people in raising my salary and keeping our pension fund alive.

Last year I was very near the "river"; this year I am trying to make up for lost time; am praying for the closer unity of our brotherhood and the success of our convention this year.

April 11, Thursday at 8:00 P.M. We began our Educational Programs with a Book Review by Mrs. S. M. Pernetter. The book was "African Journey" by Mrs. Paul Robeson. Mrs. Pernetter proved herself an artist in reviewing this wonderful book. Dr. C. H. Durden, the President of the Baptist Ministers Union, offered the prayer. The Pipkin School Choral Club, under the supervision of Prof. Wineburg, furnished the music, of which the very efficient Miss Emmons Grogan is principal. Preceding Mrs. Pernetter, Mrs. Grace Williams sang "Go Down Moses" which set the house in order for the review. This book review had a new meaning for the writer, since it was purchased with some of the money given the writer as a Christmas gift by Dr. and Mrs. S. M. Pernetter.

April 14, Mrs. Otherie Cozier and Gospel Chorus of Liveoak Baptist Church gave a program of Negro spirituals and old favorite hymns which was enjoyed by all. Mrs. Cozier is one of Beaumont's outstanding musicians with a great voice and has one of the best Gospel Choruses in the city.

The church was the recipient of a beautiful antique hard carved mahogany pulpit chair valued at $150 given by Mr. Charles Young. Mr. and Mrs. Young enjoyed their twenty-fifth Anniversary March 9; they received $115 in money and over one hundred presents; they received a large silver stand platter, and silver candle sticks which cost $65; two individual butter spreaders. Mrs. Young is quite liberal with her church, so is Mr. Young. God blesses a cheerful giver.

Thursday, April 18, was Holy Communion Night. The writer preached, as Rev. O. C. Jacobs of Jarvis Christian College was delayed until Friday morning. We preached from the subject the "Pilgrimage to the Cross." Two young ladies united, making our candidates seven for baptism.

Mrs. Arah Garrett arrived Friday morning to spend Easter with us and to speak to the Missionary Society. Mrs. Garrett is State Missionary President, also a sister of the writer. Her visit proved a God send as she furnished the music for Easter as both our musicians were out of the city for Easter.

Rev. O. C. Jacobs arrived Friday morning in time for our Good Friday prayer service and to be with the Missionary Society when Mrs. Garrett delivered her message which was filled with inspiration and information.

Rev. O. C. Jacobs preached a great sermon Friday night to an appreciative audience. Rev. Jacobs has recently been discharged from the army where he served as an assistant chaplain. He has now entered Jarvis for future study.

Saturday Mr. and Mrs. Ira Caldwell, also the twins, Mrs. Lola Jones the mother of Mr. Caldwell, and Miss Lulu Smith the aunt, had Mrs. Garrett, who was a school mate at the S. C. I. of Mr. Caldwell, Rev. O. C. Jacobs and myself to a delicious dinner. Mrs. Caldwell is one of those rare culinary artists who can't be beat, when you turn Cecille loose in the kitchen "enough said," for the meal will be fit for a Queen's taste.

Easter morning we reached our climax, the church was beautifully decorated with a profusion of flowers, Dr. and Mrs. S. M. Pernetter sent gorgeous Easter lilies, Mrs. Arah Garrett furnished the music. We had for the Meditation, Crucifixion played and sung softly by Mrs. Garrett. Rev. Jacobs' baptismal sermon was a masterpiece.

The favorite old baptismal hymn, "There Is A Fountain Filled With Blood," was sung as the seven candidates were baptized, ranges from the ages from seven to eighteen. We now have a group of young people...

in the church which we are praying we may be able to hold. For Communion “Calvary,” the Negro spiritual was sung by the congregation, Mrs. Garrett leading.

Mr. and Mrs. Charles Young had the three of us to dinner in their palatial home. There they served Bro. Jacobs, Mrs. Garrett and I to a delicious repast in solid silver service. The first time such privilege was mine to eat from full silver service.

5:20 P.M. Mr. and Mrs. Ira Caldwell came to take Mrs. Garrett to the train on which she had to return to Granger, Texas, as she is employed as one of the city teachers and had to on duty Monday.

Rev. Jacobs preached his closing sermon Sunday evening at 8 P.M., which indeed was a masterpiece. Everyone is loud in their praise of this young minister.

Our finance turned out very satisfactory. Our Missionary offering $13.50. We raised in our Bible School $13.02 of which we sent to Unified Promotion. We gave Bro. Jacobs $30.00 for his service, not that we felt we paid him, for it was indeed a great favor to have him with us.

Thursday, May 2, Mrs. Eliza Davis George, a returned Missionary of the Baptist faith, who has spent thirty years in Liberia, was our guest speaker. The house was filled with Baptist women. One thing about

ELDER R. L. PETERS

Elder R. L. Peters, our National Evangelist, of Winston-Salem, North Carolina, is currently packing them in at the beautiful Mississippi Boulevard Christian Church, Memphis, Tennessee.

He told the Editor of the “Plea” that he was flying to California to help Elder C. L. Arnold after closing here.

Baptists they love their own and support their own. We had a great time. Your humble servant decorated the church beautifully. We gave Sister George $10.00. A large colored map of Africa and a Negro History by Mr. Merle Eppse, to send to Africa the school she started over there.

Housewives' League and for four years held the office of Basileus in the Memphis Chapter of Alpha Kappa Alpha Sorority; also served as Southern Regional Chairman of National Non-Partisan Council on Public Affairs of Alpha Kappa Alpha Sorority for two years.

During the 5th War Bond Drive, she received a great amount of praise and recognition from her sorority and citizens of Memphis for selling over $106,250.00 worth of War Bonds. This was not her first opportunity to prove her saleswoman-ship to the people of Memphis, for immediately after her college graduation, she entered a “Subscribers Contest” given by the local newspaper and was first prize winner—the gift being a Studebaker Commander Sedan.

Mrs. Kelso has always been an ardent Bible student, having been placed in Mt. Herman Seminary at the age of 6, where the Bible was taught daily. Since that time she concentrated on studies in Religion during her college days at Fisk—also assisted as organist for the Church at Alexandria, La., during her seven years residence there.

Founders Day Program
May 12, 1946

Topic: “Religion and the Christian Woman in the Home.”

It is fitting and proper that we celebrate this Founder's Day Program on Mother's Day. Out of respect and honor to her, to whom the world owes all, this day has been dedicated. Her self-sacrificing love and devotion can never receive its full recompense. She is our greatest heroine and possesses that beauty of character which makes for finer womanhood.

There should be something in everyone's life greater than achievements, grander than wealth, higher than genius, more enduring than fame.

Men and nations cannot depend on education, culture and the refining influences of civilized life alone. For character is the one power in the world that will make itself felt. It will demand influence and it will secure respect.

Abraham Lincoln and Thomas Edison often paid tribute to their respective mothers because of their high ideals and the training transmitted to them from their teachings. They lived in history, for their devotion to duty, unselfish aims and consecrated lives.

Woman can have pleasure—but the fact is she must not go so far as to reflect on her mission; neither must she stand aloof, shunned, because of her reserve.

Real charm of manner, inclines all hearts toward its fortunate possessor.

When we remember we live in deeds and not years; in thoughts and not breaths, there comes to us a knowledge that a woman must perform those deeds and think those vital and clean thoughts which elevate her above the glamour of evil pleasures. She must stand firm; she must be Christian! The good society still awaits good men and good women.

Life is a barren desert, over which humanity stumbles to get to some goal it knows nothing about. Why we travel, whither we are going, from whence we came, we know not. We only know we are here and that is the sum total of all our knowledge.

In Christ man finds the truth. In science he finds the means to realize the truth.

High standards of living begin above the collar and not below the belt. We must try to sell our companions the delights of the mind and spirit and make them understand that “One on God's side is a majority!”

There has been a lot of muddled thinking about what religion is. We seek happiness in possessions, power, material goods, but what a sorry plight it has let us into: poverty, misery, death, disease, war, the killings of our inner beings.

The Church is not perfect—yet it is the only institution in the world that gives us information how to live religiously in this world and enter into the joys of the Lord, in the world to come.

If civilization needs Christianity and the home is an ally—then civilization needs the home; not the home where paganism prevails, but the home where there is spiritual insight—in which spiritual achievement is given the place of highest honor.

The Church woman's home is her laboratory for Christian living. It is the testing-ground of her religion! A decent home contributes to society, pride, thrift, honesty and integrity.

Every forward movement has been prompted by women. They started the Anti-Slavery Movement. They put the Prohibition Amendment in the Constitution, although men have had it repealed. They constitute the moral force which moves the world!

Why do we enjoy church? It isn't what one gets out of it, but what one takes into it. We turn to church because we feel ourselves in great communion with millions of others all over the world.

Some ministers of today are not fountains of Eternal Truth, but if we will submit and relax in their church, we'll accomplish; for the church is to be thought of as the “group of the Friends of God,” doing His work for Him and living out His love. So—religion is simply faith in something great, belief in one God who is the intelligent ground of the universe; being morally conscious enough to distinguish between good and bad.

Creeds are abstract and formal and no one faith can ever embody the truth of religion—for religious faith (a vital faith) lives only in PERSONS whose spiritual nature it has awakened and whose idealism it has challenged.

A real person is not egocentric. He has objective interests, and cares for other people for their sakes—and as Jesus said, he finds life by losing it.

We will always have the cynic: those whose breathtaking struggle is to escape being called stupid!

He cries—“Oh Lord, save me from the consequences of my good work!” Why be consigned to that “longed-for-by-some-place” (Heaven) as a reward? I don't like milk. I don't like honey. I hate robes (long or white). I don't want silver slippers and golden streets, and can't sing in any choir! How would I converse with Abraham, Moses or Peter? My question to Noah could be, Why are you just letting the New Negro out of the Ark? How can I call a man 5,000 years old—just Moses? Oh me! I hope they'd give be a handbook!

However, in view of what has happened during the past five years, we know Christianity has proved its worth. The United States has testified by her deeds, that the brotherhood of men and the welfare of the

downdrodden is her chief concern.
Today—we pour our food, money
and love on the unfortunate of the
earth.
Let us not forget that the reason
for all this charity is—that all in-

The Golden Rule must be applied

At present the church has grown
to a membership of 350 and aside
from the Bible School, has the fol-
lowing active organizations: Mission-
ary Society, under the able leader-
ship of Mrs. Katie Yarbrough;
Christian Youth Fellowship, Prof. J.
A. Swazy, President; and Unified
Youth Group, Mrs. Mildred Riley,
President, Miss Lucille Rhine, Pi-
ianist-Director of the Juvenile Choir
had four objectives in mind when
she organized the Juvenile Choir in
1943. The objectives to be realized
were: (1) to create a love for sing-
ing; (2) to discover talent; (3) to
create a love for service; (4) to in-
crease the membership. The Juve-
nile Choir has sponsored three Ves-
sion services, two Harvest Day serv-
cives and a "Ten Virgin Pageant,"
besides furnishing music for other
occasions. A beautiful Loving Cup
was won by the Juvenile Choir in
October, 1944, for their singing and
attendance at St. John Baptist
Church.
Prof. J. A. Swazy is Music Di-
rector of Senior Choir and the choir
finds it difficult sometimes to fulfill
the outside requests for music.

Following Founders' Week, the
Mississippi Boulevard Christian
Church, Memphis, Tennessee, started
a two weeks revival, with Rev. R.
L. Peters, National Evangelist, con-
ducting the services. This was in-
deed a spiritual feast as all souls
were revived. Each one seemed to
feel the sincerity and spirituality as
they came in contact with this God-
fearing man. Twelve were added to
the church, during the two weeks
revival. Among some of the sub-
jects taken during revival were:
"The Eternal Life Insurance Com-
pany," "Come Let Us Reason To-
gether," "Four Men's Job," "The
Pentecostal Power," "Spiritual Sur-
vey," "Christ Seeking Sinners,"
"Come See a Man," "The New
Birth," "Why I Am a Christian,"
"As an Eagle Stirreth Her Nest,"
"Dry Bones in the Valley." "Back
to the Book" is his slogan. We
were all determined to be evangel-
ostic, not in word only but in every-
thing which we do.

Federal St. Church of Christ
ELDER F. T. BARNETT, Minister
MISS F. O. WALKER, Reporter
The West Federal Street Church
of Christ, Youngstown, Ohio, served
by Elder F. T. Barnett, has taken a
decided step in the right direction.
For the past six months we have
projected a vigorous campaign to
raise $6,500 towards the purchase
of a home-church, and we are hap-
py to say that our fondest dream is
being realized. We have obtained a
loan from the Board of Church Ex-
tension—this loan together with gen-
erous gifts from the Ohio Society
and from local white churches of
Christ have enabled us to purchase
an $18,000 house of worship con-
taining a magnificent pipe organ.
We are closing the deal on June
10th and expect to move in by June
16th. Dedication will be sometime in
July.
There has been a constant growth
in attendance and the Lord's work
is advancing.

Mississippi Speaks
G. W. WALL
Dear Editor, I am coming again to
say a word through the Plea as I've
tried in the past but I guess my note
failed to get in. Well, since I am
more concerned about the church
than popularity I believe we as
Christians should know more about
the church of Christ. It is not
enough to say I am a member of
the church of Christ with no evi-
dence. Why you should be able to
say because it's the only one I find
in the Book with Christ as author,
Matt. 16-18 and 19 and not that
alone but this, he established it and
it became known on the Day of Pen-
tecost, Acts 2:38, first known in
America, 1823, which makes it 122
years old in this country. By Alex-
ander and his son Thomas Campbell.
Not numbered among denominations,
known only as the church or Body
of Christ, I Cor. 12-13, Gal. 1-18, He-
brews 12:23. Search the Scripture
for in them ye think ye have eter-
nal life, John 6:29 also 17:3.

There are many other Scriptures
on this subject. I deem it not nec-
essary to mention but it is good to
know something for yourself and not
depend on someone else altogether.
Never use the term our Sister
Church as the church of Christ has
no sisters but it has a mother, Gal.
4:26. Jerusalem which above is Free
which is the mother of us all.
Board of Church Extension Helps Negro Churches

The Norwood Christian Church of Dayton, Ohio, and the West Side Christian Church of that city have entered into a contract whereby the present West Side property is to be sold to the Norwood Church.

The Norwood Church has experienced such growth in recent years that its present property is entirely inadequate. E. W. Wilbert, minister of the church, is leading the congregation in this building project.

The West Side Church plans to build in a new and developing section of the city. Keith McNeil is the minister.

The Robbin Street Christian Church, Covington, Kentucky (H. C. Poston, minister), recently dedicated its new sanctuary. A. F. Wickes of the Board of Church Extension served as advisory architect.

On April 29th the ministers of the Greater Cincinnati Area held their regular meeting in the sanctuary of the Robbin Street Church. All were enthusiastic in their appreciation of the utility and beauty of the new church.

The Robbin Street Church, the churches of the Greater Cincinnati Area, and the Board of Church Extension are cooperating in the development of an adequate financial program for this work. William T. Pearcy, Treasurer, represented the Board of Church Extension at the April 29th meeting.

"Information, Please"

Borrowing of money is one of the most important steps in the life of a church. A wise official board obtains complete information about all the factors involved in any proposed loan.

Here are some questions to ask about any loan:

WHAT is the interest rate?
Church Extension interest charges are 4 1/2 per annum.

WHAT becomes of interest paid?
Church Extension earnings go back into the work of the church.

WHAT are the charges for extras?
On a Church Extension loan, the only costs, exclusive of interest, are abstract continuation and recording fees. The borrower pays no commission; no fees for application, or abstract examination. When a loan is closed by a Board representative, no closing fee is charged.

WHAT penalties are assessed if the loan is repaid before due?
Church Extension assesses no penalties for pre-payment, places no limitation on the amount of prepayment permitted, and fixes no dates upon which such pre-payment must be made. When a church makes larger payments than those agreed upon, it receives the full benefit of such payments from the date received.

DOES the lender understand churches and their problems?
Since 1884 Church Extension has been a brotherhood organization dealing ex-

(Continued on page 5)
(Continued from page 4) exclusively with churches.

As a leader in your church, you should ask the leader for “Information, Please” about your proposed church or parsonage loan. Asking questions will save you money as well as prevent possible disappointment. Further information regarding Church Extension loans may be obtained by writing to R. H. Sheaf- for, Assistant Treasurer, Board of Church Extension, 222 South Downey Ave., Indianapolis 7, Indiana.

“Good News From Youngstown, Ohio”

F. T. Barnett, Sr., Minister

The Federal St. Church will give $150.00 to our National Convention in N. Y.

It is not clear in my mind why some churches are lucky enough to make a headline in our “Christian Plea” while others cannot get a write-up. We have tried in vain to have our brotherhood public to know some of the things that we are doing aside from giving $100.00 to the National Convention, say nothing about the $150.00 they asked us to raise this year. I told my people a portion of this sum was for the support of our Christian Plea, which has not represented us, and of all vegetation they gave me tomatoes; and why shouldn’t they? For this alone the subscriptions have reduced 50 per cent. It is heart breaking to me for if there is any one thing that I want to see alive in our brotherhood it is “Good News.”

Since you read our news last, great things have been done. We have raised $9,000 together with our good white brethren of Ohio. Our church will be the first church of any kind to receive a grant from the board of Church Extension. We received a $1,000 grant and a $8,000 loan and now ready to purchase the beautiful Lincoln Avenue Church beautifully equipped with pipe organ and all church facilities, at a total cost of $18,000, over half of which has been raised and paid with clear receipts. Mr. Gaines M. Cook, secretary of the Ohio Christian Missionary Society, is largely responsible for the achievement and was a moving spirit in the contact of our white brethren. The Dedication Service is expected to take place on July 14th. Aside from my busy task of late, we, as a state, have put forth a special effort to meet our state quota for the National Convention. Our state goal is $150,000. The challenge between F. T. Floyd and F. T. Barnett that was made last year in Nashville still stands. If Kentucky expects to beat Ohio she will have to put on speed, for all churches in Ohio have exceeded their goals.

South Side Christian Church

Easter was a record breaking day in attendance at South Side too. A very highly spiritual worship service was led by the young people during the regular morning service. Easter Sunday being the third Sunday of which the young people have charge of every month. Rev. John B. Eubanks delivered the morning message and Mrs. Rosa Page Welch assisted the Junior and Young People’s Choir with special music. An addition to the membership roll was received in the person of Mrs. C. Heath. The Sunrise Service was conducted by the Missionary Society, who served breakfast immediately following the Sunrise Service. The Sunday School program and Egg Hunt and the rendition of the “Seven Last Words” by the Indiana Avenue and South Side Choirs lent much to the recreation of the spirit that prevailed during the Resurrection of Christ.

The Sunday School acknowledged on Mother’s Day special recognition to Mrs. Annie Floyd, the oldest mother in the church; Mrs. M. Johnson, the mother having the largest number of sons to serve in World War II, whose four sons were present at this service; and Mrs. Charlotte Shepherd, the youngest mother. All mothers were recognized with a special contribution in their honor by members of the church school. The morning service was very inspiring with appropriate music by the choir and special hymn interpretations and readings by Mrs. Evelyn Hudson and Miss Ruth O. Thomas.

In recognition of National Family Week South Side had the honor of having Mr. and Mrs. E. C. Welch and family to be selected as a family to speak over the radio network telling of the many things they enjoy as a family. Mrs. Ola Shaw and family was selected by the CYF in a special program where they also related how they lived as a family. The Teacher’s Training Course started by Mr. Charles Sherman before his departure to Jarvis, is now in charge of Mr. Eubanks. During this course the History of the Disciples’ Church will be reviewed and the history of other religions will be studied. These classes are not only popular with the teachers, but the members and friends of the church school.

Summer classes are being planned for the Sunday School by Henry Shepherd, who will teach art and handicraft for a six weeks course. Mrs. Shepherd is heading up the Daily Vacation School this year with the able assistance of Mrs. M. Latouche.

