**RESOLUTION ON MATTERS REFERRED FROM THE BIBLE
SCHOOL AND WOMAN'S MISSIONARY SOCIETY
CONVENTION.**

To the Bible School Convention: In regard to the recommendation of your Future Work Committee, the Joint Executive Committee approves the recommendations submitted with the exception of those items referring to Scholarship Funds. With regard to this fund we recommend:

1. That because of the administrative difficulties involved it is preferable that scholarships be raised and administered by the states or by local organizations, and

2. That because scholarship funds are operated through administrative offices of the schools, and

3. That because an asking and spending budget of at least \$16,000 is being submitted to the National Convention which, in our judgment, will require our complete and united effort, and

4. We wish to commend the president of the Bible School Convention and his co-laborers for their praiseworthy effort in behalf of said noble enterprise, but we feel it is not feasible for the reasons stated above.

To the Women's Missionary Society: In view of the above statements we feel that we should recommend that no scholarships be undertaken by the Women's Work.

SIGNED BY THE JOINT EXECUTIVE COMMITTEE.

RESOLUTION ON HANDLING OF FUNDS

Resolved, first, That hereafter all contributions from the Negro Churches and their auxiliaries, except representation fees and offerings in the Sunday School and Woman's Missionary Society Conventions, be sent to the United Christian Missionary Society to be put into the general fund for world-wide work; but it is urged that care be taken by the remitters to state clearly that it comes from Negro organizations.

Second, that the Joint Executive Committee be asked to recommend to the United Christian Missionary Society a budget for activities among the Negro Churches to be taken out of their general fund.

RESOLUTION ON NEWSPAPER.

Whereas, in our judgment, the best interests of this brotherhood would be conserved by the publication of a Christian Journal in which the constituency of the National Convention would have increasing responsibility in its operation, and

Whereas, there is in such a journal a place of great power for good or evil, therefore,

Be it resolved, first, that it is our belief that such a journal should be published under the regular joint organizational auspices rather than by separate and independent guarantees, and

Second, that we recommend that the Gospel Plea be transferred to the Joint Executive Committee for management and to be transformed to more fully serve the needs of the Church, and

Third, that the National Convention be requested to appoint a commission on ways and means to provide necessary funds for the purpose indicated, and

Fourth, that when these funds are raised and turned over to the Joint Executive Committee a printing plant be assembled and located in a convenient center, and an editor shall be nominated by the Joint Executive Committee who shall be accepted and approved by the National Convention.

ELDER CRAWFORD,
ELDER HEROD,
ELDER LEWIS,
ELDER LEHMAN,
ELDER TAYLOR,
MRS. ALPHIN,

Joint Executive Committee.

Resolved, that the Joint Executive Committee make the following report on the budget:

I. Christian Stewardship.

In view of the great necessity of lifting the vision and response of the entire membership of the Church to a point commensurate with the world-wide needs of the kingdom, we ask that we foster an undergirding policy of Christian Stewardship, including a three-fold program of enlisting (1) Life, (2) Service, and (3) Substance.

II. An Asking Budget.

1. That the fiscal year begin July 1, 1925 and end June 30, 1926.
2. That we undertake to raise a total sum of not less than \$10,000 for the general fund of the United Christian Missionary

Society to be distributed as follows:

(a) That the field worker for the Churches be asked to raise \$4,000 from the Churches as churches.

(b) That the field worker for the Woman's Missionary Societies be asked to raise \$3,000 through the leading of the women.

(c) That the superintendents of Religious Education be asked to raise \$3,000 through the Sunday Schools and Endeavor Societies.

3. That a specially designated fund of \$6,000 be raised from the churches, with the Woman's Missionary Societies leading the movement, that we may discharge our obligation to the Church Erection Department for the Washington Church by giving \$1,000; and that we may make available funds already in the treasury for the erection of the first unit of the building of the Central Christian Institute by giving \$5,000. It is recommended that we emphasize the importance of the payment of the Emergency Pledges which have been depended upon to accomplish this work.

III. A Spending Budget.

We recommend to the United Christian Missionary Society for approval the following budget to meet the imperative needs of the work:

Salary of Field Worker for the Churches	\$ 1,800.00
His travel	700.00
Field Worker for the Woman's Missionary Societies.....	1,440.00

REPORT TO THE NINTH NATIONAL CONVENTION

Dear Brethren:

I am glad of the time I can make my fifth annual report as Regional Evangelist of Alabama, Florida, Georgia and South Carolina.

Glad to say that the work in these four states is growing, though it is slow.

There are 17 churches in Alabama with a total membership of 900. There are eight preachers to take care of the 17 Churches, some, of course, are not pastors.

There are eight churches in Florida with a membership of perhaps 160. There are six ordained ministers in the state. They have the W. M. S. organized there in two or more of the churches. The Bible School is doing a little constructive work.

As to Georgia, the whole state does not work together. I could not say it is friction, but I will say they do not work together. There are 14 churches. There are eight preachers to take care of the work in Georgia. There is approximately a membership of 500.

In South Carolina there are 18 churches with a total membership of approximately 1,000 members, with 9 preachers to take care of the work.

I have held three institutes the past year, held five meetings, preached 160 sermons and have added 18 to the Church. I have raised \$517.97 on the field.

In the past year we have lost two very strong workers, one of Georgia, in the person of Brother Geo. White, and Elder H. J. Bray-bon, of Alabama.

I. C. FRANKLIN, Regional Evangelist.

THE OFFICERS OF THE CHURCH, HOW CHOSEN AND ORDAINED.

It was not long after the church was established, on the Day of Pentecost, that it was found necessary to have direct and immediate supervision, in order that its future welfare and growth could be assured.

The first reason for this supervision is set forth by the Holy Spirit in His message through Luke, where stress is laid upon the qualifications of the men to be chosen, and these qualifications are, that men shall be full of the Holy Spirit, or in other words, guided by the Holy Spirit and full of wisdom. Acts 6: 1-5. And in those days when the number of the Disciples was multiplied, there arose a murmuring of the Grecian Jews against the Hebrews, because their widows were neglected in the daily ministration. And the twelve called the multitude of the disciples unto them, and said, It is not fit that we should forsake the word of God, and serve tables. Look ye out therefore, brethren, from among you seven men of good report, full of the Spirit and of wisdom, whom we may appoint over this business. But we will continue steadfastly in prayer, and in the ministry of the word. And the saying pleased the whole multitude: and they chose Stephen, a man full of faith and of the Holy Spirit, and Philip, and Proch-orus, and Nicanor, and Timon, and Parmenas, and Nicolaus a proselyte of Antioch.

It is well to note here that they are not to be men who have knowledge only, but men who **know and do**, hence it is of supreme importance that care should be taken in seeking men for such high offices.

We have the warning, (lay hands suddenly on no man). Let these first be proved; let them use the office of a Deacon being found blameless. 1 Timothy 3: 10.

(Blameless not by the unrighteous, but by the righteous.)
 Moreover he must have a good report of them which are without.

How Ordained.

The laying on of hands was a primitive form of conferring an office upon a church worker, and being like baptism, a form Divinely given, and we are safe in using the same form.

When Joshua was to succeed Moses, he was ordained, by laying on of hands. Numbers xxvii. 18-23. And Jehovah said unto Moses, Take thee Joshua, the son of Nun, a man in whom is the Spirit, and lay thy hand upon him; and set him before Eleazer the Priest, and before all the congregation; and give him a charge in their sight. And thou shalt put of thine honor upon him, that all the congregation of the children of Israel may obey. And he shall stand before Eleazer the Priest, who shall inquire for him by the judgment of the Urim before Jehovah: at his word they shall go out, both he and all the children of Israel with him, even all the congregation. And Moses did as Jehovah commanded him; and he took Joshua and set him before all the congregation: and he laid his hands upon him, and gave him a charge, as Jehovah spake by Moses.

The Bible does not encourage any loose assumption of any sacred office. "The things written aforetime were written for our instruction" to show us that a mere election of church officers is not a suitable installation. We must not confuse the two by substituting the one for the other.

Joshua was first elected by the Lord himself; and so was Paul and Barnabas.