Congratulations were extended recently to Mrs. Lillian Tyler and her committee on the success of the Annual Bazaar sponsored by the Missionary Society. The finest of hand work was displayed and cold, Mrs. Emily Keys, President, is thanking the members for their fine cooperation and especially Mrs. Mattie Lanier and Mrs. Lillian Black for their splendid report. Very informative meetings were conducted for the Indiana Avenue and South Side Missionary Societies by our National Director of Missionary Organizations, Mrs. L. Ruth Patterson.

The Brotherhood and its president, L. C. Robinson, are looking forward to its big day of Father’s Day. Special programs are being planned by the various departments and similar recognitions will be made to the fathers as were to the mothers. Our National Director of Evangelism and Church Development, Dr. C. L. Parks, visit was very beneficial.

The Cradle Roll Department reported new members of the following parents: Mr. and Mrs. Jerome Simpson, Nancy and Samuel Smith, Henry and Charlotte Shepherd, and Geneva and Johnson Griffin.

At the regular morning service, June 2, the following will be ordained: Elders: Walter S. Keys and Dewey Jackson, and as Deacon, James W. Ross.

As we close our church year, June 30, we are going to continue to help our fellowmen understand the meaning of a Christian Way of Life. We want to minister unto those in need spiritually as well as financially; to lift those who have fallen by the wayside; to comfort the sick and shut-ins; and to encourage those who are pursuing the teachings of Jesus Christ.

During the month of May we enjoyed the fine fellowship with our national tri-state field workers. On the 7th Mrs. L. Ruth Patterson was with us and addressed our Missionary Society which was very impressive and enjoyed by all. Presidents of Missionary Societies of the City were present and expressed words of inspiration for a better and more progressive Society for the incoming year. The offering was $6.50; Mrs. Mary Woodard Brown was pianist. While in the city Mrs. Patterson was guest of Mr. and Mrs. J. H. Woodard, Jr.

On the 20th and 21st Elder R. W. Watson brought two soul stirring messages; the offering for both nights was $14.50 after service conference was held with the members. Mrs. Brown, a former member here, now has membership with Daryn St. Christian Church in Tyler, Texas.

ELDER F. C. CAREY, Pastor
MRS. MABEL HILL, Secretary

We are thankful to say that the month of May was a beneficial one each Lord's Day. Morning and evening we have the gospel preached in its fullness.

Our pastor feeds us with the Word of God out of the depth of his soul; seems as if our sainted group is moving forward to success and are trying with both soul and body to accomplish the task that is set before them.

We can say our Sunday School, under the leadership of our Superintendent, Deacon J. O. Griffin, is moving along splendidly. Every Sunday morning at 10 o'clock the Sunday School assembles together with a whole heart to read the Word of God.

On Sunday, May 12, we had a group of distinguished visitors: Prof. T. W. Pratt of Dallas, Texas and his sister from Pavis, Texas, each made timely remarks about the progress of the church from their childhood days up to the present time. Words that were spoken marked the time of their past steadfastness, of their past church life, which will give life to the soul in generations to come, also

I was glad when they said unto me, let us go into the house of the Lord. We are truly glad to be able to worship in our church again, after our misfortune, by fire. Yes, we are now praising God for his wonderful blessing, which enabled us to hold services in the auditorium. The first Sunday in May was pastoral day, and in the morning the pastor preached a soul stirring sermon. We had one to come forward and join our band for the army of the Lord. At 3 o'clock the pastor aid under the leadership of Mrs. Sarah Johnson, rendered a program of spiritual song by the Heavenly Light Quartet of Newark, N. J. The young men sang with the spirit of Christ. They were Christian young men. May God ever bless them. On the second Sunday, we worshipped with the Philadelphia Christian Church, Newark, N. J. Elder Lucas is minister. Our pastor, Elder Tillman, had charge of morning and night service. In the morning the subject was the church. He gave us the origin and the fundamental principle of the Christian Church. It gave us more light on the church. At 7:30 p.m. the service was Dry Bones, Ezek. 37. Our choir rendered music for both services. On May 14 to 16 your scribe, A. B. Washington, attended the 83rd Annual Convention of New York and New Jersey Christian Missionary Society (Woman's) Columbia Ave. Church of Christ, Rochester, N. Y. Rev. Vere Gillespie, minister; the meeting was largely attended. On her return she visited her sister in Beacon, N. Y., Mrs. James Shenton, and Sunday, May 19th, worshipped in the Beathasa Congregation Christian Church, Bronx, N. Y., Rev. Brodie, Minister.

On the fourth Sunday, regular services were held in morning followed by holy communion. At 4 p.m. The Knights of Pythias—Court of Cantass of Bright Hope Lodge No. 38, Progressive Lodge 54 held their annual service. The service was well attended and very nice program rendered.

The annual sermon was preached

by Rev. Kelley of Pennington, N. J. The subject, Shielding Shadows, Isa. 4:6. The message was enjoyed by all. There were no night services. This church door stands ajar with a spiritual feast and hearty welcome. We are still on our steady march, trying to raise two thousand dollars to complete our church. We would be glad of any donation, we are in need of small Bibles for our school and church. We are asking help, as God loves a cheerful giver.

During these spring months of service there have been splendid memories that followed us as we stayed at our post of duty. Sunday School is good, wonderful attendance each Sunday. Missionary Society is doing fine work. We are decorating our rostrum with nice chairs. Also our church is very nicely lighted up, both in and outside, with electric lights. Pastor Washington brought to us an untriting mother's day sermon on the 2nd Sunday; was grateful to have had visiting us Mrs. E. Gibson of Oak Hill, a splendid Christian woman. We planned a mother's day program but was omitted owing to death.

God moves in mysterious ways His wonders to perform. Death came and took one of our brothers, Eugene Sanders, May 9th. Funeral services Sunday, May 12th; procession, Mrs. P. C. Washington; eulogy, Pres. P. C. Washington.

Just a few days he went away to receive a great reward that was promised him; one day his works are over now, and he will rest with the loved. Our deepest sympathy goes out to the bereaved wife and children. The father knew best so he called him from labor to that great beyond rest.

Our members have worked hard and faithfully in pledging and helping in the raising of the necessary funds needed.

Not long ago the United Christian Church was honored to hear Prof. Eppse speak. His analysis of current trends was very helpful indeed. Several leaders of country and state wide reputation in attendance plan to invite him back to Detroit as guest of this city in the near future. We were happy to have this unusual message brought by Prof. Eppse at a time when it was needed. Not only in Detroit but throughout America.

March 24, 1946, the United Christian Church ordained Mr. Thomas W. Courts to the Christian ministry. He attended Jarvis College one year and is at present a senior at the Great Lakes Theological Seminary in Detroit. Those participating in the ordination were Rev. C. L. Parks, National Director of Church Development and Evangelism; Rev. S. V. Mattson, Sect. Mich. Christian Missionary Society, and Rev. R. L. Jordan, Minister of the United Christian Church.

We are glad to say that the members of Corinth are trying to worship the Lord and also serve him. Sunday School is splendid, also the Missionary Society. Everything on the alert and at their post of duty. If you are looking for the spirit of Christ, come to Corinth where a hearty welcome awaits you. We are doing big things over here at Corinth. Now making preparation for electric lights, and too, the Sunday School Convention will be held here in June. On the 2nd Sunday Bro. Washington preached the Gospel to its fullness. He feeds us with the Word of God out of the depth of his soul, from this “Cornerstone of Christianity”. Along with him Mrs. Washington, his wife, who is serving as our pianist. We are asking the prayers of the Brotherhood that our works and efforts will press on and bear fruit. The faithful few which represent the Christ in most churches can always be depended on. We thank God for them for the laborers are few.

The Second Christian Church’s Auxiliaries are wide awake. The Church has recently called a pastor in the person of Rev. A. D. Littles. We have added to the official staff two new deacons in the persons of Mr. I. A. Middleton and Mr. Sylvester Howell.

The Church seems to be taking on new life. It has launched a financial drive beginning with the 1st Sunday in May, ending the 1st Sunday in June to raise $250. The Second Sunday in May was a high day. Mother’s Day was observed.

Finance raised throughout the entire Church for that day was $104.

We were favored May 16 with a visit by our state president, Elder J. B. Holmes who brought a very inspiring message, subject, “God’s Call To Service.”

The church is planning some big things for the future. From January to May we have raised $239.48. Elder A. D. Little, Pastor.

In memorial of our dear sister, Mrs. Elzena Ward who departed this life on May 26th.

Mrs. Elzena Ward was born July 2, 1902, in Dixon community. She was the daughter of Mr. and Mrs. J. R. Hurdle. She confessed Christ at an early age under Bro. J. T. Ramsey and was a faithful worker in the Sunday School and Church as long as she was able. She was married to Mr. Abe Ward Dec. 16, 1923, and was a devoted wife and mother. There was born to this union five children, four boys and one girl. An infant son preceded her in death.

The boast of heraldry, the pomp of power and all that beauty and all that wealth e'er gave await alike the inevitable hour. Thus has the fleeting years proved true; whereas in the all-wise providence of a just and merciful Father, this beloved wife and mother and kindly friend has come at last to that inevitable hour and whereas, she has by her exemplary life and her beneficence to her fellow woman endeared herself to us all and whereas, we realize that her passing the family has lost a devoted wife and mother the community a loyal citizen and the church a humble and trustworthy servant in the cause of righteousness; and whereas, we realize that the hearts of relatives and friends have been saddened by her sad demise; Therefore, be it resolved, that we, the church, take this means of extending our deepest sympathy to the bereaved relatives and friends, and be it further resolved, that in this, their hour of sadness, we commend them to Him who doeth all things well, and who alone is able to succor and comfort in their direst hour of need.

Tennessee-Arkansas Youth Meet
Mrs. C. E. ROWAN, Reporter
The Tennessee-Arkansas Christian Youth Fellowship Meet was held in Memphis, Tennessee, at the Mississippi Boulevard Christian Church, May 3, 4, 5, 1946, under the direction of Miss Ruth Patterson of Indianapolis, Indiana, and Mrs. Mildred Riley, local adult Youth Leader. The meet was well attended and included representatives from Indianapolis, Indiana, Kansas City, Missouri, Little Rock and North Little Rock, Arkansas, and Memphis. It was interracial and interdenominational. Denominations represented were: Unitarians, Methodist, Baptist, Seventh Day Adventists, Christian Scientist, Congregational, Lutheran, Presbyterian, Episcopal and Disciples of Christ.

The meet began Friday evening at 3:00 o'clock with registration, recreation and Welcome Dinner Program. The Christian Youth Fellowship Co-President, Miss Mary Frances Oliver of Memphis, extended the delegates a cordial greeting of welcome, which was accepted by Miss Marjorie Williams. These scenes were depicted in wax figures with beautiful murals as a background.

The Fellowship Banquet at 6:30 P.M. was attended by 180 enthusiastic youth and adults of both races and several churches, demonstrating that it is possible even today to put into practice the teachings of Jesus. Report to the Brotherhood

L. RUTH PATTERSON

April 26-28, local church visits were made to the South Side Christian Church and the Indiana Avenue Christian Church, Chicago. Mrs. A. L. Martin, National Area Worker, planned the conferences with local church pastors and missionary organization presidents. Friday evening, April 26, and Monday evening a mass meeting was held at Indiana Avenue after which refreshments were served by the Missionary Society of both churches. Sunday evening the Women's Society of South Side Christian Church provided an opportunity for the National Director of Missionary Organizations to bring a message. An offering of five dollars ($5.00) was given to be applied as travel fund.

May 3-4 the "World Fellowship Youth Meet" of Tennessee and Arkansas was held at the Mississippi Boulevard Christian Church, Memphis, Tennessee. This meet was interdenominational and interracial. Those who brought young people from Little Rock, Arkansas, to attend the meet were: Elder O. B. Garner, minister of Cross Street Christian Church; Mrs. Daisy Dean, Director of the local CYF of the Cross Street Christian Church; Elder T. R. Moore, minister of Mt. Siani Christian Church; Mrs. T. R. Moore, Director of the Mt. Siani local CYF. Youth from the host church as well as from other churches of the city attended the meet. This meet was sponsored locally, both efficiently and effectively, by Mrs. Mildred S. Riley of the Mississippi Boulevard Christian Church. The Consecration offering of $21.70 was received and applied on the Christian World Fellowship Fund of Arkansas and Tennessee.

I was invited to bring a message to the Cross Street Christian Church, Little Rock, Arkansas, by the minister, Elder O. B. Garner, who planned the evening of May 6 for the message. An offering of $6.20 was received to be applied on the Church's Missionary Society Goal for 1945-46.

A most encouraging observation was the purchasing of a beautiful parsonage along with new furnishings. It is evident that Elder Garner is doing a marvelous work here both spiritually and financially.

Tuesday, May 7, a local visit was made to the Edwards Chapel Christian Church, Russellville, Arkansas. Mrs. Sallie Woodard, Secretary of the local society, had put forth an unusual effort in planning the program. It was most encouraging to speak to this group. An offering of $6.50 was reported to be applied on this Woman's Missionary Goal for 1945-46.

Wednesday, May 8th, I visited the Mt. Siani Christian Church, Elder T. R. Moore, minister. Here again I was welcomed as a representative from the National Office. An offering of $7.25 was taken and this amount was applied on the National Goal for 1945-46.

May 9-12, Mrs. Elmer Doolin, State Women's Missionary President, invited me to be a Resource Leader in the Third District Convention of Missouri. The Convention was well attended and representatives from practically all of the churches in this area were present. It is evident that this district is launching into an effective program of Christian Education, Missionary Education, Church Development, and Youth Work under the leadership of District Directors. Mrs. Doshia Chat-

ten, Madison, Mo., is the newly elected Third District Woman's Missionary President. The District Woman's Society reported $10.00 to be applied on the State Goal for Missouri.

This concludes my field activities from April 23 to May 22.

North Bolton Street Christian Church

LEALA COX, Secretary

Jacksonville, Texas

Rev. R. C. Page, the State Evangelist, was here on the eighth of April to carry out his work for the district. Mrs. Titins was here in the city at the home of Mrs. McCoy running one week meeting at A.F.M. Church. Every one was invited to attend. Rev. P. C. Washington is at his post every first and third Sunday night service. Scripture lesson found 26th chapter of Matthew. Read from 30th verse, text, "Going a Little Further," Money raised, $26.22. The Woman's Missionary Society is doing fine, but there is room for improvement. The city wide Mission rendered a program at Sweet Union Baptist Church on May 3. Mrs. Beasie M. Ewing administered ceremony. Mrs. Josephine White, president. The Order of Eastern Star and combined turned out on Palm Sunday at C.M.E. Church. Rev. Ran, from Jarvis College, introduced the speaker who was P. C. Washington, taking charge then after the sermon. Refreshing was the service. Sunday School every Sunday morning at 9:45 a.m. Prayer meeting every Wednesday night. Inviting every body to come out. Sister Allimae Johnson, the daughter of sister July Washington, had an operation on May 30th. She is resting fine. P. C. Washington and family were invited out to the home of Bro. A. A. Spencer Sunday.

Mississippi Churches Report

For the faithfulness of Missionary work throughout the state of Mississippi.

BY ELDER JOHN C. WEST

Through 42 years both spiritually and financially, on April 21st, the same being Easter Sunday, we the Brotherhood of Providence Christian Church, deemed it necessary to give our beloved Brother West his first anniversary for his sincerity in the field of Mission. We did not expect the wide spread donations such as we were blessed with since we had a

Notes From the Old Asparagus Bed
By A. D. GAULT
Mayslick, Ky., Route No. 2
Hello to the Brotherhood. I just like to say everything is moving along very well in the Old Asparagus Bed. Since spring we have been going right along. Rev. E. B. Toles is still our pastor. He has been with us five years, preaching for us the first and third Sundays each month. The war is over now we should be able to do more church work. About all of our boys who were in the armed forces are back home now. April 20th I attended a State Board Meeting in Lexington. Mayslick sent up $7.00 for the state work. April 26-27 Mrs. Maggie Cross, Miss Susie Cross, Mrs. William Gibbs, Sr., Mrs. Isetta Washington, Miss Carlien Washington and A. D. Gault attended a District Meeting at Carlisle. The meeting was good. Mrs. Maggie Cross was the delegate. Easter Sunday the Sunday School gave an Easter program, sponsored by William Bennett, Supt. We also had an egg hunt at the school ground.

I would just like to say to the Churches of Kentucky, our state Convention is approaching, which will be in July, and we have a great state program to carry out. Each church has been apportioned $1.00 per active member to take care of this program.

We have a full time state evangelist in the field. We hope to have a full time state evangelist in the field next year. Next year is our Diamond Jubilee year. We hope to have $1,000.00 in the treasury. As your state Financial Secretary I am depending on you for your support in the state work.

Also each church has been apportioned $1.00 per member for the National Convention.

Please send the national money to Dr. J. E. Walker, 234 Hernando St., Memphis, Tenn. I am depending on the pastors, and the church leaders, that Kentucky may go forward with the good work.

Yours for Better Work,
A. D. GAULT.

Nicholasville Church
MRS. ANNIE MAE TAYLOR
We are pleased to report that we are back on the firing line. We have called Rev. J. T. Moore as pastor; he and his good wife comes from Nashville to take charge of “Old First.” Installation was held May 5. Rev. G. E. Letton, state evangelist, officiated. Music was by the Lexington E. 2nd Christian Church. C. A. Taylor brought greetings from First Baptist Church, and Rev. R. H. Walker from Bethel A. M. E. Church.

Our church is to visit Rev. S. C. Devine and church in Cincinnati June 23; and he will fill a return engagement July 14, for our “homecoming rally.” Then on to Covington for the state convention. We are asking your prayers that we will be able to do great work for the Master and His cause.

Report to the Brotherhood

C. L. PARKS
National Director of Church Development and Evangelism

For quite a while now we have not spoken to you through the press but have visited and talked face to face with many Disciples over a large area of our brotherhood. Our program of Evangelism, in the form of Institutes for Ministers in service, plus servicing local churches kept us more than busy throughout the first four months of this year. The last Institute was conducted at Southern Christian Institute, April 9th through 12th. We moved from there to the Centennial Christian Church, St. Louis, Missouri, where Brother P. A. Gray is minister, to conduct a Pre-Easter Evangelistic Campaign. This effort lasted a week with the following results: Ten additions, seven by baptism and three by transfer, and $427.53 raised for missions. Places where other Institutes were held in addition to the one mentioned above are: Dallas, Texas, February 5-8; Kansas City, Missouri, February 12-15; Louisville, Kentucky, February 19-22; Baltimore, Maryland, March 7-8; Goldsboro, North Carolina, March 12-15.

The number of pastors attending were 102 and through them more than 15,000 Disciples are privileged to benefit from the information, training and fellowship of the Institute effort.

The last week in April we were engaged in council with the National Christian Youth Fellowship Planning Conference in Indianapolis under the direction of Mr. E. J. Dickson, National Director of Christian Education and Acting Executive Secretary of the National Christian Missionary Convention.

During the month of May we served our churches of Covington, Nicholasville, and Paducah, Kentucky, and Valdosta, Georgia; and attended a conference on Evangelism held in St. Louis, Missouri.

In all of these contacts, the work has been pleasant, informative, inspiring and unfolding. We appreciate the cooperative spirit shown by all areas of brotherhood strivings, and we have the definite conviction that if this spirit continues and abounds, progressive achievements will be ours to enjoy during the years immediately ahead.

Third Christian Church

ELDER FRANK CRENSHAW
Mc 40, Box 503, Warren Ohio

The members of Third Christian Church, Warren, Ohio, are very jubilant over their recent rally to pay down on their new Church building. In the last few months we have raised the amount of $3,516 with which to make our payment on the Jewish Synagogue located on First St.

Our pastor, Rev. J. E. Blair, has been a real contribution to our Church and the community as well. He is active in the Warren Urban League and is a member of the inter-racial group which meets in the Y. W. C. A. (White) the second Thursday in each month. He is the president of the local branch of the National Association for the Advancement of Colored People. Our Church has made one continued uphill climb since he came to us on the first Sunday in October, 1943. The Lord has added members to our Church. He has taken into the Church 97 new members, and debts are paid up to date. You note that we feel that our pastor is a courageous, dynamic leader, and we pray that he will live long to keep up the good work. You will be hearing from us more often in the future. We urge all of the members to subscribe for the Christian Plea. Pray for us.