Acts 13: 2, And as they ministered to the Lord, and fasted, the Holy Spirit said, "Separate me Barnabas and Saul for the work whereunto I have called them." They were then ordained "by the laying on of hands," as seen in Joshua 1: 1-9.

Following the "laying on of hands," it is important that the charge be given to elders and deacons. Examples for such are found, for elders, Acts 20: 28-31, "Take heed unto yourselves, and to all the flock, in which the Holy Spirit hath made you bishops, to feed the Church of the Lord which he purchased with his own blood. I know that after my departing grievous wolves shall enter in among you, not sparing the flock; and from among your own selves shall men arise, speaking perverse things, to draw away the disciples after them. Wherefore watch ye, remembering that by the space of three years I cease not to admonish every one night and day with tears. 1 Timothy 3: 1-7. "Faithful is the saying if a man seeketh the office of a bishop, he desireth a good work. The bishop therefore must be without reproach, the husband of one wife, temperate, soberminded, orderly, given to hospitality, apt to teach; no brawler, no striker; but gentle, not contentious, no lover of money; one that ruleth his own house, having his children in subjection with gravity; (but if a man knoweth not how to rule his own house, how shall he take care of the Church of God?) not a novice, lest being puffed up he fall into the condemnation of the devil. Moreover he must have good testimony from them that are without; lest he fall into reproach and the snare of the devil.

And for deacons, 1 Tim. 3: 8-13. "Deacons in like manner must be grave, not double-tongued, not given to much wine, not

guilty of filthy lucre; holding the mystery of faith in a pure conscience. And let these first be proved; then let them serve as deacons, if they be blameless. Let deacons be husbands of one wife, ruling their children and their own houses well. For they that have served well as deacons gain to themselves a good standing and a boldness in the faith which is in Christ Jesus. And in Acts 6: 3, "Look ye out therefore, brethren, from among you seven men of good report, full of the Spirit and of wisdom, whom we may appoint over this business."

These charges should be delivered to said officers when taking upon themselves the responsible position assigned, rather than being satisfied with informal and trifling ceremony of electing by raising the right hand. And this occasion should be made solemn and impressive for both congregation and officers.

What Should be the Term Of Office for Elders and Deacons?

Is a question perhaps not so easily answered, since there seems to be no instruction in the New Testament regarding this matter.

Righteous common sense, condition and circumstance should determine this all important matter.

I do not hesitate to say that the idea held by some—once an "Elder or Deacon" always an "Elder or Deacon," has not only at times given trouble to the church, but has worked great harm to the elder or deacon who holds such views.

If the primary purpose and work of the elder is, "a worker for souls," and the primary idea and purpose of a deacon is that of "servant" or one who serves in the work of the church, then, when they themselves cease to act in this capacity, or cease to live the lives required of them in the New Testament, or when they become separated from the church, or where there is no church in reach of their service, then it would seem their term of office has ceased.

It might save humiliation to the officers and embarrassment to the church to elect or re-elect officers for a given period.

Relation to Minister and Congregation

The efficient wide awake elder or deacon is the very important link between minister and congregation. Their service is to be rendered in a helpful way to the minister and the entire congregation. This they should do with great profit to the Spiritual and to the temporal welfare to the whole church and minister.

Relation to the Co-operative Work and Its Appeals.

When Jesus said, "Go ye and makè disciples of all the nations," the co-operative idea of the brotherhood was expressed. No man lives to himself. We are our brother's keeper and helper. But how are we to know this? There must be a bond of union between the local and general workers, recognizing obligations to insure the growth of the general work, and there must be a knowledge of the various fields and their needs. How is this knowledge to be gotten? Not only is the ministry, but the officary must be instructed, and this instruction and knowledge must come through reading the religious papers, and books that tell of the needs throughout the brotherhood. This brings us back to the Great Commission, "GO TEACH."

When the officers are properly instructed there will be hearty co-operation in personal service and a liberal contribution of money to help carry forward and extend the Kingdom of God in the hearts of men.

The growth of the work will depend largely upon how the appeals reach and are accepted by the officers of the local churches.