Mrs. Elbie Titus

Mrs. Titus will appear at the various State Conventions representing the "Christian Plea."

Her itinerary will start with the Texas State Convention at Houston, and from there her appearance will be at Kansas State Convention, Laurence, Kansas, July 18-21. From there she will go to the Kentucky State Convention at Covington, Ky., July 23-28, and then on to Memphis for the State Convention, July 25-28. From there to Columbia, Missouri, for the Missouri Convention, July 30 to August 4th, spending one day, and then to Chickasha, Oklahoma, for one day, and then on to Dayton, Ohio. From there to N. Little Rock, Arkansas, Aug. 7 to 11, then to Hermanville, Mississippi, Aug. 14-18, and then to Brooklyn, N. Y., for the National, Aug. 20-25.

Sound Reasons Why You Should Use Bethany Graded Lessons

Many Sunday School materials are carefully prepared with valuable aids to teachers and supervisors ... a few hold the interest of pupils, but Bethany Lesson materials do all this and more too. In teaching the Bible they not only give a thorough Biblical history, but they help teachers and students carry the practice of Scripture teaching into their daily lives. The lessons tell about the tasks and accomplishments of our church throughout the world and what we are doing to evangelize and educate people everywhere. Your state leaders recommend this program of Christian education in evangelism.

CHRISTIAN BOARD OF PUBLICATION
St. Louis 3, Mo.
Youngstown, Ohio, Church First to Get Loan

West Federal Street Christian Church of Youngstown, Ohio, was the first church in the history of our brotherhood to receive a Board of Church Extension grant. This grant was for $1,000 and was used in the purchase of a church home for the congregation. With the presentation of this sum on June 10, 1946, was inaugurated the new Church Extension of making building grants to needy churches in strategic areas.

Organized some twenty years ago by a group of colored Christians, the West Federal Street congregation—soon to be known as the Lincoln Avenue Christian Church—never had a church home until it obtained possession of this new property on June 20th. Dedication Day is set for July 14th and appropriate services are being planned under the direction of F. T. Barnett, minister.

This first Church Extension grant sets the basic pattern to be followed in future situations of a similar character. It was a cooperative enterprise in which the local church gave sacrificially, neighboring churches and the state society made substantial gifts, and the Board of Church Extension made both a grant and a loan.

Church Extension grants are made from the interest earnings on the FOURTH MILLION of Church Extension funds. As of June 1, 1946, Church Extension’s net assets totaled $3,185,042.49. Thus, as of that date, the FOURTH MILLION fund came to $185,042.49. All the interest earnings on that sum are set aside for grant purposes. Requests for grants already received far exceed the money available for that purpose.

The FOURTH MILLION fund is enlarged each month by interest earnings, gifts, bequests, and promotional receipts.

Does Consciousness Exist After Death?

BY SIDNEY A. SCOTT
2541 Tracy Ave., Kansas City, Mo.

When we take to account the millions and millions of years this planet or earth of ours has been inhabited, it stagger us to try to explain just how, when and where, its animal inhabitants started. We feel pretty well satisfied in tracing the lower forms of animal life from minute cells and through the process of evolution and development find them what they are today. But the highest form of animal life which we call man, we have never been exactly satisfied as to just how he started; whether or not he started being a full grown man as stated in the garden of Eden, or whether he was evolved by the process of evolution, the scientists have placed a question mark. If we could just get our arms around this thing we call life and see its manifestations on other planets maybe by comparison, we would have a better knowledge of our own planet.

We have no account of the first form of human matter, so organized and conditioned that self-consciousness became known. This account is found in the Bible. God organized the dust of the earth and so conditioned it, and breathed into it the breath of life and it became a living soul.

Now let us take this form of matter we call the human body or man and follow him through the different stages of development in a conscious body. The question is, should life be considered a universal something or an individual something? It seems that life has never been defined in the absolute. We speak of it as power, condition, vitality, the time between birth and death. But what is it? I am wondering would it be sufficed to say that whatever life is, it manifests itself through a medium or a conductor. If this be true, then, when and wherever we find matter so organized and conditioned to form a medium we see the manifestations of life. When we speak of animal life we mean an animal medium. We speak of vegetable life meaning a vegetable medium. When we speak of human life we mean a human medium in the form of a human body.

We become conscious of things about us through our intellect, sensibility and will, the main attributes of life or the soul. The question is what becomes of the consciousness of all we learn in this life? Does consciousness die with the body, or does it live on in that mysterious thing we call life or the soul?

We hate to think of dying and forget all. We want to live again the beautiful contacts and associations of our loved ones; we want to feel the loving arms of embrace. We want the thrill of passion, the memory of dear faces. We want consciousness again after death. Job said, “If a man dies, shall he live again?” What is life without consciousness?

In our great desire for a future life, we have tried to make it possible to retain this consciousness by conceiving in our minds the existence of another body medium in some form, by which consciousness in this life may be retained after death. Right here is the seat and origin of our religious doubts and fears. Here is where we create our heaven and our hell, our God and our Devil. The saints go to heaven and the sinners go to hell.

We must live again beyond the grave. Longfellow sings a cheerful refrain:

“Tell me not in mournful numbers,
Life is but an empty dream,
And the soul is dead that slumbers,
And things are not what they seem.
Life is real, life is earnest,
And the grave is not its goal,
Dust thou art to dust returneth
Was not spoken of the soul.”

Philosophers and scientists have spent their lives in thought and meditation over what takes place beyond this veil of tears. Religious teachers have sufficed martyrdom, singing and praying about this everlasting life. Jesus died on the cross to make it possible for succeeding generations to live again after death. He exemplified this in His resurrection from the grave, saying, “I go to prepare a place for you that where I am thou shalt be also.” Every follower of Jesus dies with this belief. But does this solve the problem, Has anyone ever returned to tell us about this life beyond? I fear we have emotionalized our beliefs and stretched our imagination when we make a heaven for the saints and a hell for the sinners.

Let us first solve the problem of where consciousness exists, when we call man, we have never been exactly satisfied as to just how he started; whether or not he started being a full grown man as stated in the garden of Eden, or whether he was evolved by the process of evolution, the scientists have placed a question mark. If we could just get our arms around this thing we call life and see its manifestations on other planets maybe by comparison, we would have a better knowledge of our own planet.

(Continued on Page 6)
(Continued from Page 5) has done in the past. We take the joy out of this life by trying to make ourselves fit to live in another state of existence after death.

The Great Creator has made all things just and right. There has not been left one stone unturned to promote the happiness and welfare of all His creatures here upon this earth. Let us make the best of this life and take pleasure in striving ever onward and upward to a happy consciousness of God's Kingdom here on earth which should be the ultimate goal of life.

OSCEOLA A. DAWSON
Paducah, Kentucky

On the first Sunday in May, the District Meeting of the Woman's Council was held at the Second Christian Church, Mayfield, Ky., of which Brother Hugh Hayes is pastor. The President of the Woman's Council of the White Christian Church of Mayfield was the guest speaker. Elder Parks, one of our national workers, was present and brought a very inspiring message also. The district is comprised of Paducah and Mayfield. Mrs. Helen Hayes is President.

Elder Henry of North Carolina preached for us during the week of June 9. His messages were very soul stirring.

The church is now quite busy attempting to round up the year's work. On July 2, Elder R. L. Jordan, President of the National Bible School, will visit the Clay St. Christian Church.

YOUNG DISCIPLES MAKE OUTSTANDING SCHOOL RECORDS

Miss Jessie Wilson, member of the Clay St. Christian Church, was valedictorian of the Lincoln High School graduating class and won six other awards beside. Miss Wilson also won the State Essay Contest, sponsored by the State Woman's Missionary Department. This entitles her to a conference scholarship. A special service in her honor will be held at the local church and also at the state convention.

Miss Flora Berry, member of the Christian Church at Paris, Ky., Elder Moore, pastor, was a first honor student in the Beauty Culture graduating class (1946) at West Kentucky Vocational Training School. Miss Julia Marie Titworth, member of the Clay St. Christian Church, was a second honor student in the 1946 Beauty Culture graduating class.

Miss Lucille Williams, member of the Second Christian Church, Lexington, Ky., Rev. Saunders, pastor, was third honor student in the 1946 class graduating from the Tailoring Department at West Kentucky Vocational Training School.

The Clay St. Christian Church, in keeping with a long established practice, presented each of its members who graduated an award of $2.00. Those receiving the awards were Miss Marie Titzworth, Paducah, Ky., Beauty Culture Department, West Ky. Voc. Tr. S.; Mr. Clifford Hord, Grayson, Ky., High School and Chef Cooking Departments, West Kentucky Vocational Training School; Miss Jessie Wilson and Mr. Henry Campbell, Paducah, Kentucky, graduates of Lincoln High School. These young people who have made such outstanding records are to be very highly commended and I am sure they will appreciate expressions of encouragement from persons in our brotherhood. Let us expend more effort in helping the "standing" stand and then we will have to expend less effort in lifting the fallen, because there will be fewer people falling.

From the Shores of Lake Erie

BY CHARLES A. CRAGGETT

After being away for almost three years in the Navy, I am again back to give to the readers of the Christian Plea news and views of happenings of the Cedar Christian Church of Cleveland, Ohio.

Mothers Day was sponsored by the ex-servicemen club. The program was in honor of the mothers of the servicemen who had gone into the service from the church. Each of the mothers was given a small cross as a memento. Also to the four eldest mothers. The highlight of the program was the Mothers Day sermon by the pastor, and a talk by the head of the colored branch of the American Legion's Commander John W. Rainey.

On the fourth of June in honor of the returned servicemen the church gave a banquet. The banquet was sponsored by Mrs. Craggett with Mrs. Katie Cecil assisting. The program was arranged by Mrs. Elizabeth Moore. The talent that Mrs. Moore presented that evening was without any doubt the finest that could have been obtained anywhere. The guest speaker for the evening was Mr. Chester J. Gray, State Superintendent of Minority Groups, and also served with the American Red Cross in the European Theater during the war. Also introducing the speaker was Cleveland's own Negro judge of the Municipal Court, Perry B. Jackson. Serving as charming hostesses were Mistresses Suri, Martin, Cecil, and Howard. These hostesses really did a swell job in seeing that the people were made very comfortable. The dining hall was beautifully decorated by Elder Samuel J. Bergeon, a veteran of the Spanish-American War. The meal for the evening was prepared by Mesdames Craggett, Cecil, and Dubney.

There were twenty-seven who went into the service, and the church is proud of the fact that they didn't have to put a Gold Star on their service banner. At this writing we have only two still in service, both going into the service after the end of the war.

The Sunday School closed out the Daily Vacation Bible School last week with an enrollment of thirty-four. The teachers and groups were as follows: Mrs. Craggett and Mrs. Harrison, Beginners; Miss Craggett and Mrs. E. Martin, Primaries; Mrs. Frazier, Juniors; Mrs. Carroll, Intermediates. The teachers spent many hours of planning in making the school a success. One only need go into each of the departments to see the work that was done by the children that the school was a success. Mrs. Cecil served as registrant.

Bethel Christian Church

Eld. S. D. Yarbrough, Minister
Clinton, Miss.

CARRIE A. GRIFFIN, Reporter
Route 2, Collia, Miss.

Dear Editor: Please let me in. We have enjoyed the many items in "The Plea"; now we wish to chat.

Bethel sends greetings and hope for all a continued upward trend of service. We do not mean to be slackers, why we delayed, but as this is a national advertisement, 'twould be selfish to come too often. Too, every state needs its own paper. Come on, Mississippi, no time for moldy money in the treasury. Let's have a paper.

Now, co-workers, Bethel has done well and has stemmed every tide. Though much bad weather, January 13, 1946, we had our regular procedures of services.

Officers were at their posts, after Bro. E. J. Jackson read the morning scripture, we sang, "I'll Be Somewhere Waiting When He Calls." Our minister discussed briefly, Cor. 1-10. Subject: "Let Us Present Our Bodies as a Living Sacrifice." Same gave much stimulus. He also reviewed our 1945 year's work and asked that we renew our expectations for a greater service. Counting our many blessings, we all took fresh courage after the subject was so effectively demonstrated. Being unfavorable and no evening services, total for minister was $16.25. No additions.

February blank; weather prevented services. March 10, 1946, second Lord's Day, good services, fewer people. Eld. Yarbrough stressed the need of "Love," 1 Cor. 13:1-7. Finance slim. No additions. After usual manner of opening, by Bros. T. J. Johnson, E. Grant and E. J. Jackson discussed, Israel wanting the name of Jesus Christ of Nazareth, whom ye crucified, whom God raised from the dead, even by Him doth this man stand here whole.

When they sent them out, they counseled as to what to do with these men, for this is known in all Jerusalem, and we cannot deny it. This was a strong sermon, manifesting God's power.

Just as we were closing, we had the happy surprise of a special guest. Bro. T. E. Brooks, minister, Greenwood Christian Church, Bro. W. K. Fox, S.C.I., and our national workers, Mrs. L. Ruth Ratten Patterson, who gave us a great send-off for a better program. The services were as a Pentecostal shower. No additions, finance as follows: Minister, $30.07 for the day, Mdm. Patterson, $9.38; total, $39.45. Am sure the S. S. finance which I do not have will overrun $40.00.

Hoping all state conventions and national work. Pardon our long visit.

Avalon Church News

It's another parsonage for our colored Christian churches.

This time it is Avalon Christian Church of Los Angeles that has obtained a home for its minister. The current housing shortage convinced the church that such a move was wise. B. C. Duke is minister of the church.

Located on Avalon Boulevard in the city of Los Angeles, this property is modern in every respect and has been appraised at $7,000.

Avalon is one of the many colored Christian churches that have obtained parsonages, improved church properties, and built new churches with the aid of Church Extension loans.

Letter of Thanks From Philippine Islands

To High St. Christian Church, Saina, Mainit Surgias,

May 27, 1946

Dear Mrs. George Reeves,

Miss Gilles and I are neighbors. Upon receipt of your letter she requested me to accompany her to the post office because she will get a package which you sent. I then took the chance of mailing you this letter with the ardent mission of getting acquainted with you through communication.

You know I consider it a pleasure to write the friends abroad for you must know that four years ago we had been shut up from the rest of the world. Thank God the war has ended. The sacrifices we had can hardly be forgotten. How bitter were those days in the evacuation camps. Diseases, hunger, wild animals and the cruel Japanese were our enemies. Thanks for the benevolent Americans who have come to save us.

Please convey to your friends the gratitude I'm speaking of because the feeling I have is true to every Filipino.

In the name of all my co-teachers I am thanking all the women in the United States who sent us relief. The articles of clothing saved us so much from buying the high priced pieces of clothing sold in black market.

You see even the teachers and even the rich people have lost our clothes during the evacuation days. Some were stolen, some were taken by the Japanese. Some of the Nippon soldiers did not have underwear garments so they snatched white clothes for themselves.

Robbery was rampant during the war days. I am a victim of the abuses of the robbers. At the point of their guns they took all our belongings.

Now please, will it not be asking too much if I order from you through C. O. D. mail a set of even the cheap kind of silverwares? You know we are eating with our hands for all our spoons were stolen by the Japanese. There are no spoons and forks yet for sale in our place.

With this anticipated favor I promise to repay your kindness by doing any order you will make which is within my capacity to do.

Lastly, I hope you will answer this letter and consider me as one of your pen pals who will never forget you.

Your new friend,
(Mrs.) Guadisosa S. Suarez,
Siana, Mainit, Surigas, Philippine Islands.

The women of the High Street Christian Church have mailed their third box to the Philippine Islands. The Filipinos are still in need of the bare necessities of life. Christ will answer us by saying "In as much as ye have done it unto one of the least of these, ye have done it unto Me."

Winston-Salem Church Celebrates

The first anniversary celebration of the pastor, Elder B. A. Douglass, Antioch Christian Church, Winston-Salem, N. C., July 1-7, 1946.

Elder Douglass is a student of Hood Theological Seminary, Salisbury, N. C. Assistant Field Finance Secretary of the Tri-State Convention (Disciples of Christ), President of Board of Trustees of the Christian Institute, Winston-Salem, N. C., 151 Wheeler Street.

Elder Douglass left Concord, N. C., June 15, 1946, to visit the Midway Christian Church, North Tazewell, Va., and all churches throughout the area of Tri-State Convention. Under the able leadership of Elder and Mrs. B. A. Douglass the church has made a great progress, spiritual and financial. The church recently purchased three lots on Underwood near Glenn Ave., to build a new brick church in the near future. Elder Douglass has led the church a long way since July, 1945, under his capable ministry here.

MRS. TITUS
While She's Here!

Mrs. C. E. Rowan, Memphis, Tennessee, one of the most energetic reporters of the Christian Plea. Mississippi Blvd. Church, Memphis, could not get along without her good reporting.
The spiritual progress of the church is still growing. We beg all to pray for the continuous success in trying to win victory with Christ. Our Bible School is most wonderful, attendance good, also finance on last second Sunday. The little Rev. Robert Brown of Jarvis College preached for Pastor Washington, didn’t our hearts burn within. The text, the Seven Detours on the road to hell. The message was highly inspirational and enjoyed by all present. We know there is no time now to lighten the load but time to put on the whole armour that Christ may become a living reality around the world for we need his redeeming love.

On the 21st marked the beginning of our Sunday School Convention which was held here at our church through Sunday. Friday night Rev. Armstead, pastor of New Mount Olive Christian Church, Henderson, Texas, preached. Saturday night a splendid program sponsored by Sis. Azie Lee Sanders following an untiring message by Dr. D. T. Cleaver. Sunday morning Model Sunday School conducted by Bro. Edward Spencer. Evening session, fine sermon by Rev. S. M. Spencer. The New Hope Baptist Junior Choir rendered very splendid service. The entire convention was well attended both spiritual and financial. Let us pray for the closer unity of our people.

Detours

Detours mean rough going for your church building plans. Here are some ways to avoid them:

DON’T build on a poorly located site. It should be well situated, both for serving the present membership and for future growth. A corner lot should be selected with ample parking space available.

DON’T select your committees from any one group in the church. They should be representative.

DON’T be satisfied just to have an architect. Call a CHURCH ARCHITECT.

DON’T overbuild. For a well established church (not a mission) the seating capacity of the sanctuary should not exceed 35 per cent of the book membership.

DON’T exhaust the resources of your congregation on an incomplete project.

building. Avoid moving into a basement with the hope that you will put the building on top later. If the whole of the building cannot be completed at one time, then build one unit now and plan to add the rest later. It is generally preferable to erect the worship room first.
DON'T begin construction until you have plans and specifications approved that meet your needs and the cost thereof determined.
DON'T overload the congregation with debt. The indebtedness to be carried after dedication day generally should not exceed one-third of the total cost of the building, or $100 per family.
DON'T fail to carry adequate insurance coverage on your church building. If you are remodeling or erecting a new structure, see to it that sufficient protection is in force during the construction period.
DON'T borrow money without making a thorough investigation. Your Board of Church Extension can help you here.

California Church
Burns Mortgage
WALTER J. BRYANT, Pastor

When the hands of the clock reached four on the afternoon of July 7, 1946, a momentous hour was struck in the history of the East 28th St. Christian Church; for it was at that time that their mortgage was burned in a most impressive ceremony.
The church has been in its present location for the past four years, and under the spiritual guidance of its present pastor, Walter J. Bryant, for the past five years.
Too much credit cannot be given the pastor for his method of self-denial offerings whereby the members defrayed the mortgage expenses.
Samuel G. Dyer proved very efficient as treasurer of the Building Fund; and Chairman Lawrence A. Cloyd of the deacons was most grateful for the fine spirit of co-operation shown by the various deacons, members, and friends in the final drive to clear the church debt.
East 28th St. Christian Church felt a keen sense of pride in having as highlights of the afternoon’s program Resa Page Welch, National Ambassador-of-Goodwill for the Disciples of Christ, who sang two solos as only she can sing them; also in having as speaker of the afternoon Pastor R. L. Peters of Winston-Salem, North Carolina. He brought a most inspiring message based on: "—and they had a will to work." Remarks apropos to the occasion were made by several visiting ministers of the Christian Churches.