The officers must have the vision, see the Man of Macedonia, and ears to hear the cry, "come over and help us." And behind all this, there must be the WILL to go over and help.

The poverty of the local churches is only imaginary, and is supported in many instances by the timidity and weakness of the officers. This weakness and lack of courage to co-operate with the larger work of the brotherhood and help it to answer its appeals is due to ignorance; but the time element must be considered in the growth of all the work of the brotherhood. First the blade, then the ear, and then the full corn in the ear.

With much prayer, and patience, and courage to labor on, the whitened fields shall eventually be reaped for the garner of our Lord.

W. H. DICKERSON,
608 Maple Street, Lockland, Ohio.

THE PRESIDENT'S MESSAGE

As we come to you each year reviewing the work and studying it from every angle, our hearts are either lifted or weighted down under the great responsibility.

What shall it be this year, one of great joy and happiness or one of responsibilities? To me it is one of responsibility as a church people who desire to face this progressive age with its teeming thousands of prepared men and women. In every sphere of life the watchword is preparation.

More is expected of, the youth today than ever before. More is expected of the leader than ever before. The march is an upward march. Shall we right-about face and face the task with unfaltering step? As missionary women are we living up to the standard of preparation?

Our missionary organization was fifty years old last year. But we Negro women have been organized into state organizations largely in the last twenty-five years, and into a National organization a few years ago.

It should be ours to link our state and national organizations into a strong body of consecrated Christian business women, co-operating with our white sisters in helping to preach the gospel to every creature. This can be done only by selecting the right leadership. A leadership that will build up and not tear down. Women who realize the condition of life and are willing to render an unselfish service in putting the program over.

It should be ours to build strong missionary societies in the local church, strong state organizations and a strong national organization. This can be done only by selecting the right leadership. Consecrated women who study the work, and know and feel it their duty to help give the message to the world.

These local, state and national organizations should so develop the work that the leaders of tomorrow will be better prepared women than we have had a chance to be. We can help do this

by carrying out our regular program using leaflets on the program, and having a missionary library with helpful books on our various mission fields.

Raising money is not the sole aim of the missionary society. When the young and the old shall know the needs of the field, the money will come.

It was a fine tribute paid to the late William Jennings Bryan that his morals could not be questioned. This should be true of leadership in the church everywhere. Men and women who must mould and shape the destiny of our church life should be clean always. Shall we not prayerfully consider our leaders?

Secondly, our work must be more constructive. Too many are saying in too many states, "Our women's work is weakening." We must have a woman worker who must give all her time to the development of the societies. Our national worker should have time to hold missionary institutes lasting a week as the Bible School and churches have done. Constructive programs should be rendered with the assistance of the state secretaries and local presidents, grouping the states together so that these meetings could be far-reaching. These women would go home with a new vision of their missionary work.

Here with these secretaries and our National Field Worker and representatives from the U. C. M. S. our women could receive a benefit of knowing how not only to develop the local society, but how to organize our young people and hold them.

At our state conventions, our national worker should hold conferences with the women also, to inspire them to greater work. When our women shall have that personal touch of the worker and fully understand the apportionment, there will be a joy in raising it. Missionary work like anything else must be given information if we wish to inspire the followers.

As churches we have not been able to have living links and support an individual on the field, but we can raise an apportionment, so that in a few years we hope we will be able to have living links. The growth of our missionary society depends on the amount of constructive work done.

Thirdly, we must think of our educational work as never before. When we note the number of churches needing ministers and none to go, we must ask, Why?

Last year we worked hard in the Golden Jubilee to raise five thousand dollars for a college in Kentucky. We went gloriously over the top. The brotherhood rallied as never before. Thus we have ten thousand dollars and a few hundred over for the Kentucky College. This more than ten thousand dollars await another thirty thousand to make the Kentucky College possible.

Are you thinking with me? I hope you are. Our white churches have grown, kept abreast of the times because they have Bethany, Hiram, Butler, Eureka and hundreds of other colleges to train their leadership. As a result they have produced statesmen, presidents and a ministry they are proud of. Thus the white brotherhood has grown by leaps and bounds.