A signal honor was accorded Mrs. Sterling Lees as a member of long standing; she was chosen to strike the match which set ablaze the mortgage paper. All members and friends who attended the ceremonies will long cherish the memory of the afternoon. Needless to say, all left with a prayer of thanksgiving for His many blessings bestowed.

Elder Eli Wilbert, Dayton, Ohio. He has just purchased a new church.

Elder R. L. Peoples, Indianapolis, Indiana, former National Secretary and Youth Leader who has been the prime mover of the long range program.
Elder L. L. Dickerson (extreme right, third row), after leaving the National Christian Missionary Convention, 1945, of which he is secretary, is shown with his four Blind Harmonizers of his church at the dedication service of the School of the Scriptures. Dean C. C. Campbell, President; Tibbs Maxey, Treasurer; Max Randall, Secretary; James Johnson are seated, front row, left to right. This picture was taken September 14. The editor of the Plea was present and greeted Elder Dickerson and other visitors as well as inspected the building. The school is in Louisville, Kentucky.

What Is the National Christian Missionary Convention of Disciples of Christ?
This statement is prepared and released by the Executive Committee of the National Christian Missionary Convention as an interpretation of the newly constituted organization and function of the convention, as approved and authorized by the convention in session at Lexington, Kentucky, in 1944.

THE NATIONAL CONVENTION
The National Christian Missionary Convention is a fellowship of Disciples of Christ composed of churches of Christ or Christian Churches. The Convention was truly the answer of much prayer. Preston Taylor, of Nashville, Tennessee, in cooperation with H. L. Herod, of Indianapolis, W. H. Dickerson, of Louisville, and others led in organizing this body. In answer to the call of Preston Taylor, many leaders came from all over the brotherhood in 1917 to attend the First National Convention. Most of the brotherhood boards, including the Board of Foreign Missions, sent representatives to this convention to give their support and encouragement to the movement. The Negro leaders felt moved by the Divine Spirit to go forward with this new undertaking. After one generation of hard work, we are today on the threshold of realizing the first major objective of the founders of the National Convention.

ITS OPERATION
1. When was the Convention organized?
   In 1917 at Lee Avenue Christian Church, Nashville, Tennessee.

2. What is the constituency of the Convention?
   All churches of Christ or Christian Churches desiring to cooperate.

3. What is the purpose of the Convention?
   It is the purpose of the Convention to cooperate in the preaching of the gospel of Jesus Christ; to promote the cause of evangelism, to foster and maintain a program of Christian education, to perform such general supervisory functions as the best interest of the work may require, and to cooperate with the International Convention, The United Christian Missionary Society, and other brotherhood agencies, boards, or movements for the furthering of the world program of the brotherhood.
   It is also the purpose of this Convention to promote among its constituent members a spirit and program of universal fellowship and participation in Christian worship and service.

4. How are the policies determined?
   By majority vote of delegates assembled.

5. How are the members of the Convention Board chosen?
   The Convention Board shall be composed of twenty-eight members, consisting of:
   (a) The Convention officers become members of the Board and of the Executive Committee by virtue of their offices. These officers, who are nominated by the Nominating Committee and elected by the Convention, are: president, secretary, treasurer, Chairman of the Trustees, secretary of the trustees and the president of the three departments—Women's Missionary Societies, Bible Schools and Youth Work.
   (b) Nine members shall represent the Convention at large and be nominated and elected from the Convention floor.
   (c) Ten members shall be appointed by the cooperating boards which shall be represented by the following number:
   five to represent The United Christian Missionary Society and one each to represent Christian Board of Publication, Board of Church Extension, Board of Higher Education, National Benevolent Association and the Pension Fund.
   (d) The Director of Unified Promotion.

6. How are the members of the Executive Committee chosen?
   The Executive Committee is composed of six members who shall be elected by the Board from among its own number, plus the officers who automatically become members of the Committee by virtue of their offices, plus the representatives of the six cooperating agencies and the Director of Unified Promotion.

7. Who make up the staff of workers?
   The staff of workers at present consists of the following:
   (Continued on Page 5)
WHAT IS NATIONAL CHRISTIAN MISSIONARY CONVENTION?
(Continued from Page 4)
2. A director of Missionary Education and Women's Work—Miss Lillian Ruth Ratten.
3. A director of Christian Education and Acting Executive Secretary—Reverend E. J. Dickson.
4. Where does the money come from to support this work?
The program, organization and staff will be supported by the offerings from the local churches and their organizations and grants from the cooperating boards and special gifts.
5. What happens to the money that our churches give for missions?
It goes for missions, as administered by the General Brotherhood Convention, through the channels of the Unified Promotion.
6. What is new in the operation of the National Convention program?
1. The National Convention Board and Executive Committee become an agency of interracial cooperation and practice.
2. A larger responsibility is being placed upon our Negro churches and leadership for the development of our work.
3. We have secured the cooperation and support of all the brotherhood agencies carrying a program of service to the local churches.
4. The plan provides the machinery for the members of our churches to participate officially in Brotherhood Activities. It also provides the channel for participation in interdenominational organizations.
5. This plan provides for the integration of members of our churches into the total life of the brotherhood activities. Because of its interracial aspects, it offers a concrete method for the practice of brotherhood in a common task.
6. Does the plan cause more separation?
The plan does not cause more segregation. Because of its very nature it requires the closest cooperation of the convention staff and the staffs of the cooperating boards and of the Convention leaders with the other leaders of our great brotherhood. The goal sought is integration and not separation.
7. What is the relationship of the National Convention to the cooperating Boards?
The National Convention, under this new plan, becomes a practical working relationship through which the National Convention, our churches and the boards of the brotherhood, come together to plan effectively and develop the program for our churches.

THE WORK OF THE NATIONAL CONVENTION
16. What are the departments of the Convention?
The departments of the Convention are as follows: (1) Church, (2) Women's Missionary Society, (3) Bible School, (4) Christian Youth Work.
17. What is the work of the New Executive Committee of the National Convention?
1. To help relate our membership into the organized life of the brotherhood and give to them a sense of belonging to the whole.
2. To provide and administer an adequate program to meet the needs of the church in the following areas: (a) Evangelism, (b) Education, (c) Missions, (d) Stewardship, (e) Pensions and Relief, (f) Church Extension, (g) Higher Education, (h) Christian Literature, and (i) Benevolence.
3. To give better service and more cultivation to the local churches in order that they may be challenged to greater participation in Kingdom building.
4. To provide greater opportunity for our leadership to participate in planning and promoting the program of our churches.

18. Where does the New Executive Committee get its program?
The Executive Committee gets its program from three sources: the National Convention, its Board and Executive Committee, the cooperating boards, represented on the Committee, and by working with the brotherhood program bodies to create program objectives and materials. This program plan and administration is to be done cooperatively for the purpose of mutual aid and encouragement.
19. What is the work of the National Convention Staff?
The work of the National Staff is fourfold:
1. They organize, plan and promote the service program of the National Convention through the national office and by field contacts.
2. Through the cooperative processes of our brotherhood, the local church program committee, home and state mission planning council and the curriculum committee, help create program objectives and materials for our churches and the brotherhood.
3. They administer the service programs of the cooperating boards, help ministers and churches become members of the Pension Plan, help our churches get loans from Church Extension, encourage them to use good literature. Help the aged and homeless children to find security. Help aged ministers to secure necessary aid. Help pastors and all church leaders to take advantage of the religious and missionary education methods and materials.

WHAT IS NATIONAL CHRISTIAN MISSIONARY CONVENTION?

(Continued from Page 5)

4. The entire staff is responsible for the cultivation of stewardship and for financial participation to the end that the local church program of the National Convention and the work of the brotherhood may be undergirded.

20. What is the responsibility of the local church leaders to the National Convention Program?
The local church leaders are the creators and constituent members of the National Convention—in fact, they are the convention. Therefore, they are responsible for making, directing and supporting the program of the National Convention.

21. What is the responsibility of the state and district leaders to the National Convention Program?
The State and District Convention leaders, naturally, are also the creators of the National Convention. Therefore, they, too, are responsible for making, directing and supporting the program of the National Convention.

History of the Christian Church in Youngstown, Ohio

The Christian church now known to Youngstown as the Lincoln Avenue Christian Church was first organized from a Bible Class in the year of 1925 by Mrs. Thomas Callens in her home at 127 East Wood Street. The church was organized and started functioning May 30, 1926, in this home. Elder Claude Johnson of Warren, Ohio, was called as the first pastor.

The membership of this church was eight in number. The first officers were Elders John Keys and Decatur Mitchell, Deacons Walter Jackson and Thomas Callens and Stephen Coleman. The treasurer was Mrs. Lizzie Keys.

The church held services each Sunday for six months, after which, the church rented a building on Ninth and Wilson Avenue in Campbell, Ohio, and remained there for three years. After leaving this building the group began meeting in the homes of some of the members. In 1927 the church rented the West Federal Y. M. C. A. and remained there for 19 years.

Elder Claude Johnson who was the first minister, served for one year. Elder Edward Meek was called later. In 1928, the church called Rev. Joseph E. Blair who served the church for five years. He did a very successful job of bringing in new members and under his ministry a home was bought at 421 Albert Street. They remained in this home from 1930 to 1933.

Reverend Meek was re-elected and served for two years. In 1935, Elder Claude Johnson was re-elected at which time the church was housed again in the Y. M. C. A. During his leadership the church membership grew to sixty members and another building fund was started.

During the year of 1937, Rev. Fulton T. Barnett was elected as the pastor and is still serving the church. Under his leadership the membership has grown to over 100. The new church now located at Lincoln and Fifth Avenue is the realization of all the ministers who have served this church and these few faithful members who first originated the idea of a Christian Church in Youngstown, Ohio.

THE CHRISTIAN PLEA

Rt. 2, Box 53, Coila, Miss.

July 17, 1946.

Dear Editor, Christian Plea:

Please allow space for this article.

Dear co-laborers, individuals or groups, although it may not be fully approved by my family, I'm asking this kind favor of you. I'm the grandmother of one Mamie C. Griffin, who is now a sophomore in high school, and is also an honor student who, with me, would be grateful for any little token toward her schooling for the term of 1946-'47.

Although we mean to do our best your gift will no doubt insure her a full school year.

Anything given will be used directly on her schooling needs. I feel a little embarrassed to do this, but one's needs should be made known and leave the results with God.

Hed dad, my son, has had a struggle for four years with sickness and hospitalizations, for the girl's mother and herself.

The girl having had a serious appendectomy, and the Doctor advised no physical or heavy labor.

Although, because of the needs on a farm for nine in the family, we're feeling that we're taking a risk by letting her work a little now.

I'm sure you remember that in as much as we do good unto one of His (Christ's) we do it unto Him. Sometimes He comes maimed, blind, or crippled, and maybe disguised.

You will find an affirmation below from Elder J. C. Franklin, who was our minister at that time. Thanking you in advance, I am,

SISTER GRIFFIN.

To Our Plea Readers:

This request comes from the daughter of one of our pioneer preachers and is worthy of whatever may be done for her grandchild.

The request is a needy one and her parents have been very unfortunate, having had serious sickness in their home for a long time.

Sincerely yours,

I. C. FRANKLINS

REV. F. C. CARREY, Pastor
MRS. M. HILL, Secretary

We are so thankful to have our Southwest Jarvis Christian College, Hawkins, Texas.

As ye have therefore Christ Jesus the Lord and so walk ye in him. Rooted and built up in him. And stablished in the faith. As ye have been taught, abounding with thanksgiving. Col. 2:6-7.

On the second Sunday Brother F. C. Carrey brought to us a message out of his heart. Subject: The Bridegroom.

On June 9th pulpit was filled by Brother Gribben from Jarvis College. Subject: Joshua's Unconditional Surrender. It was taught plain how necessary it is to carry out the plans of salvation.

Evening service directed by Sister Leo Cross. Subject: Fathers Failing to Lead Their Children Right—finding every place to go on the Lord's Day but to church. They go to bowling alleys, baseball, fishing, hunting, golfing, and send their children to church and Sunday School. And no child has ever been able to follow without a leader. Fathers, let us lead as fathers should. Through this sermon one father returned to the fold, by the name, Brother John Cozene. Great rejoicing demonstrated through the spirit. He said he was glad to be home with his Christian friends, and people, forgetting the army for a period of time. He said it reminded him of the Old Oaken Bucket of moral that have stood before the war and through the war, and said he was thankful to God to be with us again.

Elder J. J. HAWKINS

Des Moines, Iowa

The Ninth Street Christian Church, Des Moines, Iowa, has announced that Elder J. J. Hawkins, their pastor, received the Bachelor of Divinity degree from Drake University in June. His former training was at Southern Christian Institute and Jarvis Christian College and also at Butler University.

National Christian Missionary Convention Must Raise $6,600.00

REPORT TO DR. J. E. WALKER

MEMPHIS, TENNESSEE

The Amount of Your Goal at Once

COME TO BROOKLYN, N. Y., AUGUST 20-25
TOTAL EXPENSES FOR CONVENTION—$8.00
$6,000.00 RAISED AT NATIONAL CONVENTION

National Convention

The National Christian Missionary Convention of the Christian Church convened at the Stuyvesant Heights Christian Church in Brooklyn, N. Y., August 20-25, with some 400 delegates present. There were a number of things about this convention that marked it as one of the best. First of all, the attendance was the largest in the history of the convention. A very fine spirit of good will and cooperation was evident all the way through. The amount of money raised was $6,000.

Even though there were some things to be desired in the entertainment, we are sure the pastor, the pastor's wife, the officers and members of the entertaining church did their best to make the delegates comfortable and their stay pleasant.

There are two things The Clarion Voice feels should be given careful consideration. First, the program. We feel that the program committee gave us a very fine program this year. We realize it is a very difficult thing to produce a program that suits everybody. However, in view of the fact that we do have a large variety of tastes and opinions to satisfy, the program should vary from year to year.

We also feel that the chairman and at least one other person who is not a member of the executive committee should be members of this committee. This would help make the program reflect the sentiments of the rank and file as well as the officiary. Second, that the program be adapted to the needs and wishes of the people in general, and not a small group of intellectuals who might be inclined to use the convention to exhibit a particular brand of—

We must be careful not to take the convention away from the people, not even to satisfy the whims of a few. Another matter that must be given careful study is the relationship of the National Board to the convention. The constitution places a great deal of authority in the National Board and the executive committee, especially in matters of finances and employed personnel. This is as it should be. Under our present setup, these are matters that have to have careful consideration by those who have time and experience in these matters.

But the executive committee, at least the Negro members, must always remember we are not the convention. That we represent our people. That, as far as we are concerned, final authority on all questions rests with the convention. That the convention and not the board is "running" things. "Vox populli vox Dei," so far as the National Board is concerned.

To Develop Into Better Preachers

Do Not Read This Article Unless You Want to Be Helped

First, get religion. Be certain of your call. Get the very best preparation possible. You cannot be versatile without a large stock of materials. If every pigeon-hole of your brain is not crammed with information you will soon become as sounding brass and a tinkling simpton. He who can and fails to study, but says the Lord will fill his mouth as he opens it, will find the filling to be hot air. Don't be beguiled by the former success of the matriculates of "Brush College." Times have changed. The pens have been lifted nearer to the level of the pulpit. Popular education has put in its work since "the fathers fell asleep." Science and philosophy are challenging Divine Revelation today.

Don't despise the day of small things. When ready, begin. Take what you can get. Preachers are long-lived. The big ones do not often resign. If you want a large church make a little one bigger. The best way to get out of a small place is to work out. Don't winnow chaff in the prayer meeting. Grind grain. Give bread. Butter it if you can. Occasionally sandwich it with jelly.

Don't always talk yourself. Dr. Holmes says, "A dull preacher, hearing no one but himself preach for thirty years, will finally die a heathen for the want of the gospel."

Don't read anonymous letters. Burn them unread. By so doing you will "fire out" their cowardly writers. "Ashes to ashes" is the cremation liturgy.

Don't neglect the lambs of your flock. Know them to nature as well as by name. Attach yourself to your young people. Attend their meetings. Interest yourself in their affairs and they will become interested in you and your messages.

Don't speak ill of your predecessor. Those who treated him well are apt to be your best friends.

Don't speak disrespectfully of the community. See its excellencies, and be silent as to its defects. The love of locality is one of the strongest instincts of human nature.

Don't exalt what you can for the church without what you own. Do what you can for the church without regard for what it does for you. Earn your salary and you will get it. Work wins and wears.

Don't show your wounds. Hide them. Be deaf as possible to censure.

Don't fear your people. Fear God Only. Let nobody own you.

Don't Ever be Less Than Your Best. A poor sermon added to a rainy Sunday will not improve your wet weather congregation. A little congregation and a big sermon help even things up.

Jesus preached one of His greatest sermons to a lone woman at the well. God's work can never be too small for your greatest powers.

Don't apologize. If you are unprepared it will not help your case by confessing it.

Don't confound violence with energy nor desperation with inspiration. Be in earnest, but affect no unwonted zeal. It is the steam in the cylinder, not in the whistle, that enables the locomotive to walk away with the train.

Don't try to make a poor sermon good by continuing to talk when you have finished preaching. Quit. The congregation will appreciate it and you will save yourself much embarrassment.

Don't brood over an innocent mistake. Add that to your stock of knowledge and go forward. A man who never makes a mistake never makes anything.

Don't preach the people while on your knees supposedly offering public prayer.

Don't scold people in your prayers. That is cowardly.

Don't apologize for the truth; preach it.

Don't try to defend the truth; the truth is its own defense.

Don't appoint another preacher or singer to take your place when you are unable to keep your appointment. Assume that those who invited you are competent to choose a substitute satisfactory to themselves.

DON'T TAKE ADVANTAGE

Don't beg, indirectly, by telling "hard luck" stories about yourself in your sermons. If you are a child of the King, act like it.

Don't take advantage of your position on the platform to get an audience to commit itself publicly with reference to a matter that properly belongs to the Board. Courtesy and Christianity are perfectly compatible.

Don't take advantage of your position as a worker in a camp meeting to take an offering for some special interest without permission from the proper authorities. When invited by the one in authority, do what you are requested to do and then stop.

Jarvis S. C. I.

At the National Convention in Nashville in August, 1945, a report was made to the convention severely criticizing Jarvis College and Southern Christian Institute. After prolonged and heated debate the report was referred to the executive committee of the National Board with instruction to take the matter up with the United Society. For some reason the executive committee failed to carry out the convention's instructions. A similar resolution was adopted at Brooklyn. It is to be hoped that this last request will be carried out. The convention realizes that it has no authority over these schools. Yet, as long as they are supposed to be "our schools," we will be concerned about what kind of schools we must depend upon for a large portion of our leaders. If the charges against these schools are false, it ought to be known. If they are true, somebody ought to do something to correct the situation.

Mr. N. J. Dickerson of Bluefield, W. Va., was recently ordained to the Christian ministry. He is an elder of the Jones sr. Christian Church of Bluefield, president of the Bible schools of the Piedmont District, a former school teacher, and at present connected with the U. S. Employment Service. Elder Dickerson comes from a family of preachers, his grandfather, father, three uncles, a brother and a cousin all being ministers.

Oklahoma Church Builds

The East Sixth Street Christian Church of Oklahoma City is one of the first churches to have carried out the new building program since the close of the war. This building project is now nearing completion.

It is estimated that the completed building will cost in the neighborhood of $35,000.00. The preliminary sketches were prepared by A. F. Wickes, Advisor Architect, Board of Church Extension. Mr. Tom Sorvay, of Oklahoma City, served as local architect. East Sixth Street Christian Church is the only colored congregation in Oklahoma County, and the other Oklahoma City churches are cooperating in the enterprise. The Board of Church Extension is assisting in the financing of the project.

Church Extension News Service

Laymen Organized

A Laymen's League was organized at the Brooklyn Convention with Thomas G. R. Briggs of Washington as president. We feel that one of the weaknesses of our conventions, both state and national, is our failure to enlist the interest and active support of a large number of our men. It is true, however, that we have had the support of a few of our most prominent laymen down through the years. But we need more manpower. We need their thinking, their business and professional experience. Let us hope the Laymen's League can help meet this need. Let us hope our pastors will encourage our laymen to attend our conventions.

Stolen

It was our misfortune to have a typewriter stolen from the convention office while in Brooklyn. The typewriter was the property of the convention from our Indianapolis office.

Blackburn Speaks

Elder Cleo Blackburn, superintendent of Flanner House, delivered a series of addresses at the National Convention. These messages were both challenging and inspiring, and set the pace for the entire convention.

What Happened at Brooklyn

A delegation of 400 raised $6,000, re-elected S. S. Myers, president; R. H. Davis and B. C. Duke, vice-presidents; L. L. Dickerson, secretary; J. E. Walker, treasurer; F. T. Barnette, R. H. Peoples, and D. W. Heath, members of the National Board; I. H. Moore, Z. H. Howard, J. E. Walker, trustees. Increased registration for board and room to $15.00 ($20.00 for this Convention), adopted a budget of $6,600 for 1946-47, appointed a committee to study and revise the constitution. Condemed bigotry, prejudice and the brutal treatment heaped upon Negroes in certain southern states, listened to a lot of good preaching and singing, and voted to go to Cincinnati, August, 1947.

How Many Churches?

At the Brooklyn Convention we had some four hundred delegates in attendance and we raised nearly $6,000, but less than one hundred churches contributed directly to the National Convention budget. There were others that contributed indirectly, through state organizations and individuals, yet there are some three hundred of our churches that are not sharing in this cooperative enterprise. It's true, of course, that more churches are cooperating now than ever before. This means less. We have come a long way in the last few years, and the Clarion Voice does not want to forget those whose zeal and determination contributed so much to our current success. First, there was Rosa Bracy. We will always feel that it was she who sold the National Convention to our brotherhood. Then there came Baltimore Taylor, who actually did what Rosa Bracy said we ought to do and could do. We know there were others who made their contribution, but Bracy and Taylor gave us something that perhaps they only could have given.

I hope we are big enough to confer some special honor on both of them at some future convention. But that is not what we started out to say. Our main point is that we must reach a larger number of our churches and bring them into full fellowship. We cannot hope to carry out our long-range program successfully depending solely upon a few of our stronger churches. We need the financial support of at least an additional one hundred churches. Not merely for the sake of the money. We might be able to get along without the money. But we need the moral and spiritual support. We need the solidarity and strength that would result.

North Balton Street Christian Church
Jacksonville, Texas

ELIZA COX, Reporter

A prayer service was held on the Wednesday evening before the third Sunday in August which was the opening of the Revival meeting conducted at the North Balton St. Christian Church. Reverend Griffin, a young minister from Jarvis Christian College, preached the Sunday sermon. He read from John, 25th chapter, and took as his subject, “Whatsoever He Says Unto You, Do It.” The scripture lesson was found in Revelation, and was read by Rev. S. M. Spencer, a young minister from Lanierville, Texas. The evening’s message was taken from John’s message to the church. The Reverend Compton from the Fulton St. Christian Church in Palestine, Texas, also preached during the revival. One night was set aside for the young people of the church. For the whole week the sum of $199.00 was raised. One person was taken into the church through baptism. Everybody was moved by the spirit of the meeting. Deacon Albert Henry had a brother from Los Angeles, California, Brother Julius Henry, to attend the meeting. We regret the loss of Brother R. J. Fuller of the Pine Hill Christian Church. He was loved by all and was a faithful worker in the church, but has been called by the Lord. Sister Margret Carry has returned home and is reported resting nicely.

Sunday School is held every Sunday morning and prayer meeting every Wednesday night. Rev. P. C. Washington has returned and is at his post every first and third Sunday.

Christian Unity

To all those good protestant brethren who are getting all worked up over a united church, we suggest that we begin with all the preachers accepting the New Testament scriptures as the supreme rule on all questions of faith and order. And then we will have true unity and not just a federation of denominations.

Mrs. Barnes Writes

4272 Avalon Blvd.
Los Angeles 11, Calif.
August 12, 1946

Dear Friends Everywhere:

There are so many of you scattered across the miles that I must write a note. Of course, I shall miss seeing so many friends at the Brooklyn Convention, but shall be thinking of the things which you do for the good of our churches as they affect Christian living in our homes today.

My year and a half at Avalon Center has been most thrilling. There have been many opportunities for service and I have had small part in participation. Our Vacation Church School registered only eighty-three this year. We held our session for three weeks. Then sixty youths and their counselors spent a week at Fern Lodge Camp in the Santa Anita Canyon.

Avalon Center was included in the Recreational Survey made in the city of Los Angeles this year. It was quite comprehensive and we shall be counted in the improvements made—we hope.

Although Avalon Center is a full time job our Personnel Committee of the Board of Directors granted to our staff permission to take a nominal amount of work in our fields at the university. Have had a few courses already in the graduate school of social work, leading to a Master’s degree in Social Work at the University of Southern California.

The churches never cease to heap on responsibility. At the recent state convention was re-elected district chairman of religious education and chairman of social education on the Woman’s State Board. This is a challenging responsibility. In our own church—Avalon Christian, the women have chosen me as council president.

You may be certain that each of these responsibilities are challenging and I enlist your thoughts and prayers that I may in some way measure up.

We are also glad to have with us during the week the new pastor of Mt. Olive Christian Church, Reverend P. C. Washington, for recommending such a fine product of Jarvis Christian College in the person of Rev. J. F. Compton who took over our revival. Each message he delivered was timely and the results were two souls added to our fold. They are Annie Mae Ervin and Gladys M. Sibley. May God bless them and enable them to grow stronger in the ways of Jesus Christ. We were also glad to have with us during the week the new pastor of Mt. Olive Christian Church of Henderson, Texas, and his wife, Rev. T. M. Armistead. Let us pray for their continued success in their work. Mrs. Almeta Henderson, Kilgore, Texas

Mrs. Almeta Henderson, Reporter
Kilgore, Texas

We have just closed a great and beneficial revival. I am very happy to pay tribute to whom tribute is due and this is to our own President P. C. Washington, for recommending such a fine product of Jarvis Christian College in the person of Rev. J. F. Compton who took over our revival. Each message he delivered was timely and the results were two souls added to our fold. They are Annie Mae Ervin and Gladys M. Sibley. May God bless them and enable them to grow stronger in the ways of Jesus Christ. We were also glad to have with us during the week the new pastor of Mt. Olive Christian Church of Henderson, Texas, and his wife, Rev. T. M. Armistead. Let us pray for their continued success in their work. Mr. G. T. Reed of Mart, Texas, was the organist during the revival and led the choir in spiritual singing. We hope his visit will be an annual one. I have a great sense of sympathy for the Christian work and those who are carrying this work. It is not an easy road to travel. We have just closed a great and beneficial revival. I am very happy to pay tribute to whom tribute is due and this is to our own President P. C. Washington, for recommending such a fine product of Jarvis Christian College in the person of Rev. J. F. Compton who took over our revival. Each message he delivered was timely and the results were two souls added to our fold. They are Annie Mae Ervin and Gladys M. Sibley. May God bless them and enable them to grow stronger in the ways of Jesus Christ. We were also glad to have with us during the week the new pastor of Mt. Olive Christian Church of Henderson, Texas, and his wife, Rev. T. M. Armistead. Let us pray for their continued success in their work. Mr. G. T. Modernists, or Loyalist, Which?

T. R. EVERETT
Midway, Ky.

I am a reader of the literature of both sides of this question. The modernistic group—or the loyalist group. I think they all have some things in common with each other, but both are lacking in the spirit of the Christ they claim to believe in and honor. The modernistic deny the Divinity of Christ and repudiate his miracle openly. The loyalist claim to follow Him and keep His words but in fact they follow a far off like Peter of old. They have never loved Him enough to throw down racial bias enough to admit loyal and God-fearing Negroes into their school to learn about this Christ we claim to adore and honor. They have built colleges all over this country and some of them on free soil, yet they segregate the Negro. While they admit the Jap, the Chinaman and all breeds and races to full participation in all of these institutions. But the black boy or girl who represents over thirteen million of the subjects of this government and their forebearers were those that helped to clear the forest and build the roads and tunnel the rivers to make this the greatest land the sun has ever shone upon, yet we say in Christ there is no East or West, North or South, for He hath made of one blood all nations of men for to dwell on all the face of the earth and has determined the times before appointed and the bounds of this habitation, that they should seek the Lord if happily they might feel after Him and find Him. Acts 17:26-27.

I claim that there is no difference in denying Christ; one way is as bad as the other. To deny one group the privilege of sharing equal opportunity to learn and know this Christ we claim to love and adore, because of racial barriers, is a flat denial of the things we preach. God is pure and He is just, not a sparrow falls to the ground without His notice. Now, we Christians are playing with Christianity today like our scientists are playing with the atom. It is indeed dangerous, sin is sin, and not the least degree of it is allowable in His sight.

So why not let us clean house at home and then we can see to check the mote in our brother's eye. For my part I accept the lesser sin but none will pass in judgment.

During the twenty-two months that Rev. T. A. Armstead has been at the New Mount Olive Christian Church, the members of that church have been able to secure an acre and one-half of land on which to build a building valued at about $4,500. They are expecting to burn the note on the second Sunday in October. Under the able leadership of Rev. Armstead the church membership which started out with nine people now has an enrollment of fifty-six members. In the last two years he has to his credit two hundred members taken in during the various meetings. He is a great soul-stirring preacher and is loved by everyone. On August 8, 1946, he was married to Miss Joanna Henry at the home of Sister Otha Dunn. Dr. D. T. Cleaner performed the ceremony, assisted by the State Evangelist, Rev. T. H. Page.

What of the material god such as clothes, car, home, property, and jewelry? What of the mental god such as personal power, popularity, vanity, jealousy, hatred, strife, diplomacy, and culture. Can any of these deliver us? Exalt us above all other humans? Will these gods make all men admire us? No, is the answer.

But the God of Abraham, Isaac and Jacob can work miracles for and through us, can stretch forth His hand and the winds, the heavens and the earth will obey. This God did exalt a nation above all other nations and caused His name to be called great. We hear the prayer of Hannah, the woman favored by God Almighty in I Sam. 2:2-3. There is none Holy as the Lord: for there is none beside Thee: neither is there any rock like our God. Talk no more so exceeding proudly; let not arrogance come out of your mouth: for the Lord is a God of knowledge, and by Him actions are weighed.

As we remember Hannah was barren and was humiliated and derided by those of her household except her husband, prayed for a man child and there made a covenant with God. God heard her and she was blessed with Samuel, the Great Judge of Israel.

2 Sam. 22:31, “As for God, His way is perfect; the word of the Lord is tried. He is a buckler to all them that trust him.” Let us stand still a little while and let God speak for Himself. Let all of our gods and we ourselves answer these questions that God asked Job in the 38th chapter: “Who is this that darkeneth counsel by words without knowledge? (3) Gird up now thy loins like a man; for I will demand of thee, and answer thou me. Where wast thou when I laid the foundations of the earth? declare, if thou hast understanding. (5) Who hath laid the measures thereof, if thou knowest? or who hath stretched the line upon it? (6) Whereupon are the foundations thereof fastened? or who laid the cornerstone thereof? (7) When the morning stars sang together, and all the sons of God shouted for joy? Or who shut up the sea with doors, when it brake forth, as if it had issued out of the womb? (12) Hast thou commanded the morning since thy days; and caused the dayspring to know his place; (17) Have the gates of death been opened unto thee: or hast thou seen the doors of the shadow of death? (19) Where is the way where light swelleth: and as for darkness where is the place thereof. (20) That thou shouldest take it to the bound thereof, and that thou shouldest know the paths to the house thereof? (21) Knowest thou it, because thou wast then born? or because the number of thy days is great? (22) Hast thou entered into the treasures of the snow? or hast thou seen the treasures of the hill? (23) Hast thou found out the stores of snow? or canst thou search out the bounds thereof? (24) Knowest thou the ordinances of heaven? canst thou set the dominion thereof in the earth? Now these are some of the questions God put to Job and they are for our edification. There are many scriptures that we could use to prove the Deity and Power of God but we must move on.

Let us think on the Sonship and authority of Christ. St. John 1:1: “In the beginning was the Word, and the Word was with God and the Word was God. (2) The same was in the beginning with God.” (14) And the Word was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father), full of grace and truth. (29) The next day John seeth Jesus coming unto him, and saith, Behold the Lamb of God, which taketh away the sin of the world.”

We need not deal in the sin of Adam and Eve which is the sin of the world but, the fact that man was lost in sin and only some one with authority and power could redeem him, and that man was the Saviour who was and is and shall be forever more. For this reason we shall beseech His authority. Jesus said I am the light of the world, he that followeth me shall not walk in darkness but shall have the light of life. John 8:12.

Not only did he have power but Divinity, for He is perfect. If we follow His examples and precepts we would prosper in all we undertook to accomplish, for nothing would we do of self, but in His name and glory. Whenever we walk in the light whether it is day or night under a lighting system we have a clear vision and for that reason Jesus said “I am the way, the truth and the light, no man cometh unto the Father but by me.” John 18:6.

Jesus gave another rule in Luke 11:39-44, “And the Lord said unto him, now do ye Pharisees make clean the outside of the cup and the platter; but your inward part is full of ravening and wickedness. Ye fools, did not he that made that which is without make that which is within also? But rather give alms of such things as ye have; and, behold all things are clean unto you. But woe unto you, Pharisees! for ye tithe mint and rue and all manner of herbs, and pass over judgment and the love of God: these ought ye to have done, and not to leave the others undone. Woe unto you, Pharisees! for ye love the uppermost seats in the synagogues, and greetings in the markets.”

Jesus was qualified to speak of love and compassion for He lived it daily. Jesus himself being love could not do differently. In 1 John 4:8-10 we read “Beloved, let us love one another: for love is of God; and every one that loveth is born of God, and knoweth God. He that loveth not knoweth not God: for God is love. Jesus said “The Father and I are one. The Father is in me and I am in the Father.” Again “The Son knoweth the Father and the Father knoweth the Son.”

So Jesus had to do what He said He was. And so it becomes our task, if we say we are Christians (which we mean Christ-like) we must do love and not be as the Pharisees, pay our offerings and forget love and judgment. For in so doing we deceive ourselves and in the end we will find ourselves lost to eternal damnation. 1 John 4:29: “If a man say, I love God and hateth his brother, he is a liar: for he that loveth not his brother whom he hath seen, how can he love God whom he hath not seen. Rev. 21:8 says, But the fearful, and unbelieving, and the abominable and murderers, and whoremongers, and sorcerers, and idolaters, and all liars, shall have their part in the lake which burneth with fire and brimstone: which is the second death. So let us be careful how we profess love.

Jesus removed all causes for excuse before ascending to heaven. John 16:7 Nevertheless I tell you the truth; it is expedient that I go away; for if I go not away, the comforter will not come unto you; but if I depart I will send him unto you. In the 14th chapter, 26th verse. But when the comforter is come; whom I will send unto you from the Father, even the Spirit of truth, which proceedeth from the Father he shall testify of me. And in 16:15, Jesus said the comforter would guide you, for he will not speak of himself but the things he has heard of God.

So, my friends, we have the guidance if only we will accept it, and we must if we expect to build for Christ. For Christ will not accept our offerings in hate, jealousy, envy, malice or strife.
To build requires leadership, Christ-like if you please. The type that Caleb displayed in Numbers 14:11-24; God spoke to Moses saying: how long will this people provoke me? and how long will it be ere they believe me, for all the signs which I have shewed among them. I will smite them with the pestilence and disinherit them, and will make of thee a greater nation and mightier than they. Moses reasoned with God and said the Egyptians will hear it for you brought them up from among them in thy might; all of the people have heard of the cloud by day and the fire by night. But if you slay them as one man then they will say you were not able to deliver them to the land that thou promised and slew them in the wilderness. I beseech thee let the power of the Lord be great for thou are long suffering, of great mercy, forgiving iniquities and transgressions and by no means clearing the guilty visiting the iniquity of the fathers unto the children the third and fourth generations: pardon their sin I beseech thee; and because of Moses' faithfulness, God pardoned this people but he said, because all those men who have seen my glory and miracles which I did in Egypt and in the wilderness and have tempted me these ten times and have not heard my voice, surely they will not see the land which I promised them nor shall any of them that provoked me. But my servant Caleb because he had another spirit with him, and hath followed me fully, him will I bring in to the land and he will possess it.

As we remember that when the Israelites came to the promised land Moses sent out spies. Caleb and Joshua. When they returned they told of the people possessing the land but said let us go and possess it quickly, but the others that went with the two said the land was filled with giants; and filled the people with fear so that they rebelled against God saying let us make a captain and return to Egypt. Caleb and Joshua stood against the whole congregation and said "If the Lord delight in us then He will bring us into this land, and give it us; only rebel not against the Lord and fear not the people of the land for their defense is departed from them. The people stoned them and put them from them and in so doing disinherit themselves for every one of them died in the wilderness. Even Moses sinned and was rejected by God, but God did let him see the land but would not let him enjoy the flowing milk and honey. Only Caleb and Joshua and those who grew up and were faithful to the Lord passed over and possessed the land.

My friends we need leaders today who will take a firm stand against all sin; that man or woman who will stand alone, who will not worry about the popularity of man or who will not fear man; but that person whether they are a minister or a layman who is able through faith and love of God to possess the power of Moses, to erect the Lord for mercy for a doomed people and the spirit which possessed Caleb to be blessed with the promises of God. In Hebrew 7:26 we read, "For such an high priest became us, who is holy, harmless, undefiled, separate from sinners, and made higher than the heavens;" for God said unto Christ in the 7th Chapter of Hebrew "Thou art a priest forever after the order of Melchisedec." For Melchisedec, king of Salem, priest of the most High God was without mother, father, beginning of days or ending of days, to whom Abraham paid tithes.

So in as much as we are Christ-like we are priest unto the Most High. So let us attend to ourselves and take inventory. Here we are in the land of promise and God said the cattle of a thousand hills are His. The Psalmist said "The earth is the Lord's and the fullness thereof and they that dwell therein." Christ said "Whosoever you ask of the Father in my name, doubting nothing, it shall be given you." What have we, as a Colored brotherhood, that we can truthfully call ours? I mean that we own and operate solely. A hospital? A home for the aged or orphans? A school—just one? Is there anything that we can point to as men and women or say this is our contribution to civilization through Christ, or do we say this is what the white brethren gave us or helped us possess, of course he is the President but it is ours. Oh, friend, wake up—what has Christ done for us. I defy any man to stand before me and say that as a group we cannot maintain a hospital, school or any Christian enterprise of our own volition through Christ.

The trouble is we are too dependent on the other man and not the right man. We are too satisfied with the dole we receive. I ask you seriously to look at some of the churches that we criticize. I mean Colored. They have their publishing houses that furnish their own literature, the works of their commentators, schools of higher learning and various other enterprises. If we are the Church of Christ shouldn't the Christ bless us more abundantly? There must be something wrong with us, and in this message I have attempted to point it out to you. It is my desire that we will be the Church of Christ but I need you to stand with me and contend for the Spirit of Christ to abide in our lives. I quote the words of a young Jarvis Christian College student: "Could it be that we have wasted too much time arguing over whether Saul of Tarsus was riding or walking on his way to Damascus? Or whether we should baptize in the name of the Father, Son and Holy Ghost or in the name of Jesus Christ? Or whether we should go back to the old land mark? As of last school term there were only 13 young people and young adults in school preparing themselves for full time religious service which I think is appalling."