Brothers and sisters have you not groaned within yourselves when you have noted the number colleges among the Methodists, Baptists and Congregationalists? If you have not, I have. Are we not compelled to send our boys and girls to other church schools for

The Future Work Committee made report which resulted in some discussion. A substitute motion carried that referred its recommendations to the committee, that they might confer with Joint Executive Committee and bring back report. Some discussion arose as to who are eligible to be delegates, which was settled by a motion made by Elder Brown of Mississippi that the rule of the Constitution on representation be omitted during this session and all having enrolled in this convention be recognized as delegates. Motion carried. Order of day was called which brought us to adjournment for supper. "Love Lifted Me" was sung and Elder Wm. Alphin dismissed the assembly with prayer.

President Davis with very appropriate remarks introduced Mr. H. S. Hutton who addressed the Convention on the subject of "The Unfinished Task." He gave many illustrations of tasks begun but unfinished and compared our religious life as such. He stated that Christ started a great work and left it with us to finish, the world task. Many achievements have been undertaken but the task is yet unfinished. He very beautifully awarded the Loving Cup to Brother Taylor of the Mt. Olive Bible School of Baltimore, Md., who replied that they appreciated the honor and that they would strive harder to do more in the future. The business end of the program having been finished, the evening's program was begun.

Prof. E. B. Toles of Paris, Ky., gave a wonderful rendition of "The Holy City." Mrs. Josephine Stearns sent telegram that she was sorry she could not be present but that not having received request of Convention in time made it impossible to be present. Mrs. W. H. Robinson recited "The Obliging Woman Delegate," being encored, she recited "Woman the Best Man of the Two." These recitals were enjoyed much by all and made a splendid diversion. Song by the choir.

President Davis called Brother H. L. Herod, W. H. Dickerson and Preston Taylor to the platform and told of these men having been pioneers of the National Convention work and are still active.

Brother W. H. Dickerson led in prayer and Brother Herod introduced Brother Taylor, the speaker of the evening. Brother Taylor made his annual address and report in a very forceful manner, telling of his trip to the International Convention and being in company with our late Brother Martin. He served on very important committee with the other brethren, as did also Brothers Alphin and Erwin. Brother H. L. Herod gave a masterful address from the platform and received the hearty applause of the brotherhood. He told of the Baltimore and Washington, D. C., church. He paid tribute to the memory of Brothers Martin and Evans. Visits were made to Dayton, Ohio, St. Louis, Mo., and Paducah, Ky., churches. THE WOMAN'S MISSIONARY SOCIETY

Cincinnati, Ohio, August 26, 1925.

The Woman's Missionary Society met in the Seventh Annual Session in Kenyon Avenue Christian Church, Wednesday, a.m., August 26, at 8 o'clock., Mrs. Wm. Alphin, Pres., presiding.

From 8 to 9 o'clock a conference on state work was conducted by the National Field Worker, Mrs. Rosa Brown Grubbs.

This conference was of great value to all who were present because of the information given. At the closing of the hour's conference all stood and sang, "Let the Lower Lights Be Burning." After this song, led by Mrs. H. A. M. Singleton, our Honorary President, all read 1st Corinthian, 13th Chapter, in unison. This was very effective, calling attention to the words, "Though I give my body to be burned, having not charity, it profiteth me nothing, etc." After the Scripture Reading, we were led to the throne of Grace by Mrs. Singleton. Every heart was touched.

Song, "Tis So Sweet to Trust in Jesus," was sung with enthusiasm by the audience. After the singing of this song, the president made a few preliminary remarks, after which she introduced to the Convention a great many new members who were present for the first time in a National Convention W. M. S.

The president then gave a review of the growth of the Woman's Missionary Society during the last seven years.

The president next introduced the National Officer to the audience.

The audience then sang—"I Must Tell Jesus." After this song was rendered she proceeded to appoint the committees.

The report of the National Treasures, Mrs. H. L. Herod, was called for and made, which was voted to be turned to the right committee.

Mrs. McGowan of Washington, D. C., spoke and with a few well chosen words, commended the secretaries and treasures for having such excellent reports. She spoke in high terms of the president.

A motion made by Mrs. Brown, of Kentucky, seconded by Mrs. Daves, of Kansas, that we give thanks to the National Officers, by a standing vote, for the most excellent reports made by them.

This motion was carried unanimously.

The report of the National Field Secretary, Mrs. Rosa Brown Grubbs, was called for. Mrs. Grubbs gave an excellent report in detail showing the work accomplished. She gave report of the Receipts to the United Christian Missionary Society from all departments of the Negro churches for last year, June, 1924, to June, 1925. This report was very interesting and all who heard it said, "Well done."

Motion was made that this report was a masterpiece of work and that Mrs. Grubbs be thanked for this rendition.

The National Secretary of Children's Work, Miss S. M. King, was called for. This report, as usual, was good. Miss King has proved to be a leader of children.

A motion carried that the report of Miss King be received, and turned to the proper committee. Brother Robinson mentioned his approval and said that this report should have the commendation of the assembly.

Mrs. Taylor, of Tennessee, arose and said that in reference to our National Field Secretaries' Report, that she thought Mrs. Grubb's report was a good one indeed. That Mrs. Grubbs has grown with the work during these nine years, and she thinks this report to be the best, and that the Convention should make known their appreciation by giving a standing vote of thanks to Mrs. Grubbs; and at the same time thank Miss King for her very excellent report. This motion was seconded by Mrs. Settle and carried unanimously.

The Assembly joined lustily in singing the song, "Brighten the Corner Where You Are."

The Honorary President, Mrs. Singleton, with appropriate remarks, presented the President, Mrs. Alphin, to deliver her message and recommendations. She spoke at length of the needs of our people in colleges and pastoral support—and missionaries to Africa and at home. Truly our hearts burned as she talked.

Motion by Mrs. Herod, seconded by Mrs. Devine, that the president's message be received and the recommendations that can be acted upon be dealt with accordingly, and the others be turned to the proper committee.

The president then suspended the rule and allowed ten minutes for discussion on the message just given.

Brother Jackson spoke in commendable terms of the address. He endorsed the thought of sending missionaries to Africa. He also endorsed the mention of the college.

Sister Keith, of California, Sister Griffin, of Missouri, and Sister Daves, of Kansas, each spoke in commendable terms of the message, also Sister Brown, of Ohio.

Brother Daves in his entertaining way spoke of the address as being good. Mrs. Brown, of Kentucky, spoke of the greatness of the message and asked that it be published that we may be better benefited by it.

Mrs. Singleton spoke of Missionaries to Africa and highly endorsed the president's message.

Mrs. Thomas, of Virginia, spoke on Ministers' Wives, and told of her experience as one and urges the wives to get out of self and into Christ—or failure is sure.

The State General Secretaries were asked to make expressions. Mrs. B. B. Hutsell, Ky.; Mrs. Tranna Anderson, Kans.; Mrs. M. Haygood, Ala.; Mrs. Edna Bradley, Ohio; Mrs. Betsy Daves, S. C.; Mrs. M. V. Thomas, Va.; Mrs. L. A. Devine, Mo.; Mrs. Harding, Tenn.; Mrs. Sarah Richardson, Ark.

Mrs. Grubbs asked permission to introduce one, a Miss Taylor of the Baptist Church of St. Louis, Mo., and head assistant in the Public School of that city. The Convention received her graciously.

Miss Taylor spoke of the pleasure that is hers to have the privilege of listening to the deliberations of the Convention and thought it good to be here. The audience then sang, "There is Sunshine in My Soul Today." A free-will offering was given. The amount taken being \$9.46.

Brother Jackson asked Divine blessing upon the gift and givers and offered a prayer of thanks for the offering. The benediction was made by Dr. Robinson, of Hagerstown, Md.

Evening Session of W. M. S.

Convened by singing song, "Let the Lower Light Be Burning," after which Scripture lesson was read, by Mrs. Bostic, 23 Psalm.

Prayer by Mrs. Martin. Song, "Jesus Keep Me Near the Cross."

President called the officials to the platform. The reports of the state general secretaries were resumed. Mrs. Harding, of Tennessee, came forward with a good report.