I ask the question what do our schools, the two that are for Colored people, teach when a person will ask questions as this young man. I say we must stand firm on the statement of Paul in Tim. 2:15 in order to rightly divide the word of God.

I close with the Pleas of this Church:
1. No Book but the Bible
2. No Creed but Christ
3. One purpose to make disciples of men
4. One Head, One Faith, One Baptism
5. No Name but Divine
6. No discipline but the New Testament
7. No Division for division is carnal
8. No Message but the Gospel of Christ

Six steps to enter the Church, and eternal life:
1. Hear—Matt. 17:5—Rom. 10:17
2. Believe—Act. 2:37
3. Repent—Act. 2:38
4. Confess—Rom. 10:10
5. Be baptized—1 Peter 3:21

As we come to the close of another convention year we face together a sick, weak, and greatly disturbed world. A world with marks of the worst conflict we have ever known; and yet sinful men are adding to that great tragedy through hatred, prejudice and ignorance. There is a bitter restlessness, a confusion and a great need. The world needs God with His mighty power of redemption. By our experiences as we meet and face facts we are almost persuaded to...

The more I travel and see man's needs the louder my soul speaks, saying with the poet, "Lord, take me and use me, that's all that I can do; I have given my heart to Jesus—How about you? How about our leaders? How about our great brotherhood? Do you sense the challenge to give to the world the best there is in you?

I am very pleased to report my second visit to Arkansas.

'Thursday evening, July 4th, we were at Russellville. We found Elder R. Wesley Watson and Elder Raymond R. Walton there in a great revival of preaching and singing. These Christian ministers were gracious enough to give space for my message. Our fine state president, Mrs. Mary Franklin, presented me. She has such a "catching" way of doing things. There were almost a full house—some white friends. Offering $5.25.

Friday evening, July 5th, we met a great group at Mt. Sinai (back in Little Rock). This church is planning to build soon. Because of the great love and respect they had for their former pastor, the late Elder W. M. Bostick, and appreciation of the tireless labors of his widow, Sister Sarah L. Bostick, who is yet very active, they have agreed that this church will be a monument to Elder Bostick and named in his honor. Sister T. R. Moore, vice-president, presided. After my message Sister Bostick spoke out of her heart of the work over the state and encouraged all to support the total program. She told of my work both in and out of the state and asked for a liberal offering. $6.40 was given. I made an appeal for the 1,000 Club drive and secured three members as follows: Elder T. R. Moore, pastor, Miss Thelma Moore, his sister and a recent graduate of Mt. Beulah College, and Sister Bostick, Arkansas' foundation and pillow in missions. Miss Mary V. Moore of Oak Grove, was present and became a member, representing her church. I think Miss Thelma Moore's membership belongs to Oak Grove also. My itinerary was so fast until I did not make the plea for club members at

acknowledge the near destruction of God's beautiful world unless a radical change takes place in man's heart, and that soon. But we should not stop and lament that fact, as true as it is. And we would not if we could wade far enough out into the deep, see high enough upon the mountain top, then down by the seaside, everywhere, the church's opportunity, and God Himself at work through the lives of men who have given themselves to express His will as they go forward to build a new and better world. Men whose lives are so constructed that they consider it a privilege to undergo hardships that they might have a glorious opportunity for fellowship with such a Holy One in such a great task—that of taking the remnants of the cruel World War and knitting them together with hearts of love and compassion, and the word of God as the machinery to weave the warp and woof of courage, confidence, strength, fellowship, poise and brotherly love into the kind of church we need at such a time as this.

The more I travel and see man's needs the louder my soul speaks, saying with the poet, "Lord, take me and use me, that's all that I can do; I have given my heart to Jesus—How about you? How about our leaders? How about our great brotherhood? Do you sense the challenge to give to the world the best there is in you?

I am very pleased to report my second visit to Arkansas.

Arriving in Little Rock on the morning of June 28th I found the torches lighted and ready to throw their beams onto Oak Grove for a District Convention which was a wonderful meeting. It was interesting to see from the church's lawn men, women and young people coming from all directions to be present at the opening session. We watched their mode of worship; then listened to their reports which were very good. The sermons were timely and full of guideposts to keep every department well directed. The president seems to be just the type to serve such a fine group of Christians. This is Arkansas' garden spot—rich in youth and children. At noon a delicious meal was served by the ladies of the local church. Plenty of food and fellowship.

In the afternoon I spoke from the theme "A Crusade for a Christian World." Sunday, the 30th, the services were very impressive. The State Evangelist, Elder T. R. Moore, presided, while Elder J. W. Forbes brought the closing message of the convention.

Monday, July 1st, we visited and rested in the home of Miss Mary V. Moore. Offering $9.50. On Tuesday morning the 2nd, Mrs. Frank Armstrong, Miss Moore and I motored to Pearidge. My home was with Bro. and Sister Jonas Williams, who made it very pleasant for me. There were no services at the church but we had an interesting conference with members in the neighborhood.

On Wednesday, the 3rd, we returned to Little Rock. The same evening we were with Cross Street Church, and spoke from the theme, "The Church In Its World Mission." At other places as well as Cross Street, I tried to leave the impression that the world is our mission field and Jesus Christ is our message. Certainly this is all I have to offer, using as my guidepost the word of Jesus Christ when He said, "Go ye into all the world, etc." Matt. 28. Offering $6.55.

Saturday morning I was accompanied to Pine Bluff by the pastor, Elder J. W. Forbes. I spoke for them Sunday the 4th, and closed with a conference after the morning service. This is Arkansas’ chance to build a greater church in a great city. They have the beginning, a beautiful lot, and with encouragements can do a good job. I am asking the prayers and spiritual support for these people. Offering $3.00./

Received from State Board $13.00.

Arkansas State Work And Convention

MRS. S. L. BOSTICK
N. Little Rock, Arkansas

Mrs. Ruth Patterson, our National Field Worker, passed through our state in May. She had only a few days to visit the Cross St., Mt. Sinai and Russellville Christian Churches. Everyone seemed to enjoy her messages. Mrs. A. L. Martin of Chicago was in the state and visited each church society. She is well prepared for her work and we are always happy to know of her coming. On her visit last year she helped Elder J. W. Forbes to organize a little band of Disciples in Pine Bluff.

The State Convention met in N. Little Rock from August 7 to 11. The attendance was not large but much good preaching was enjoyed and many good papers were read from the various delegates. Elder O. B. Garner preached a wonderful message on the Thursday night session. Mrs. Mary Franklin, president of the State Women, brought a very timely message on Friday morning after the appointment of the committees. Elder L. B. Facen delivered the sermon during this service. Papers were read by Mrs. Mae Ball of Cross St. Church, Mrs. H. C. Mothershed of Mt. Sinai Church, and Mrs. Louise Mitchell of Cross St. Church. Remarks were enjoyed that were made by Mrs. D. Dean and from Elder Ruben Speaks from Drake University. “True Fellowship” was spoken on by Mrs. S. L. Bostick in which the keynote was expressed in the following words, “Do Unto Others As We Would Have Them Do Unto Us.” Miss Mary V. Moore, the State Secretary, gave a fine demonstration on Love, Faith, Loyalty, Truth, Obedience and Honesty. The closing session was climaxed by a Bible School taught by the President of the Bible School Department, Brother Cole. Elder T. R. Moore gave a stirring sermon. Elder B. H. Armstrong was re-elected President of the Convention.

New President, U. C. M. S.

The election of Dr. W. H. McCormick of Cleveland, Ohio, as president of the U. C. M. S. and Dr. Gaines Cook of Cleveland, executive secretary of the International Convention, was good news to our Negro brotherhood. We are a part of both of these organizations—a small part perhaps, but nevertheless a part. And we are always interested in the type of men who occupy these important positions. Dr. Cook and Dr. McCormick are both big men. In these days of stress and strain, we need big men in high places. Men who can see over the heads of the rabble. Men of faith and courage.

We hope that Dr. Cook in his newly created position of executive secretary will be able to convince the program committee of the International Convention that the Negro Brotherhood should be given a larger part on the convention program. And that those who “represent” us will be “representative” according to our way of thinking.

All of our conventions are over and we are now beginning a conventional year’s work for the Master. I pray that we are all determined to do better work this year. Our Missionary Society is still on the firing line. On August 18th the Missionary rendered a very interesting program under the leadership of our president, Mrs. C. B. Hughes.

On August 25, two young women united with the church who were members of my Sunday School class. Our hearts overflowed with joy and praise to our Saviour for these two young souls. An enjoyable service of the Young People’s Christian Endeavor was conducted by Melvin L. Hester, who is a student of Jarvis Christian College. We pray for his success in college. The song, “Great Is Their Faithfulness,” sung by Brother and Sister George Nelson and daughter, was dedicated to the Missionary Society and especially to those members unable to attend now, such as Sister Mary Hunter, Sister Alice Greenlea and my mother, Sister Hattie Crawford. Timely remarks were heard from Sisters Fanny Harris and Anna Pirtle at one of our meetings.

Mrs. Annie Franklin Writes, Port Gibson, Mississippi

This year has been one of the most pleasant years I have ever witnessed. I have visited all of the quarterly meetings of the churches in District No. 1, also in the No. 2 District. They were all good. In July I attended the second Rural Annual Church Women’s School which was held at the S. C. I. Then we went to Fayette, Mississippi, to the Church School Convention. It was good both days. Mr. John Wilson is president. Mr. C. E. Chambliss, secretary, and Mrs. D. L. Jenkins had charge of the Young People’s program. We visited the revival at Providence for three nights, then the next week we attended a week’s revival at Lorman Church. Elder J. C. Franklin conducted the revival. One was added to the church.

The second Saturday in August we were at Rose Hill. Elder N. R. Trevillian is pastor, but Elder E. Newsome conducted the revival. He preached many soul-stirring sermons.

The second Sunday we were at Forest Grove, where Elder J. C. Norrells pastored. The next week we were at Hermanville in our state convention. There we had a good convention. Elder N. R. Trevillian presided over the churches; Mrs. M. L. McCarty presided over the Women’s Missionary Society and Mrs. R. E. Weaver presided over the Willing Workers Society. Saturday night we were entertained by the S. C. I. which showed pictures of the work. We closed Sunday. Evangelist S. D. Yarbor brought us the closing message. Total amount raised for all departments, $1,500.00.

Leaving the Convention the third Sunday night we started on our trip to the National Convention which was held in Brooklyn, N. Y. We arrived in Brooklyn Tuesday morning at 11:30 a.m. We made only three changes on our trip, one at Vicksburg, Miss., the next at Meridian, Miss., and Washington, D. C.

(Continued on page 6)
Mrs. Annie Franklin

We passed through Alabama. There we saw the furnaces at work melting ore; then into Tennessee, where we saw the Lookout Mountain at Chattanooga. Through Virginia we saw the tobacco farms and apple orchards.

We chanced to get a glimpse of Washington, D. C., our nation's capital. Just passed through Baltimore, Md.

The Brooklyn Convention was the first National Convention I ever attended. The spirit of the meeting throughout was fine. I was impressed greatly with the many friends of my husband, Elder J. C. Franklin, so much so that I would like to attend another one. I enjoyed being with the missionary women. Their program was just fine.

On Sunday Elder I. C. Franklin preached at St. Philip Church, where Elder W. C. Kinard pastors, I attended the morning service with the A. M. E. Church, just opposite the Christian Church and at the close was back at the Christian Church and heard Pres. Myers, the president of National Convention, bring the great message. On Sunday in the afternoon I visited the A. M. E. Church, where a marriage was held.

Sunday evening we were at Stuvesant Heights to the communion service, which was very solemn and impressive.

Sunday night we witnessed the musical program by the choirs. Mrs. Ross Page Welch and her husband conducted the music. We have never heard any better singing nor have we ever seen a better conducting of music, but we would not expect otherwise. I can still hear the music ringing within yet.

On Saturday we were taken by Mrs. Hancock sight-seeing. She had it all planned, and she well planned it. It would seem that after she had helped serve our meals she would not be able to go with us, and it is well she did go with us, because we may have gotten lost and maybe we would be lost in New York yet.

We went down the Hudson River, had the chance to see New York City on one side and Brooklyn on the other. Passed under the many bridges that spanned the Hudson, saw the great Empire State building as it seemed to reach the sky with its 102 stories. Then we crossed over to the Statue of Liberty. There we ascended 10 stories of it. By this time we had enough. The majority went to Coney Island but as for few of us, we had enough. I had seen so much until when I got back to our boarding place I was completely lost. Elder Franklin had to coax me very much to convince me that we were at our boarding place. I could not realize it was the place until he had opened the door and I saw our belongings.

Monday we began our trip back home, arriving at home Wednesday night.

The revival began at Hermanville, where Elder I. C. Franklin pastors, on the second Sunday night and closed the third Sunday. There were 6 added by baptism, 2 reclaimed, raised $122.00.

Then the next week the revival was held at Union Hill (this church is where Prof. Cleo Blackburn's mother's membership was). There were none added to the church, but the spirit of the meeting was high. Elder and Mrs. N. R. Trevillian were present Thursday night. We ordained one for the office of deacon. Elder Levi Thomas assisted in both revivals at Hermanville and Union Hill.

Elder Franklin was called to attend the funeral of Bro. Clem Keyes, who departed this life at Chicago, also a member of the South Side Christian Church. His funeral was attended at Bethel Christian Church, his body deposited in the Hemingway Cemetery Monday, Sept. 23. The family has our heartfelt sympathy.

We spent the night with one of the pioneer families of Bethel in the person of Bro. and Sister George Lawrence.

Excuse my long stay but I am much impressed and if this message does not find its way to the waste basket I may write again.

Rev. S. E. Tillman, Pastor
Mrs. A. B. Washington, Sec.

The National Convention was held in Brooklyn, N. Y., and should be advertised to help promote growth of the other conventions to come. The convention was well attended and there were some very fine speeches delivered. There's a question in my mind. I have noticed the leadership of our church and there appear each year are the ones who bear the burden in the expense of the convention or (may I ask) is it the local churches that support the convention? Make the finance possible? If so, then, why not go around and use the best talent from all the churches from time to time? It would take a few years to get around, but, in my estimation, would give each talent a chance to speak in the convention.

I have noticed the leadership of our pastor. He gets around to every member of the church even though the group is growing, yet from time to time he finds a place for each member who helps to support the church. It appears to me the leaders of national convention could work likewise, as such everyone feels happy and there will be no divisions. This I call a working church.

The convention is large, but, with the great fellowship supporting it in the Spirit of Christ through God it isn't hard for the leaders to carry on. I thank God that Antioch Christian Church of New Brunswick is a working church. Not only do the members of the long standing work, but, the new ones likewise. We have a good Sunday School, one superintendent and three teachers. We have a missionary who meets in business capacities once each month, and each fourth Sunday on a missionary program. We have one young man on trial as deacon in the person of Zelmon D. Johnson, who is endeavoring to live up to his calling. He is very energetic, quiet, very apt and does not seem to show any hostilities.

Our pastor thinks he is making good. We have a Board of Elders who labor in the Doctrine with the pastor and they work sincerely. We also have a Board of Trustees that are second to none. They, along with the pastor, are doing a splendid job.

We had a splendid revival during the first and second week in August. Our pastor saw fit to run it himself. He felt it would be too great a strain on the members to hire a minister. It also would have encouned extra expense, as we are continuing to rebuild and finish the church.

During the revival eight persons were added to the church, six by Christian experience and two by baptism. The spirit ran high and we said as in days of old.

Our monthly collections average $75.00. We have one very important objective to achieve, and that is to retain the seven lots that surround the church. It is hopeful that the United Christian Missionary Society will advance the money for same. We had one of our ex-pastors to preach for us four nights of last week. He really brought us some soul-stirring messages. We also had a Rev. C. H. Hawkins of West Palm Beach, Fla., who dropped by on last Sunday and gave us two wonderful sermons. So we have been eating spiritually. The Lord hath done great things for us whereof we are glad.

Church Clerk.
Broadway Christian Church  
Rev. W. M. Owens, Pastor  
Winchester, Ky.

The Broadway Christian Church at Winchester, Ky., sends greetings to the Brotherhood at large.

We are still on the firing line working at the task of church building both physically and spiritually. Our plans for a recreation hall and dining room and kitchen are maturing and it just won't be long before they are ready. Three sisters, Mrs. Frankie Parrish, Mrs. Lizzie Campbell and Mrs. Ada Brooks presented the church with a handsome center light and saw to its installation through the Business Women's Club of which Mrs. Parrish is the president. This fine gift was presented in honor of their late mother and father who were faithful supporters of the church while they lived. The church is also giving thanks for a fine pulpit Bible presented by the Bible School of the White Central Christian Church.

We are planning a 15 days' revival to begin Sunday morning, Nov. 3rd, to be conducted by Elder O. Zollar of Houston, Tex. We are anxiously praying that many souls may be added to the church. Two of the young brothers of our church who served their country in the past war left the city this week to enter school to complete their educational careers. They are George Frazier and James Frazier. George is making further preparation for the Christian ministry, and James is studying to be a doctor. The church is proud of these two fine young men and wish for them much success. They both have fine young wives.

Elder Owens and wife entered in upon their 10th year as pastor of the Broadway Christian Church and during these passing years they have enjoyed a fine fellowship working with a fine group of people. The Broadway Christian Church put their minister in the pension fund several months ago through their missionary society.

The pastor and wife attended the National Convention held with Elder Hancock and his good wife in Brooklyn, N. Y., and it was one of the best conventions I have ever attended from every angle. Elder Myers, the president of the National Convention, is surely the right man in the right place. He deserves much praise for his fine leadership. While we missed some of the familiar faces of the past and their issues which brought about the break, we pray that the Lord may give them space of time to repent and return to their first love. As this is our first news to the Plea I think it might be of interest to many of our Christian friends to know that on the second Sunday of last November our Ladies' Aide Society sponsored a pew service. Rev. W. H. Williams, pastor of First Antioch Baptist Church, preached for us, bringing with him his choir, Gospel chorus and other members of his congregation. We were blessed spiritually and financially. The Aide also gave a dinner at the home of Sister Barber which proved to be a success. At Christmas time Sister Ruth Hull brought us a lovely pageant featuring her well-trained junior group. Bro. A. Simeon brought us an unusual program which he called the Soldier's Experience rally. It was of great interest as it showed the sad, serious and comical sides of army life. The Eleazer Club, which is comprised of young people of our church, raised enough money in May to have our pipe organ installed and unveiled it to us with a sweet and inspiring program.

Our June rally was our first big financial effort in our new church and through our untiring and loyal members and friends we were able to go over the top. Rev. John L. Dickerson is still our pastor and shows his great interest in us by coming to us from Oxford each Sunday regardless of the weather. As he is a soul-stirring preacher many have been brought to Christ since he has been in our midst. Mrs. Sallie Parks, one of faithful members, attended the National Convention. Our clubs are doing lots of team work. The Samaritan Circle bought carpet for our aisles and choir stands. We are proud to say that our Eleazer Club is doing great things and at each of its meetings plans are made to bring more young people to our church. Sunday, Aug. 25th, the members sponsored a youth's day program, the participants ranged from 4 to 16 years of age. Spirituals were sung and played by them, instrumental solos were played and many of the little tots gave readings. Miss Margaret Taylor, our organist, has finished her vacation and is back at her post leading our melodious choir.

The choir and our minister look very saintly each Sunday donned in their beautiful robes.

We ask for your prayers: That with Christ we may build anew.

Brooklyn, N. Y.

During the months of August and September, the Williamsburg Christian Church has been blessed with the spirit of God and many souls have been added to its congregation. On the first Sunday in September the pastor preached a soul-stirring sermon on the subject, "A Living Sacrifice." One family was blessed with a son born to them, Mr. and Mrs. Abraham Miley, 88 Hope Street, Brooklyn, N. Y.

On Sunday, August 25th, the National Convention brought many visitors to the church. At the eleven o'clock service, a beautiful message was brought by the Rev. R. R. Walton, who spoke on the subject, "Prayer." Two other addresses were delivered by Prof. R. H. Peoples, and by Dr. J. E. Walker, president of the Universal Life Insurance Co., and the National Convention Treasurer. Mrs. Grant was soloist for the morning service. We are asking that the Brotherhood may pray for this church and its people that it may progress and do a better work.

Minister Installed at Gay Street Christian Church
MRS. H. E. BRADEN, Reporter

Elder H. G. Fleming
In an impressive service held at Gay Street Christian Church, Sunday, October 27, 1946, Elder H. G. Fleming was installed as minister of historic old Gay Street Church.

Elder H. E. Braden, of Gay Street and vice-president of the Tennessee State Convention, was Master of Ceremonies, and Elder R. C. Maloy, minister of the Alameda St. Christian Church, brought the installation message, and the Alameda St. Church choir furnished the music.

A large and enthusiastic audience was present. Elder Maloy delivered a timely and forceful message.

The following ministers and elders were present: Elder J. W. Frierson of the Church of Christ; Rev. J. Louie Logan of the Presbyterian Church; Elder C. P. Johnson of Alameda St. Church; Elder R. A. Jackson of the Alameda St. Church; Elder Nelson Jackson of the Alameda St. Church; Elder
Alva W. Taylor of Vine St. Church (white); Elder Ernest Foster, Gay St. Christian Church. There were many friends present from other churches throughout the city.

The program was as follows:
Opening song by choir.
Scripture. Rev. J. Louie Logan.
Song by choir.
Remarks by visiting ministers and elders.
Special music by the choir.
Sermon—Elder R. C. Maloy.
Invitation Hymn.
Offertory.
Recognition of visitors.
Presentation of Elder and Mrs. H. G. Fleming.
Closing Hymn.
Benediction.

This occasion provided a hearty fellowship for the three churches of the city, Lea Ave., Alameda St. and Gay St.
Elder Fleming is a well experienced and successful minister, well known for his outstanding ability as a builder of churches and congregations.

Each member of the Gay St. Church has pledged his full support to the pastor’s program, and we believe that by the grace of God our church will move on the upward trend.

Some phases of church organization are in progress on which we hope to report next month.

To the Ministers:

We are now in the midst of our setting-up program for ministers in-service Institutes. Those of us who have been attending these projects may recall how we all were enlightened and inspired during the fellowship and study. Knowing as you do what a great force for good these Institutes are on the upswing in effectiveness of our local ministering, we urge you to begin now to prepare for the Institute to be conducted in your area. Not many days hence, you will receive a letter setting forth the terms and date of your Institute and an enclosed self-addressed card for your reply. It is our desire that the attendance this year will increase two-fold and you can help us realize this ambitious undertaking by telling the good news to every minister you are privileged to contact. First, say to him in tones that are convincing, that the Institute is a “Must” on your list; and that you will attend. Tell him the Institute experience helped you to surmount some barriers and put new life in your work. Be sure to explain to him the contributions you made by sharing some of the highlights of your own experience with the brethren.

Last year the Institute project serviced one hundred two pastoring ministers and eighteen who were not, at that time, in charge of churches. Through these ministers, more than 13,000 Disciples came under the influence of this special fellowship project; this year let us make it two hundred thirty-eight ministers and 30,000 Disciples.

The final reports of all departments show some hard work and Christian loyalty. For the year seven hundred seventy-two new members. Money raised, $9,327.46.

During the month of October the church observed Church Loyalty Month. With something special each Sunday night. The first Sunday night being observed as a day of communion throughout the entire world. We held joint communion with the St. Stephen Cumberland Presbyterian Church. The communion service was also held in cooperation with the dedicating of a plaque bearing the picture of the Lord’s Supper which is lighted during the communion service. The second Sunday the church presented Mr. and Mrs. Lawson in an evening of song. Mr. Lawson is the director of our Senior Choir. Mrs. Lawson is a great singing evangelist, and always carries a crowd wherever she sings. That night the church was crowded to capacity. All day of the third Sunday was busy. The young people had charge of the service. With Kenneth Dabney presiding and the young people’s choir, under the direction of Albert Meadows, who before going into the service was a tenor soloist on Wings Over Jordan. Sunday night the service was under the auspices of the Boosters Club, with Mrs. Martha Belcher in charge. The fourth Sunday found the church graced by the presence of Gaines M. Cort, the retiring secretary of the Ohio Christian Missionary Society and new executive secretary of the International Convention, and that night a musical program was given by the Senior Choir.

The church during the past few months has brightened up the appearance of the main part of the auditorium with new furniture. The first piece of furniture to be given was a communion table. It was given by Mr. Jessi Blair and Mrs. Melvinda McCall in memory of their mother, Mrs. Malvina Blair. The next was a pulpit, given by Mr. Walter Harrison and Mrs. Susie White in memory of their mother, Mrs. Josephine Harrison. Flower pedestals were given by Mrs. Elenna Martin. A pulpit chair was given by the Boosters Club, with Mrs. Sudie Johnson giving a large share toward the purchase. The plaque commemorating the Lord’s Supper was given by the men of the church.

The church has now begun a parsonage fund, the foundation of which will help or enable the church to obtain a parsonage. The men are pitted against the women. The men captained by Mr. Tony Wright, with Mrs. Elena Martin assisting. The women are captained by Mrs. Carrie Belle Dabney.

Every second Sunday in each month something special is planned. For the second Sunday in November, the church will present Mr. Anthony Thomas in a recital. Mr. Thomas is the church minister of music and also director of the Gospel Choir, and sings with many other outstanding musical organizations of the city.

The fourth Sunday will be Homecoming Day, and service has been planned for the entire day.

How Religious Are You?

By Sidney A. Scott
2541 Tracy Avenue
Kansas City, Mo.

The average Christian sets forth a code of morals to live by which he, himself, does not put into practice. It is always easier to tell the other fellow what to do, how to do, and when to do. Here is where I think religious teaching breaks down. It seems like we never do what we tell others to do. We tell other people not to lie, not to steal and on down the decalogue, I wonder how many of us live up to this code of morals? Considering our native instincts and passions, plus environments, is it possible for human beings to reach the place when this code of morals will become effective and we can actually practice what we preach?

Religion is alright. We must have a religion. There never was a group, tribe or nation of people who did not have a religion. Native religion has its origin in the feeling of fear that arises when coming in contact with the unknown. It is the instinctive love of life, how to preserve it and make it safe, has caused man to develop many different religions according to his mental status. The undeveloped mind is fertile soil for the belief in the miraculous. Hence, the birth and life of various religions throughout the world.

Superstitious fear is a vital element in our minds and when cultivated, serves as a wonderful stimulant in forming our beliefs. Here is where we begin to defy something and to worship something. It is plain to see that where progress has been the greatest is when the human mind leads away from defying things. The lesser our intelligence the greater do we defy, the greater our intelligence the lesser do we defy.

After a religion has been formed, either through fear or intelligent thinking, it is kept alive and effective by moral persuasion or command. Sometimes both.

There has always been devotees to any cause that may be espoused. These devotees become leaders and spreaders of their religion. History is full of the many ways and means that have been employed to spread and compel people to believe and do what is taught in their religion.

It must be borne in mind that in all native religions, aside from a feeling of fear of the unknown, there are no established facts to govern thoughts and beliefs. Religions that have grown out of developed minds teach more intelligent beliefs and forms of worship. In our highest developed form of religion, arising from the teaching of Jesus Christ, we have yet a long way to go in establishing a righteous kingdom on earth, which is the fundamental object of His religion.

The religion of Jesus eliminates the element of fear by the substitution of the element of love. Jesus tells us to love one another, not to fear and hate each other, and has made it plain that unless we do love one another, we cannot love Him nor His Father. We have yet much to do in developing our intelligence to when we can think of the welfare of our neighbor as we think of our own. When we can do unto others as we would be done by, when we can look upon the different races of people in the world as being the human race and not a black race or a white race.

We must put into practice the religion of Jesus Christ, if we want a fit world to live in. It seems today the trend of our religion is backward instead of forward. That our civilization is on the wane. We create and start wars sometimes using our religion to justify our actions. We advocate world peace but teach the youth tactics of war. We gasp and hold our breath at the horrible crimes of the gangster and murderer, yet we show pictures of them at actual work. We laugh with our children at play imitating the gangster. Sometimes our education is improperly conducted. We poison the water at the font and expect it to be pure lower down the stream. Mind grows on what it feeds, let it be wrong or right and we get results in either case. Race prejudice, caste, covetousness and greed, are often practiced, still we look for higher development. When we put into practice the religion of Jesus Christ, wars will cease. We will no longer covet what our neighbor has, neither will we break in on him and steal, and rather than apply the lightning torch to his cringing flesh, we will pour on the oil of balm, and like little children at play, we will have learned the righteous way and dwell in the realms of peace.

North Street Christian Church News
1026 9th St.
RAYMOND BROWN, Reporter
1108 18th St., Des Moines, Iowa

The members and friends of Ninth Street Christian Church have been enjoying the newly remodeled chapel built within the fourteen-room apartment the State of Iowa purchased two years ago. For that period of time, this building served for both the church and parsonage for the pastor and family. But due to the growth of the membership of the church and the increased activities of the religious educational department, there arose the problem of needing more space. While everyone was trying to solve the riddle, the pastor and his wife purchased a beautiful modern home in the next block on the same street of the church, moved in, and now the entire apartment of fourteen rooms will be used for the church.

The new home of the pastor and family is: 1182 9th St. This home was not purchased by the church nor the state. It is the personal property of the Hawkins.

The remodeling was done by the members and friends of Ninth Street Christian Church. To have secured outside labor and all, the entire cost would have amounted to $1,140.00. But with a group of people working daily from June 1 to September 1, cut the cost to $197.85. Not only did the members and friends save money for the church but it did them good to "get those hands into the work."

The building program is still on the way and just as soon as the proper materials can be secured, the new church building will start on the way. Since the material is doubled in its price, the need for increasing the building fund is very necessary. We now are at $19,000.00 from the last goal. Any friend who wishes to make a contribution to this fund, just mail it to Ninth St. Christian Church, 1026 Ninth St., Des Moines, 14, Iowa, care of J. J. Hawkins.

The church is proud of her services rendered by the members and friends. The church choir is made up of eighteen voices of young people who are now attending school at Drake University. Out of the 128 Negro students at Drake, the church receives the service from 57 of them. The young adult group which assembles each Sunday evening for the Christian Youth Fellowship is rendering a service which is startling the city. When ever a handfull of young people grow from the number 6 to 57 and continue to grow, it seems to be a bit startling to most people. The pastor, himself, cannot explain the progress or at least he will not make any comments. He merely replied: "You folk should know; you are the ones who are doing the job."

The pastor seems well pleased with the support he is receiving from four more of the Jarvis students who are here this year at Drake doing postgraduate work. They are: Raymond Brown, Aubry Lewis, Jaunita Johnson, and Miss Marcella Washington, daughter of President and Mrs. P. C. Washington. With these four, Mr. and Mrs. Hawkins, and Iola (Lyons) Dedman who is at the time in Dallas, Texas, we could soon start a Jarvis Club.

We will be with you in the next issue also. Until then, may God's richest blessings be upon you.

840 Franklin St., Fulton, Mo.

This comes to let you know that the work moves along in Missouri. We just closed a fine District Convention on October 20 at New Haven, Mo. Mr. R. L. Grove, President of the District, and Mrs. Mary Van Buren, Secretary. This church building burned in August, but the people were very eager to entertain us and did it in a fine way. Six churches make up the District, and they all represented. The writer called the State Board meeting preceding the Convention. Those who attended the Board meeting were, Rev. Raymond Walton, pastor of Hannibal Church; Rev. D. W. Bradshaw, pastor of New London and Vandalia; Rev. Frank H. Coleman, pastor of Columbia; Mrs. Floyd Wilson, President of State Council; Rev. R. Westley Watson, Tri-State Evangelist; and Rev. Wm. Martin, President and pastor of Fulton. Others who were to have been present were not because of sickness and matters over which they had no control.

The Convention proved to be a great revival period for the church because they had become discouraged. The building destroyed and their pastor resigning served as a great blow to them. The Evangelist spent some time with them getting them ready for the Convention and helping them to arrange to rebuild the church. We are hoping that in the very near future they will be ready to begin rebuilding.

Our Evangelist, Rev. Watson, spent a few days in Chamoise and baptized three into the church. We have three vacant churches in Missouri. They are: Madison, New Haven and Blackwater. Rev. P. A. Gray, our very able pastor of St. Louis, who has been ill, was able to be present and made a great contribution to the program. He brought a very fine message. On Sunday we had an old-time meeting. The sermon was delivered by the State President, Rev. Wm. Martin. The Convention closed in glory. All praise is due to God who gave us excellent weather. We raised close on to $200.00.

MRS. ALMETA HENDERSON, Reporter

We can truthfully say that the spirit rides high each pastoral day. We had splendid services on last Sunday, October 13th. Pastor Washington preached out of his soul from the subject, "I'll Open Up My Eyes Unto the Hills." We most surely enjoyed the message. Our Sunday School is fine under the direction of Superintendent James Hunt. B class is usually banner class. The young people seem to be very interested toward their duty; we were proud to have had visiting us Mr. B. J. Roy, a very splendid man of our community, one who served in the Armed Forces for some time, one who made most of his learning. After his return home, in a short while, he bought land and went in business. He built a nice modern home, a two-story building, dwelling upstairs. A grocery store downstairs, also filling station; everything convenient; has gas, electricity. We must give such young men of our race our cooperation. We as Christians must help him to grow from a small acorn to a huge oak. We are asking the prayers of the Brotherhood that we may do more work for the Lord.

Sister Lucy Bridgewater, a pioneer of

was successful in getting Elder T. R.

living charter members today: Sister

Evelyn Hightower Churchill.

The opening program showed that
Elder Wm. Alphin preached the sermon:

There have been 20 ministers to serve

We would like very much to hear

you would like to make a contribution
to this work, it will be greatly appreci-
ated.

MRS. HUGH HAYES
611 N. 11th St., Paducah, Ky.

We are proud to report that we have
called a pastor for our church in Pa-
ducah in the person of Rev. Washington
from Lexington, Ky. Probably you know
his initials. Just now I don't recall
them. He seemed to be a very intelli-
gent and well prepared young man and
I feel that he will aid our church very
much in bringing about God's kingdom
here on earth.

Our sister church in Mayfield, of
which Rev. Hugh Hayes is pastor, suc-
sessfully held a revival in September.
Rev. Eugene Patterson, of Mt. Sterling,
conducted this meeting in which nine
members were added to the church.

The church has made wonderful progress
under Rev. Hayes' pastorate. They are
planning on making additions and re-
modeling the present edifice.

In the near future I'm sure that I
will have much more and better news
from this end of the state.

Port Gibson District No. 1

Mrs. E. E. CHAMBLISS, Reporter
Tillman, Miss.

The Port Gibson District No.1 Church
School held its quarterly meeting at
Little Zion Christian Church October

26-27, 1946. We are thankful to say
that we had very pleasant weather.
Brother E. M. Williams was the presider,
and was at his post of duty. Elder
J. C. West preached the sermon on the
first day, from the 22nd chapter of
Matthew, the 42nd verse. He chose
his subject, "What Think Ye of Christ?"

He preached an interesting sermon,
seemingly out of the depths of his soul.

During the afternoon session the Chris-
tian Endeavor period was very interest-

ing, with Brother C. E. Chambliss the
presider. A very interesting subject was
discussed. "In What Way Can We
Best Reach the Young People of Today?"

This district sent two delegates from
Christian Endeavor to attend the S.C.I.
Conference. One made her report. The
other young lady was ill. We are in
hope that these delegates will come back
to their local church schools and help
the other young people by putting some
of these activities to work.

On the second day, church school was
conducted by the pastor (Elder James
Henderson). Since the Superintendent
was ill, I think it's a fine thing for the
pastor to take interest and carry the
work on. Brother Eddie West taught
the adult class. The subject of lesson
was Paul's Mission in Asia Minor. We
were fortunate to have our ex-district
Presider in person, Brother C. W.
Wynn of Memphis, Tenn., who made a
very good comment on the lesson.

The program of the Christian En-
deavor was better still on the second
day. Such wonderful papers, recitations,
and songs until a young man from the
rear, Mr. Smith Moore in person, rose
introduced himself. His heart was so
full until he could no longer hold his
peace. He was then invited to the front
and made some very timely remarks.

After Conference Class, which was taught
by Brother R. K. Wynn, subject: The
Old Testament History, Elder James
Henderson delivered to us a sermon
from the 9th chapter of Acts. He chose
for a subject: "What Will You Have
Me to Do?"

Our Hancock Day and Annual Home-
coming was quite a success in every
way. At the Sunday School hour the
Girl Scouts of Hannibal worshipped with us.
Rev. R. Wesley Watson, our Tri-State
Evangelist of Missouri, Arkansas and
Kansas, brought the morning message.
A member of the Gideon Bible Society
brought a brief message on the work
of the society. Soloists for the morning
service were Mesdames Clara Allen and
Louearn Grant. A very sumptuous
dinner was served after service to some
200 people. At 3 p.m. the Brotherhood
spiritual singers gave a musical pro-
gram and the all church Union Service
closed the activities of the day at the
evening hour.

Proceeds for the day were $510.68.

She now serves as a committee member of Metropolitan Church Federation of St. Louis, Director of Christian Education for Centennial Christian Church, St. Louis, Missouri, of which Rev. P. A. Gray pastors. Member of the Curriculum committee of Division of Christian Education of United Christian Missionary Society. She is a public school teacher in the St. Louis system of schools.

West Central Africa Regional Conference

Dr. C. M. Yocum of the Division of Foreign Missions of The United Christian Missionary Society was one of 197 delegates from 44 societies and missions to the West Central Africa Regional Conference, held in Leopoldville, Belgian Congo, July 13-24 this year. Delegates represented Protestant mission work in the Belgian Congo, French Equatorial Africa, Angola and the Cameroons. Thirty-one were African. Attending from our Congo Mission were Mr. H. Gray Russell, Mr. Robin Cobble, Miss Gertrude Shoemaker, Miss Martha Bateman, Mr. and Mrs. Fred Rowe, Fanga Leon, principal of our school at Coquilhatville, and Bolongwa Elie, a district evangelist in our Ubangi-Ngiri field.

The theme of the conference was "That They Might Have Life." Discussion groups considered the following sub-topics: The Christian in Africa, The Church in Africa, The Challenge of Changing Conditions, and Christian Responsibilities in Health, Education, and Literature. Some of the problems raised made urgent by industrialization and modernization were: the need for new missionaries to meet the rapid influx of population into city centers; the improvement of mission education facilities in the light of the changed government attitude toward subsidizing education; methods by which the best trained Christian leaders can be retained for the work of the church in these days of rising prices; village health programs; improved relationships with governments; and a larger place for the African leader in the African church.

Our Congolese delegates expressed their great satisfaction with the conference. While they had known academically that the church is world-wide, yet to mingle with African and white Christians from many sections of Africa and from foreign lands, to sit in communion with them, to confer with them, to eat at the same table with them, gave a real insight into the meaning of an ecumenical church.

The 11 o'clock service was well attended also. Over 200 were present. Elder Hunt chose as his subject, "The Time Is Short."

The fourth Sunday in October was known as Elder Crawford's Day. Many fine tributes were paid Elder A. C. Crawford and he measured up to the qualifications set forth in 3rd chapter of Timothy. Elder Crawford is Assistant Pastor of Mississippi Boulevard Church.

High St. Christian Church News

By MARY W. MORTON

649 E. Main St., Mt. Sterling, Ky.

We are having a grand revival here. Rev. E. W. Daniels, Pastor of Vine St. Christian Church, Knoxville, Tennessee, is the evangelist and he is bringing wonderful messages each night. Rev. Daniels is also President of the Tennessee State Convention.

We have completed renovating our church and installing new furnaces and we feel very proud of our beautiful church.