Mrs. S. L. Bostic made a partial report for Arkansas. She made a fine address in which she commended the officials in a general way. Mrs. Keith brought forward a report from California, which was very interesting.

Mrs. Martin, of Chicago, came next with her report of the work in Chicago. She is trying to organize a work while work there. She also made a report of the work in Gary, Ind. All thought this a work worth while. Mrs. Hattie Butler made an interesting report for Indiana.

The report of the Carolina, Virginia, District was a written one sent to the secretary. They report thirteen auxiliaries in working order. The report was thought to be fine.

Mrs. Susie M. Brown, Mt. Sterling, Ky., brought to us a fine message. Subject, "Essentials for a Successful Woman's Missionary

Society." This address was a great one and of much benefit to the hearers.

Mrs. McGowan, Washington, D. C., next addressed the audience, to the delight of all. She speaks hopefully of the Washington work and tried to express for that congregation their appreciation of the help they are receiving from the U.C.M.S. and the W.M.S.

Solo—Mrs. Nettie Jackson, Kansas City, Kansas, sang beautifully, "The Lord is My Shepherd."

Miss Nora Darnell, National Secretary of Children's Work, brought to us a great message. In her address she mentioned three particular phases of interest to the child. Telling the story, showing the pictures, and getting the child interested. She said as "He built for us a higher gate, so we should build for the children." Miss Darnell can get the attention of her hearers, and all enjoyed her talk.

Miss Darnell can tell a story in such a way that the hardest can feel, and the dullest can understand. She told the story of "Little Lame Dick." It is a very pathetic one, and all hearts were touched.

Mrs. R. H. Daves was introduced to the Convention and she, in well chosen words, made us feel the welcome extended us.

A motion obtained a second that a standing vote of thanks be given this committee for service rendered.

Mrs. B. B. Hutsell made a petition in which she asks for a change of college or the establishment of a college for our youths. The report of the Nominating Committee was called for. The report was made and adopted as read.

REPORT OF NOMINATING COMMITTEE

Cincinnati, Ohio, August 26, 1925.

We, your Committee on Nominations, submit the following report:

For President—Mrs. Wm. Alphin, Missouri.
 First Vice-President—Mrs. H. A. M. Singleton, Kentucky.
 Second Vice-President—Mrs. Ida Taylor, Tennessee.
 Third Vice-President—Mrs. Katherine Keith, California.
 Recording Secretary—Miss M. E. Harding, Florida.
 Assistant Recording Secretary—Mrs. S. Offuit, Ohio.
 Corresponding Secretary—Mrs. L. E. Mayberry, Oklahoma.
 Treasurer—Mrs. H. L. Herrod, Indiana.
 Secretary of Children's Work—Miss S. M. King, Kentucky.

Respectfully submitted,

MRS. C. L. MARTIN,
 MRS. J. L. HARDIN,
 MRS. MARTHA STOKES,
 MRS. MARY VAN BUREN,
 MISS R. C. SNEED.

The President at this time introduced to the assembly the President of the Baptist Missionary Society, Mrs. Miller, who in a few chosen words asked the blessing of God upon our assembly.

Mrs. Norcam, the Secretary of the Y.W.C.A., was next introduced. She very pleasantly entertained us with her witty sayings.

Offering taken, \$4.75.

Prayer, thank offering and benediction by our beloved Brother George Terry, Missouri.

Evening Session

W.M.S. convened by singing song: "More About Jesus."

A second selection, "Jesus, Keep Me Near the Cross," was rendered.

Brother Everette then led in singing a Negro Spiritual which was caught up by the assembly and sung as Negroes only can sing.

Minutes of previous session were called for, read by Mrs. M. J. Brown and adopted as read.

Report of Nominating Committee re-read and adopted as read.

Report of Committee on State Societies read by Mrs. Hutsell.

A motion carried that this report be received and adopted as read.

After the reading of this report we had a treat. Miss Leota Christmas was introduced and asked to sing. She rendered a solo which was thrilling. The audience was held in rapt attention while the notes were carolled forth in praise to God. The subject of the song was "I Saw One Hanging on the Tree." Many amens were heard.