Our church is growing numerically, for five persons took membership with us Sunday, September 15th. On Sunday morning, an elderly lady, the mother of Mrs. Mary Dean, took membership with us. For a number of years she has been a faithful member of Prall St. Church, Lexington, but at present is making her home with her daughter. On Sunday evening, Mrs. India T. Davis, two nieces and nephew united with us. They were members of Stepstone Christian Church but are now residing in this city. Mrs. Davis has a wonderful influence over the lives of her nieces and nephews and is setting a good example before them by her Christian character.

Rev. Patterson has just returned from Mayfield where he closed out a successful revival for Rev. Hugh Hayes. Nine were added to the church, all adults.

District No. 6 Meeting of the Church Department, Bible Schools, Women's Missionary and Young People's Societies was held here October 5-6. We had a splendid meeting, both State and National workers were present.

Music, As It Affects Human Life

N. J. Dickerson
Box 83, Bluefield, W. V.

Music has its charms, and by its charms men, women and children are made to laugh, love, dissipate, weep and fight. Our emotions are kindled or killed according to the variety of music we hear. We make—at least ought to make—music, and music in turn makes us. Men can be—and often are—made into kings or culprits by the type and quality of music they imbibe.

Music is truly a window of the inner recesses of the human heart. Through it we look out into a world and see it, not as it is but as it is but it is ugly or beautiful according to the music emanating from our hearts. We frequently sing songs that make the world a gloomy place in which to live, and we sing songs that wipe away our gloom and tears—songs that beautify the world, make us happy, and those about us happy.

Through music people are able to look into our hearts, to read our minds, to discern our most precious and carefully guarded secrets. Men can be evaluated—judged, if you please—by the type and quality of music they make or the kind of songs they enjoy.

Highlights of His Life

He was born in Quitman, Ga., in 1890, the eldest son of George and Sally Elizabeth Tillman. He got his elementary school training in elementary training school in Somerville, Brooks County, Ga.

He became identified with the church at an early age. He was ordained to the office of deacon in the year of 1917. He married the daughter of one of the outstanding Disciple ministers, Elder W. B. Wilson. It was under him he finished his training as painter and interior decorator. He came to the East in the year 1922 and took a course in college. He then was permitted to attend the Union Theological Seminary. He made Bachelor of Divinity. He
Music, As It Affects
(Continued from Page 1)

It has often and truthfully been said that Negroes are gifted singers. Nature was kind to them in giving them lungs, vocal cords, teeth, and lips peculiarly fitted for producing tones rich in quality, and discriminating ears to detect and weed out anything that in any way borders on discord. Too, she endowed them with a philosophy that enables them to forget, at least temporarily, burdens and trials, great and galore, which have always been unfair, and lift their voices in melodious song. For these gracious gifts we praise our Maker from whom all blessings flow, and to whom all praises should ascend.

Chattel slaves could "Steel Away to Jesus," or impel a chariot from on high to "Swing Low" enough to lift them from their lowly and lonely habitat and carry them to a lofty yes, a heavenly home. Songs—heartfelt and melodious songs—calmed their ill-gotten fears, erased their every doubt, and took their weary feet out of the miry clay and placed them on the rock of eternal ages.

Yes, Negroes have played a worthy part in creating their ample share of the world's music, but this is no time to stake our pride in a yester-year. We have produced, and are yet producing some of the world's best singers and composers, but this is no time to point with egotistic pride to a few gifted musicians. There is no time for bragging and boasting, for "Pride goes before destruction, and a haughty spirit before a fall." There are yet worlds to conquer. We have so far wrought well. But where do we go from here?

Our churches would do well to make special effort to provide more and better music and have more people take part in making that music. Choirs are good, yes, we need more of them, but congregational singing still has a worthy place in a progressive church. It is good to listen to music but it is so much better to make some of it ourselves. "LIFT EVERY VOICE AND SING."

was retained by the Seminary and for a few summers he was retained as a teacher of paint and chemicals at the Catskill Mountains, Kingston, N. Y. In 1929 he was ordained to the ministry. He then took a course with N. Y. U. He served in the A. F. R. O. Christian Conference in the states of New York, New Jersey and Pennsylvania as state field secretary. He was assigned to New Brunswick, N. J., by the State Convention in the year of 1931, of which there was no congregation and no worthwhile church. During the years of 1934 and 1935 he founded and organized the Rescue Christian Mission.

This is a charitable institution and is incorporated in the State of New Jersey. During the five years, 1934 and 1935 his time was much devoted to the unfortunate people in the city in which he resided and in connecting with both races. Food and shelter was provided during these years of depression. Such clothing and fuel as could be obtained was supplied by him at no cost to the consumers. Physicians and medicine were given to many families through his efforts. He has succeeded in building a new church which is a concrete structure, with a membership of about 40 odd members. Total value of church and property is $40,000.

The Rev. Hillman is now engaged in the church as pastor and is endeavoring to bring about a fluctuation of Christian Churches in New Jersey. Many ministers have told him there are enough churches but he says since there aren't enough saloons and pool-rooms (according to the desires of the public) he says there isn't enough Disciple Churches. Therefore, he is using every effort in his power to establish more Christian Churches in New Jersey. He was elected to the office of Justice of the Peace in the year 1937 and re-elected in 1943 and is the only colored magistrate in the City of New Brunswick. He owns and operates an employment agency according to the state laws of New Jersey. He also owns and operates a real estate and insurance agency in the City of New Brunswick and is doing everything in his power to promote the success of his people. He's a member of the Knights of Pythias in good standing, Bright Hope Lodge No. 36. He's a member of Benevolent Protective Order of Elks, Superior Lodge No. 115, and also a member of Good Fellowship Lodge No. 53 of A. F. and A. M., and believes in a fair thing by all men and is ready and willing at every beck and call to serve his fellowman.
high day with all. The writer was booked to have had fellowship but was unable to attend.

The district meeting of Missouri, No. 3, was held at New Haven, Missouri, with the writer as acting pastor in charge. R. L. Grove, president of the district, brought a good message. Much information and inspiration was enjoyed by all who were present. Elder Grey of St. Louis, Frank Coleman of Columbia, and William Martin brought helpful messages. The theme was "The Resurgence of Christian Living." Mrs. Floyd Wilson of Fulton, Mo., state president, was also among the delegates. This church was destroyed by fire and at our State Board Meeting with William Martin, state president, it was agreed to have the evangelist take over the work, and with their help, lead them into their new building. The delegation was well cared for. Elder Bradshaw and Walton were among those attending the board meeting.

Elder J. Hurd Cooper and Miss Nancy Thompson of Fulton, Missouri, were united in the bonds of holy matrimony in October. Elder W. S. Sims, of Lawrence, Kansas, performed the ceremony.

Elder J. P. Washington, one of the oldest pastors of Missouri and who has done a most creditable work at Jefferson City, Missouri, is not well and has been absent from his pulpit for more Sundays than he wished to be. He is some better at this writing. He has on a great building program. I ask the prayers of this brotherhood for him. His address is 1012 East Miller Street.

A Resurgence of Christian Life

L. Ruth Patterson

September 1, 1946, the Brotherhood launched into a mighty Crusade for a Christian World. The first great emphasis of this Crusade is on the "Resurgence of Christian Life." This means, in the most simple terms, the rebirth of Christ in the lives of His people.

An effective resurgence of Christian life must begin in the life of the individual. Each individual must unite in an effort to make the true significance of Christianity real to every person in our society, regardless of race, creed or color. Our task, hence, to make this Christian world, must be done together as Christians.

We have long sought methods and techniques for solving our problems of nationalities living and working together in a harmonious relationship. The answer to this problem is yet in the distant future, unless we, as Christians, are willing to go the last mile of the way. The example we have for us to live as Christians has been pointed out in the life of Christ.

As Disciples, we have done a great deal toward interpreting the teachings of Jesus on the Fatherhood of God and the brotherhood of man, with respect for human personality. We are far from interpreting it in our lives as we live in our communities daily. Will Christians always be prone to lag behind in making the Christian Message a LIVING reality in our world?

Many opportunities present themselves for us to become acquainted with people of different skin colors, cultures, and customs. May we consider a few opportunities of fellowship? Worship and Communion before the altar should include all people. We have found that around Women's Council Luncheons there is another splendid opportunity to share the wider Christian Fellowship. Christ often ate with persons that He might come to know them better. Is it not possible to have other nationalities, as we hold week-end retreats or one-day conventions, share in the program? If the emphasis in the Crusade for a Christian World is to have any meaning in "The Resurgence of Christian Life," it must help cleanse our hearts and thus include the fellowship of all people. Unless we, as Christians, become tolerant to all people within our bound-
aries, we will fail our Christ and separate ourselves from the covenant, His promise.

The Passing of a Good Woman

By Mrs. J. N. Ervin

1643 Dunbar St., Knoxville, Tenn.

It is so natural that we fall asleep Like tired children when the day is done,

That I would question why the living weep

When death has kissed the laughing lips of one.

We do not sigh when golden skies have donned

The purple shadows and the gray of night,

Because we know the morning lies beyond,

And we must wait a little while for light.

So when, grown weary with the care and strife,

Our loved ones find in sleep, the peace they crave,

We should not weep, but learn to count this life

A prelude to the one beyond the grave;

And thus be happy for them, not distressed,

But lift our hearts with love to God and smile,

And we anon, like tired ones will rest

If we will hope and wait—a little while.

—Ella Bentley.

Mrs. Eleanor Dockery was born April 21, 1881, in Johnson City, Tennessee. She was educated in the city schools of Johnson City. In 1918 with her husband and children, she moved to Hawkins, Texas, where she did her junior college work at Jarvis Christian College.

At the early age of 11 years she became identified with the Christian Church in her home town, and lived a consistent Christian. In her school days as well as in later life, she was always ready and willing to contribute of her time and talents to the program of the church. She was united in marriage to Mr. T. M. Dockery, December 23, 1902. On Thursday morning, November 13, 1946, at 2:15 a.m., she passed at her home in Hawkins, Texas. To mourn her passing, she leaves six children, Mrs. Ottie Glover, Mrs. Ione Porter, Amelia and William Nelson, all of Hawkins, Texas; James and John Isaac, of California, one step-son, Charles, of Morristown, Tenn., one.

Did you not know that the Ninth Avenue Christian Church, as the reports now stand, stands first in talent and third in giving at our National Convention, and on top of all of this, it raised over seven thousand dollars ($7,000.00) for the new building they have just purchased with an accommodation of twenty-seven separate rooms and two auditoriums. We hope to do as much in the coming year as we have done in the past, and if we do, the church will be paid for. This goes to show what can be done through a cooperative effort.

The board of the Piedmont Tri-State Convention was called to order by the president, Elder C. H. Webb, at the Christian Institute. He is a teacher of Homiletic there. The meeting was called October 26, 1946, at which time the Executive Board was organized and committees were appointed to identify the work of the former conventions. J. C. Harrison was elected as chairman, and D. W. Heath was elected as secretary of the board.

FLASH—Winston-Salem, N. C.

It was noticed in the board meeting that Elder R. L. Peters, who was chosen to be the national evangelist of the Board, constantly referred to the National Christian Convention as Our Great Convention that was held in New York. This shows a fine cooperative spirit on the part of our church.

We are glad to say that we are still laboring to win souls for Jesus. New members are still coming into our midst both by baptism and from Christian experience. Our minister, Rev. John L. Dickerson, expounds the scriptures so true and simple that a wayfaring man though he be a fool need not error. Our clubs especially our Eleazer and others made up of our young people, are planning to make Christmas merrier for us by bringing to us bigger and better programs this year. We are delighted to say that our stirring choir was invited to take part in the annual Song Fest rendered Sunday afternoon, November 17th, in Emery Auditorium, featuring some of the best choirs and outstanding music directors of our city. They not only received the honor, but brought to our church treasury $36, which represented their 50 per cent of the ticket receipts sold by them. We feel very proud of them. Our officers are deeply engaged in making plans for our Mortgage Burning, which takes place in the near future. Bro. Albert Parks is home from Dayton where he was hospitalized for a number of weeks, but, sorry to say, he is still a very sick man, but we are still praying for his recovery, feeling that where there is life there is hope and God is still able to do all things. Well, we haven’t a lot of news at this writing but we still believe in the little verse which says: There are noble hearts, There are loving souls, There are spirits brave and true. Then give to the world the best you have and the best will come back to you.

"The Christian and Race—What More Can We Do?" The very fruitful discussion in the CYF (Christian Youth Fellowship) meeting November 24th derived from this subject. In previous meetings, the following topics from the general theme, "The Christian and Race," were discussed: Our Differences and Our Likenesses, Why These Conflicts.
Ample authoritative information pointing out the basic composition of such issues as prejudice, segregation, etc., and viewpoints on how these conditions should be challenged was given from the publications, "Sense and Nonsense About Race," by Ethel J. Alpenfels, and "How—Then Act," by Margaret McCulloch. The comments given indicated that there is deep concern in each member's desire to see the organization develop to that stage wherein its functions will be very decisive in the task of making the world of tomorrow peaceful, just, beautiful and harmonious.
Let us hear from other Young People's groups.

Pine Hill Christian Church

I thought the brotherhood would like to know something about one of the oldest churches in District No. 8. We are doing splendid work with Rev. T. A. Armstead as our pastor. The whole membership are in love with him. A good follower will make a good leader, we can tell this by our pastor. He is a God-sent man and can lead thousands of people in the right direction if they only follow.
Sunday, November 24, 1946, was a high day at our church. Sunday School open at 10 a.m. with Supt. Elder W. M. Cox, in charge. Men's Bible Class taught by Prof. W. A. Fuller, women's class taught by Sister Lula Jordon, Junior class and little children's class taught by Sister Ada Washington. Sunday School lesson reviewed by pastor, who enlightened us in many things. The spirit ran high both day and night. The pastor preached out of his soul from the subject, "Dominion Restored." The message was enjoyed by all. Our pastor is a real gospel preacher. If any one hungry for spiritual food come to hear him. He will feed you direct from the Holy Book, the Bible. Not with words from Mr. Webster or from the Encyclopedia, but where the common man can receive spiritual food. If you read in the Bible very carefully. I think you will find these words from Paul to Timothy: All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness. That a man of God may be perfect, thoroughly furnished unto all good works. Sunday night the pastor preached a Thanksgiving sermon to the Missionary Society. "Faith in God and Faith in Yourself." The Pine Hill Church is well organized with fourteen elders and deacons, fifteen with the pastor. Pray that we will continue in Kingdom building for God.

These are but a few lines to let you know we are still on the firing line. Our church is moving along nicely. We are planning a rally for the fourth Sunday in December. The Missionary Society is working hard to bring in its twenty-five dollars; the church is to bring in twenty-five dollars and the Bible School is to bring in twenty-five dollars. Pray for our success in this struggle.
Sister L. Gray and Sister A. W. Davis are not leaving a stone unturned.
Yours for the great cause to the Christian Plea.

Everybody works with her nicely and that is what it takes, cooperation.

We lost one brother, who passed a few days ago. He was Brother Elmo Williams, who was a member of Pine Hill Christian Church. He moved to Jacksonville and was attending Balton Christian Church. We all loved him, but God loved him best.

Now that the conventions are over, we have settled down for another year’s work. We are praying for another highly successful year’s work throughout the brotherhood. Our church work is running along smoothly. Everyone seems to have taken on an air of enthusiasm. A revival which was conducted by Elder T. R. Moore was quite successful, two by primary obedience and two from other connections. Everyone was benefitted by this meeting.

The missionary society gave a beautiful tea at the home of Mrs. Daisy Dean, Sunday, October 20. The amount received was $50.92. We are working hard to bring the Loving Cup to Arkansas.

We were one of the churches included in the ten per cent legion of the World Call. We were able to get twenty per cent of the membership to subscribe for the World Call. We are looking forward to a great time on Women’s Day, December 1. Our speaker will be Mrs. Orene Cole, who is a home demonstration teacher in Arkansas. We plan to have an all-woman’s choir on that day.

The official board made a step forward at its last meeting by joining the Pension Fund. The pastor had joined previously.

The Thanksgiving Program went over in a big way. The children are ever eager to give service. The young matrons held service at the home for the aged, Sunday, October 7. The senior missionary society donates three and one-half hours of service to the orphan’s home one day each week. The usher board spent an enjoyable evening at the home of Mr. and Mrs. Bernard Mattison, October 1. The junior choir was at its best in a recital on the fourth Sunday in October.

We solicit your prayers that we may build anew with Christ.

These are but a few facts to our women. Please read Titus, second chapter, first and second verses. Speaking through the things that become sound doctrine, this says to the man of age, be sober and grave, which is serious to the teachings of those young men. Be temperate, sound in faith and charity, not a novice. This means to welcome your sister, brother or minister to your pulpit or home. If we do, we will not be easily puffed up over our differences and so on.

The aged women are to do likewise that they be in behavior and become holy and not false accusers or drunkards, but teachers of good things. They must teach young women to be sober, to love their husbands, and to love their children; to be discreet and chaste keepers at home, also good and obedient to their own husbands, so that the word of God be not blasphemed. We aged women are held accountable to inform you.

Paul, the great evangelist of that age which we find in the New Testament doctrine said, “Let everything be done in decency and in order.” If that be true, the women must change their style of dress. 1 Timothy, 9-10 verses says “In like manner that women adorn themselves in modest apparel.” I am sure we all know what modesty means, so that you will not feel ashamed as you go on the street or sit on buses. Now, in some cases, women are not to take the power over the men but just keep quiet until they are asked and, at other times, Paul tells us, to speak and teach the good things of Christ and humanity. The woman has the power to lift the man from the world if she will do as the Bible teaches her. It is my privilege to give the great women of our churches much honor as they go through this sinful world. But, there is a class that I can help send there is a class that I can help send to that lake that burns with fire and brimstone, where most of them are going to make their homes.

I was very sorry that I could not attend the National Convention in Brooklyn this year, but I hope that we can see great results from those who did attend.

Now, I will give you some of my knowledge and experience of the various convention, namely, Arkansas; 49; the White State Convention, 15; our International Convention, 15; our National Convention, 29. There were eleven conferences held at S. C. I. My husband and I paid our expense to and from to all but six with much pleasure and gratitude to see and to learn the work of the church more perfectly. We did not regret it. It was a pleasure. I am praying daily for the church to go forward.

We are always glad to have Rev. R. H. People stop by to see us whenever he can. I was also glad to have Rev. F. M. Mitchell, his wife, and two sisters from Los Angeles, California, stop by and visit us. He didn’t forget to pray with me.

We are always delighted to have Elder Wesley Watson, our Tri-State evangelist, come to see us, twice a year. We pray God’s blessings on him.

New Mt. Olive Christian Church

Mrs. Otha Dunn, Pastor
Henderson, Texas

The New Mount Olive Christian Church and its friends are thankful to God for their great leader, Rev. T. A. Armstead. He is a gospel preacher and is loved by everyone. Without him, the church would be lost. We, as Christians, are trying to make his stay happy and pray God will give him strength to deliver the spiritual food to his members and friends.

November 10, 1946, was a high day. The spirit of God was in every member. The pastor preached a soul-stirring sermon. He took his text from the third chapter of Exodus and the third verse. His subject was “Turning Aside to See the New Sight.” Sunday night was a soul-stirring night. His text was taken from Matthew 28: 20. His subject was “The Dominion Restored.” We wish that everyone could have heard him. We are still feasting on spiritual food. We know you can bear witness with us when we say he is a great minister and gospel preacher. Along with him is his wife, who is serving in any way she can to help him to be a success in life. She is always willing to go down with him in the building of God’s Kingdom.
Thank You

We take this opportunity at the end of the year to look back with satisfaction at the events of 1946. It has been a great year for our churches everywhere, and therefore a great year for us. Orders for Sunday School material have broken all records during the year just closing. Thank you again for more and larger orders. We shall do our best to continue to merit your support.

A Successful New Year!

Best wishes to all our churches for an even bigger, more successful year in 1947. It will continue to be our endeavor to provide you with materials that not only teach the Bible but translate those teachings into everyday Christian living, and to render such service as you have a right to expect from your Brotherhood Publishing House.