An address was made by Mrs. Thomas of the Piedmont Institute Virginia. The subject of which being "Christian Motherhood" was well discussed and much thought aroused. It was full of inspiration.

A special selection of music was rendered by Mrs. Letton of Kentucky. The subject, "It Pays to Serve Jesus." It is a beautiful song and was impressively rendered with expression.

The 24th Psalm, "The earth is the Lord's and the fullness thereof" was read for Scripture lesson by Rev. Letton of Kentucky.

Rendition by choir—an anthem after which all bowed in prayer while Rev. Peters of North Carolina, led us to the Throne of Grace.

A solo by Mrs. Nadine R. Waters, Ohio was lustily applauded.

A second rendition by Mrs. Waters was much appreciated. Miss Waters is a student of a Boston Musical Conservatory and is a credit to her Alma Mater.

Brother Craggett of Kansas City, Mo., as programmed, came to us with a sermon, subject, "The Conquering King." He proved himself master of the task and preached a wonderful sermon; he closed by singing "Glory! glory! Hallelujah, His truth is marching on."

Invitation extended while the congregation stood and sang "Jesus Is Calling Today."

A free will offering was made while the choir chanted an anthem.

An offering of \$35.73 was taken. A prayer of thank offering was made by Brother Daves. Adjourned.

A call session was held Saturday morning, opened with prayer by Mrs. McGowan of Washington, D. C. Mrs. Wm. Alphin conducted a conference of the W. M. S.

Sister T. R. Everett was appointed to call the ministers' wives together to organize them.

Sister Alphin told the State Presidents to keep account of the finances. All money should be paid out by Secretary's order signed by President and Secretary.

The subject of "Who Are the Legal Delegates to Be Sent to the National Convention?" was discussed and it was decided that we always send the State President as delegate to National Convention and suggested that the Field Worker be considered.

A motion carried that we the National W. M. S. give \$100 to the establishing of the newspaper. This was voted unanimously. Motion adopted that the Secretary of Children's Work be added to list of those to receive one-half fare to and from the Convention.

The report of Finance Committee called for when the Committee reported \$377.50 received at this meeting and \$130.55 which was on hand making a total of \$508.05.

The President then said that all bills be paid now. And since Sister Brown, the retiring Recording Secretary has done such good work she thought that she should receive \$15 instead of \$10. This was agreed to.

A motion was made by Mrs. Taylor of Tennessee, seconded by Mrs. Herod of Indiana, that inasmuch as Mrs. Brown of Mississippi,

had rendered such valuable service and was retiring from office, that we vote that clause in the Future Work report relative to Recording Secretary, Corresponding Secretary and Treasurers, receiving one way fare go into effect immediately in Sister M. J. Brown's case and that she receive one-half of traveling expense. An amendment was made by Mrs. Devine that Mrs. Brown receive one way fare, but in place of the \$15, as suggested by Mrs. Alphin, that she receive the usual sum of \$10 for compiling minutes. Carried unanimously.

**ORGANIZED THE COUNCIL OF MINISTERS' WIVES
SATURDAY, AUGUST 29, 1925**

Cincinnati, Ohio.

In organizing The Council of Ministers' Wives we feel that the good results are far-reaching.

There has been a time when one would prefer almost any position than that of a minister's wife. But when we are reminded that "Life is what we make it," we are encouraged.

We are the architects of our own lives, and if it falls our lot to be a minister's wife, we should count it a blessing and proceed to make the very best minister's wife. To do this we must go down in the valley, as well as up on the mountain tops. We are reminded that one reaps just what he sows. If we wish to reap a joyful harvest we must sow joyful deeds. The joy that you give to others is the joy that comes back to you.

The ministers' wives need to counsel together, so we, The National W.M.S., in order to promote a better feeling of love and friendship, do organize a Council of Ministers' Wives of The Disciples of Christ. We elect for our first officers:

Mrs. Thomas, Piedmont Inst., Virginia, President; Mrs. M. J. Brown, Port Gibson, Miss., Corresponding Secretary; Mrs. Craggette, Kansas City, Mo., Recording Secretary; Mrs. C. A. Martin, Chicago, Ill., Treasurer.
